EXAMINATIONS BY PSI

This Candidate Information Bulletin provides you with information about the examination and application process for becoming licensed as a real estate salesperson or broker in South Carolina. To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes and regulations relating to real estate. South Carolina's Office of Property, Environmental, Design and Construction Services (OPEDACS) has contracted with PSI Services LLC (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers in South Carolina. PSI works closely with the South Carolina Real Estate Commission to be certain that examinations meet local as well as national requirements and basic principles of real estate and examination development standards.

Apply to the Real Estate Commission prior to registering with PSI for an examination. Once you are approved, you will receive an Examination Eligibility letter. Examination Eligibility is valid for 1 year. If you fail you may retest on an unlimited basis during the 1 year period.

The following are the South Carolina real estate licensing examinations offered by PSI licensure: certification:

- Real Estate Salesperson
- Real Estate Broker

Each examination consists of state and national portions. You must pass both portions to apply for licensure.

All questions and requests for information about examinations should be directed to:

GUIDELINES FOR LICENSE APPLICATION/QUALIFICATION

To make the license qualification process go as smoothly as possible, be certain that you:

1. Obtain the appropriate eligibility (e.g., number of hours of education) in advance of applying to the Commission.
2. After approval by the Commission of your eligibility, prepare for the examination by using the

examination outline in this Candidate Information Bulletin as a guide for reviewing your prelicense course material along with any of the supplementary references provided on page 2.

3. Be sure that the examination registration form that you submit to PSI is complete and accurate, and that you include the correct fees.
4. Be sure to take proper identification with you to your scheduled examination appointment.
5. Candidates for licensure are required to pass both portions of the examination within 1 year of approval of your eligibility by the Commission. If your Examination Eligibility has expired, you will need to reapply to the Commission before you can register to take or retake the examination with PSI.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for the license examination. Preparation, in addition to the required classroom hours, increases your likelihood of passing.

- Start with a current copy of this South Carolina Real Estate Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Review your prelicense course material with a special emphasis on the topics listed in the examination content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory; it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

EXAMINATION STUDY MATERIALS

The following is a list of possible study materials for the real estate examinations. The list is given to identify resources and does not constitute an endorsement by PSI or by the South Carolina Real Estate Commission. Use the latest edition available.
