EXAMINATIONS BY PSI

This Candidate Information Bulletin provides you with information about the examination and application process for a real estate licensee in the State of Pennsylvania.

Pennsylvania state laws stipulate that a person may not act as a real estate salesperson, builder/owner salesperson, rental listing referral agent, cemetery broker, or broker without first obtaining a license issued by the Department of State. To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes, and regulations relating to real estate.

The Pennsylvania Real Estate Commission has contracted with PSI licensure:certification (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers in Pennsylvania. PSI works closely with the State to be certain that examinations meet local as well as national requirements in basic principles and examination development standards.

The following are the Pennsylvania real estate licensing examinations offered by PSI licensure:certification:

- Real Estate Broker
- Real Estate Salesperson
 - Cemetery Broker
 - Rental Listing Referral Agent
 - Builder/Owner Salesperson

If you hold a real estate license in a jurisdiction in which Pennsylvania has a signed reciprocal license agreement with and you plan on keeping that licensee active, you are exempt from taking the examination. Please look on the Commission's website (www.dos.state.pa.us/estate) for details.

TAKING THE EXAMINATION BY COMPUTER

Taking the PSI examination by computer is simple. You do not need any computer experience or typing skills. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown here.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial to the computer and keyboard is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice using the keys, answering questions, and reviewing your answers.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION QUESTION EXAMPLE

During the examination, you should press 1, 2, 3, or 4 to select your answer or press "MARK" to mark it for later review. You should then press "ENTER" to record your answer and move on to the next question. A sample question display follows:

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

PSI, in cooperation with the Pennsylvania Real Estate Commission, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered on the computer keyboard during the examination. Your comments regarding the questions and the examinations are welcomed. Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If an error affecting examination scores is discovered as a result, which occurs very rarely, the examination scores of all affected candidates will be automatically adjusted. **This is the only review of examination materials available to candidates.**

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

The following is a list of possible study materials for the real estate examinations. The list is given to identify resources and does not constitute an endorsement by PSI or by the Pennsylvania Real Estate Commission. Use the latest edition available.

This Criminal Record Check may not be older than 90 days from the date this office receives your application. Pennsylvania residents may apply for a record check on-line at <http://www.psp.state.pa.us> or you may use the attached form and mail it directly to the PA State Police. Please note that it takes approximately two weeks to receive this background check by mail and up to three days to receive it on-line. Therefore, you might wish to state the process immediately to avoid delays in submitting your licensure application.

Please note:

- Any record checks received that are older than 90 days will be returned and the application will not be processed.
- If there is not a STATUS listed on the record check, obtain documentation from the State Police or Court System showing the status of the conviction(s).
