North Carolina State Board of Cosmetic Art Examiners

The North Carolina State Board of Cosmetic Art Examiners is responsible for licensing and regulating the profession of cosmetology in the State of North Carolina. The Board has contracted with DL Roope Administration Inc. to provide administrative examination services. The Board, through DL Roope Administration Inc., will exclusively use the National-Interstate Council of State Boards of Cosmetology ("NIC") examinations. The Board first requires the submission of a Cosmetology Examination & License Application ("Application"). This is required to determine your eligibility for testing. Any questions regarding your application or eligibility should be directed to DL Roope Administration Inc. The application may be downloaded at www.DLRoope.com.

How to Schedule For and Take the Theory Examination: Once you have been approved to take the theory examination you may contact PSI to schedule.

EXAMINATION SCHEDULING PROCEDURES

INTERNET SCHEDULING

TAKING THE THEORY EXAMINATION BY COMPUTER

Taking the PSI examination by computer is simple. You do not need any computer experience or typing skills. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown here. You may also use a mouse.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial to the computer and keyboard is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice using the keys, answering questions, and reviewing your answers.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION QUESTION EXAMPLE

During the examination, you should press 1, 2, 3, or 4 to select your answer or press "MARK" to mark it for later review. You should then press "ENTER" to record your answer and move on to the next question. A sample question display follows:
