EXAMINATIONS BY PSI

This Candidate Information Bulletin provides you with information about the examination and application process for becoming licensed as a real estate salesperson or broker in the Commonwealth of Virginia. You need to pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes and regulations relating to real estate. The Department has contracted with PSI to conduct its examination program. PSI provides examinations through a network of computer and paper-and-pencil examination centers in Virginia. PSI works closely with the Department of Professional and Occupational Regulation and its Examination Review Committee to be certain that examinations meet local as well as national requirements in basic principles of real estate and examination development standards.

The following are the examinations offered by PSI Examination Services:

Real Estate Salesperson Examination
Real Estate Broker Examination

Each examination consists of state and national portions. You must pass both portions to apply for licensure. Only the state portion must be passed if applying by reciprocity.

All questions and requests for information about examinations should be directed to:

EXAMINATION QUALIFICATIONS

Applicants for the Virginia Real Estate Examinations must be at least 18 years of age and must meet 1 of these additional requirements:

1. Complete the required pre-license education before taking the examination (See the *Virginia Real Estate Board Regulations, Real Estate License Laws* for

details).

2. Be licensed to practice real estate in another state. Licensees of other states will be required to take ONLY the state portion of the Virginia Real Estate License Examination.

INSTRUCTIONS FOR LICENSE QUALIFICATION

To make the license qualification process go as smoothly as possible, be certain that you:

1. Applicant must have, at a minimum, a high school diploma or its equivalent.
2. Obtain the appropriate number of hours of education in advance of registering for the examination.
3. Prepare for the examination by using the examination outline in this Candidate Information Bulletin and the suggested study materials that cover the outline topics.
4. Be sure that the examination registration form is complete and accurate, and that you include the correct fees.
5. Be sure to take proper identification with you to your scheduled examination appointment (details found on page 9).
6. After you have passed the appropriate portions of the PSI licensing examination, submit your license application form, any other required information, and the correct fees to the Virginia Department of Professional and Occupational Regulation. (See "License Application Instructions").
7. Fingerprinting is mandatory. Before submitting an application for a Virginia real estate license, each applicant must submit a set of fingerprints to the Virginia Central Criminal Records Exchange for the purpose of conducting a state and national fingerprint-based criminal history record. You will be electronically fingerprinted at one of PSI Virginia sites, during regular testing hours. The Johnson City, TN and Salisbury, MD test sites do not offer fingerprinting. Contact the Board if you cannot be electronically fingerprinted at a PSI Virginia site.
8. Once fingerprinting is done, the license application must be received by the Board within 45 calendar days of the Board's receipt of the fingerprint results or the applicant will have to pay to be fingerprinted again before a license will be issued.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your license examination. Planned preparation, in addition to the required classroom hours, increases your likelihood of passing.

- Start with a current copy of this Virginia Real Estate Candidate Information Bulletin and use the examination

content outline as the basis of your study.

- Read study materials that cover all the topics in the content outline.
- Read the Real Estate Regulations found at http://www.dpor.virginia.gov/uploadedFiles/MainSite/Content/Boards/Real_Estate/A490-02REGS.pdf
- Take notes on what you study. Putting information in writing helps you commit it to memory, and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

The following is a list of possible study materials for the real estate examinations. The list is given to identify resources and does not constitute an endorsement by PSI or by the Virginia Department of Professional and Occupational Regulation. The examinations are closed book.

PSI will use your Social Security or Virginia DMV Number only as an identification number in maintaining your records and reporting your examination scores to the Department of Professional and Occupational Regulation. You **MUST** provide your Social Security or Virginia DMV number to the state to complete the licensing process.

IMPORTANT

YOU MUST USE THE NUMBER THAT YOU PROVIDE TO YOUR SCHOOL, WHEN SCHEDULING FOR THE EXAMINATION, AND WHEN APPLYING FOR LICENSURE.

EXAM ACCOMMODATIONS

All PSI examination centers are equipped to provide access in accordance with the Americans with Disabilities Act (ADA) of 1990, and exam accommodations will be made in meeting a candidate's needs. A candidate with a disability or a candidate who would otherwise have difficulty taking the examination must follow the instructions on the Exam Accommodations Request Form at the end of this Candidate Information Bulletin.

SCHEDULING AN APPOINTMENT

After you have received the confirmation notice of PSI's acceptance of your registration packet, you are responsible for calling PSI to schedule an appointment to take the examination. PSI will make every effort to schedule the examination center location and time that is most convenient for you. To schedule your examination, call PSI at 1-(855) 340-3910. Customer Service Representatives are available Monday through Friday, between 7:30 am and 8:00 pm and Saturday, between 11:00 am and 5:00 pm, Eastern Time. If space is available in the examination center of your choice, you may schedule an examination 1 day prior to the examination date of your choice, up to 4:00pm PT (7:00pm ET).

Note: only the candidate may schedule an appointment through a PSI Customer Service Representative, not a friend or relative.

CANCELING AN APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee if your *cancellation notice is received 2 days before the scheduled examination date*. For example, for a Monday appointment, the cancellation notice would need to be received on the previous Saturday.

Note: A voice mail or email message is not an acceptable form of cancellation. Please use the PSI website or call PSI to speak to a Customer Service Representative.

SCHEDULING A RE-EXAMINATION

It is not possible to make a new examination appointment on the same day you have taken an examination; this is due to processing and reporting scores. A candidate who tests unsuccessfully on a Wednesday can call the next day, Thursday, and retest as soon as Friday, depending upon space availability. In order to retest, you must re-register following the steps for registration and scheduling as outlined earlier.

You may re-register over the Internet, telephone, fax or by mail. Once registered, you can schedule for your re-examination.

MISSED APPOINTMENT OR LATE CANCELLATION

Your registration will be invalid, and you will not be able to take the examination as scheduled, and you will forfeit your examination fee, if you:

- Do not cancel your appointment 2 days before the scheduled examination date; or
- Do not appear for your examination appointment; or
- Arrive after examination start time; or
- Do not present proper identification when you arrive for the examination.

EMERGENCY EXAMINATION CENTER CLOSING

In the event that severe weather or another emergency forces the closure of an examination center on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation; however, you may check the status of your examination schedule by calling (855) 340-3910. Every effort will be made to reschedule your examination at a convenient time as soon as possible.

VA.ApplicationProcessor@psionline.com. Please note, fingerprinting is only available at the VA sites listed above.

REPORTING TO THE EXAMINATION CENTER

On the day of the examination, you should arrive at least 30 minutes before your appointment. This extra time is for sign-in and identification and familiarizing you with the examination process. **If you arrive late, you may not be admitted to the examination center and you will forfeit your registration fee.**

For security and identification purposes, all candidates will

have their fingerprint taken during the examination check-in. This is not part of the electronic fingerprint requirement to get licensed.

REQUIRED IDENTIFICATION

You must provide 2 forms of VALID (not expired) identification. One must be a VALID form of government-issued identification (Driver's License, State ID, Passport, Military ID) which bears your signature and has your photograph. The second ID must have your signature and preprinted legal name. **All identification provided must match the legal name that you used on the Examination Registration Form to register for the examination. If the name in the PSI system does not match the name on your government-issued ID and 2nd form of ID, you will not be permitted to take the examination and the examination fee will be forfeited.**

Failure to provide ALL of the required identification at the time of the examination without notifying PSI is considered a missed appointment and you will not be able to take the examination at that time.

SECURITY PROCEDURES

- Only non-programmable calculators that are silent, battery-operated, do not have paper tape printing capabilities, and do not have a keyboard containing the alphabet will be allowed in the examination site.
- Candidates may take only approved items into the examination room.
- All personal belongings of candidates should be placed in the secure storage provided at each site prior to entering the examination room. Personal belongings include, but are not limited to, the following items:
 - Electronic devices of any type, including cellular / mobile phones, recording devices, electronic watches, cameras, pagers, laptop computers, tablet computers (e.g., iPads), music players (e.g., iPods), smart watches, radios, or electronic games.
 - Bulky or loose clothing or coats that could be used to conceal recording devices or notes. For security purposes outerwear such as, but not limited to: open sweaters, cardigans, shawls, scarves, vests, jackets and coats are not permitted in the testing room. **In the event you are asked to remove the outerwear, appropriate attire, such as a shirt or blouse should be worn underneath.**
 - Hats or headgear not worn for religious reasons or as religious apparel, including hats, baseball caps, or visors.
 - Other personal items, including purses, notebooks, reference or reading material, briefcases, backpacks, wallets, pens, pencils, other writing devices, food, drinks, and good luck items.
- Person(s) accompanying an examination candidate may not wait in the examination center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors.
- No smoking, eating, or drinking is allowed in the examination center.
- During the check in process, all candidates will be asked if they possess any prohibited items. Candidates may also be asked to empty their pockets and turn

them out for the proctor to ensure they are empty. The proctor may also ask candidates to lift up the ends of their sleeves and the bottoms of their pant legs to ensure that notes or recording devices are not being hidden there.

- Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be used to harbor a recording device. Proctors will ask to inspect any such items in candidates' pockets.
- If prohibited items are found during check-in, candidates shall put them in the provided secure storage or return these items to their vehicle. PSI will not be responsible for the security of any personal belongings or prohibited items.
- Any candidate possessing prohibited items in the examination room shall immediately have his or her test results invalidated, and PSI shall notify the examination sponsor of the occurrence.
- Any candidate seen giving or receiving assistance on an examination, found with unauthorized materials, or who violates any security regulations will be asked to surrender all examination materials and to leave the examination center. All such instances will be reported to the examination sponsor.
- Copying or communicating examination content is violation of a candidate's contract with PSI, and federal and state law. Either may result in the disqualification of examination results and may lead to legal action.
- Once candidates have been seated and the examination begins, they may leave the examination room only to use the restroom, and only after obtaining permission from the proctor. Candidate will not receive extra time to complete the examination.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out

EXPERIMENTAL ITEMS

A small number of "experimental" questions (i.e., 5 to 10) may be administered to candidates during the examinations. These questions will not be scored, and the time taken to answer them will not count against testing time. The administration

of such unscored, experimental questions is an essential step in developing future licensing exams.

EXAMINATION REVIEW

PSI, in cooperation with the Department of Professional and Occupational Regulation, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions, by clicking the Comments button on the function bar of the exam question screen.

Your comments regarding the questions and the examinations are welcomed. Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the department may re-evaluate candidates' results and adjust them accordingly. **This is the only review of the examination available to candidates.**

SCORE REPORTING

In order to pass the examination, you must achieve the minimum score shown on each part of the examination.

	Passing Score
Salesperson	
National Portion	56
State Portion	30
Broker	
National Portion	60
State Portion	38

If you take the examination by computer, your score will be given to you immediately following completion of the examination. If you take the paper-and-pencil examination, your result will be mailed to you from PSI Headquarters. Examination results are confidential and will be reported only to you and the Virginia Department of Professional and Occupational Regulation.

The following summary describes the score reporting process:

- **On screen** - Your score will appear immediately on the computer screen. This will happen automatically at the end of the time allowed for the examination; if you are using review features, you will be able to obtain your score immediately when you indicate that you have finished and would like to see your results.
 - If you **pass**, you will immediately receive a successful notification and performance summary on the screen.
 - If you **do not pass**, you will immediately receive an unsuccessful notification on the screen along with a diagnostic report indicating your strengths and weaknesses by examination type. Registration forms for submittal to PSI to retake the examination will be available at the examination center.
- **On Paper** - An official result report will be handed out at the examination center. This official score report is for your records; do not send it to the Virginia Department of Professional and Occupational Regulation

DUPLICATE SCORE REPORTS

You may request a duplicate score report after your examination by emailing scorereport@psonline.com.
