EXAMINATIONS BY PSI

The Division has contracted with PSI licensure:certification (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers in Utah and in many areas throughout the United States.

This Candidate Information Bulletin provides you with information about the examination process for Cosmetology and Barber Licensure in the State of Utah.

The written and practical examinations both must be passed in order to become licensed.

The examinations are developed by the National-Interstate Council of State Boards of Cosmetology (NIC) www.nictesting.org.

EXAMINATION REGISTRATION AND SCHEDULING PROCEDURES

The Examination Registration Form is found at the end of this Candidate Information Bulletin. You must pay at the time you register. Be sure the registration form is complete, accurate, signed, and that you include the correct fee. The registration form is valid for one examination.

Registrations for theory exams in a foreign language are for theory only. NIC practical exams are only offered and administered in English.

The following fee table lists the applicable fee for each examination, whether you are taking the written examination or practical examination. The fee is for each examination, regardless if you are taking the examination for the first time or repeating.

ONLINE (www.psiexams.com)

For the fastest and most convenient examination scheduling process, register for your examinations online by accessing PSI’s registration Web site at www.psiexams.com. Internet registration is available 24 hours a day.

Log onto PSI’s Web site and create an account. The online form will ask you to enter your email address and to spell your name exactly as it appears on the identification that you will be presenting at the examination site.

The form will ask you to choose the examination you wish to take, to enter personal and contact information, and to pay for and schedule the examination. The form allows you to enter a ZIP code to see a list of examination sites closest to you. Once you select the desired examination site, you will be able to choose an available date and time for your examination.

TELEPHONE REGISTRATION

For telephone registration, you will need a valid credit card (VISA, MasterCard, American Express or Discover).

PSI registrars are available at (800) 733-9267, Monday through Friday between 5:30 am and 8:00 pm, and Saturday-Sunday between 7:00 am and 3:30 pm, Mountain Time, to receive the information listed on your Examination Registration Form and to schedule your appointment for the examination.

PSI will make every effort to schedule the examination site and time that is most convenient for you. If space is available in the examination site of your choice, you may schedule an examination 1 day prior to the examination date of your choice, up to 5:00 pm MT. Please be prepared to offer alternate examination appointment choices.

FAX REGISTRATION

For fax registration, you will need a valid credit card (VISA, MasterCard, American Express or Discover).

Complete the Examination Registration Form, including your credit card number and expiration date and fax it to PSI (702) 932-2666. Fax registrations are accepted 24 hours a day.

Please allow 4 business days to process your registration. After 4 business days, you may call PSI to schedule the examination at (800) 733-9267.

STANDARD MAIL REGISTRATION

Complete the PSI registration form (found at the end of this booklet), and send the form with the appropriate examination fee to PSI. You may pay fees by credit card (VISA, MasterCard, American Express or Discover), company check, money order or cashier’s check, made payable to PSI. Print your name in the memo section of the company check, money order or cashier’s check so we can ensure the payment is applied to your registration. CASH and PERSONAL CHECKS ARE NOT ACCEPTED.

Please allow PSI 2 weeks to process a mailed registration. After 2 weeks, you may go online or call PSI to schedule the examination.

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee if your cancellation notice is received 2 days before the scheduled examination date. For example, for a Monday appointment, the cancellation notice would need to be received on the previous Saturday. You may call PSI at (800) 733-9267.

Note: A voice mail or email message is not an acceptable form of cancellation. Please use the PSI

**EXAM ACcommodations**

All PSI examination centers are equipped to provide access in accordance with the Americans with Disabilities Act (ADA) of 1990, and exam accommodations will be made in meeting a candidate's needs. A candidate with a disability or a candidate who would otherwise have difficulty taking the examination must follow the instructions on the Exam Accommodations Request Form at the end of this Candidate Information Bulletin.

**Examination Site Closing for an Emergency**

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (800) 733-9267. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You may also check our website at www.psiexams.com.

**Social Security Number Confidentiality**

PSI will use your social security number only as an identification number in maintaining your records and reporting your examination scores to the state. A Federal law requires state agencies to collect and record the social security numbers of all licensees of the professions licensed by the state. If you elect not to disclose your social security number to PSI, please enclose a separate letter explaining this with your Examination Registration Form. However, you must provide it to the state.

**Examination Site Locations**

The following test centers are located in Utah and Colorado.

Note: The following directions are generated from the most current mapping services available. However, new road construction and highway modifications may result in some discrepancies. If you are not familiar with the specific area of the testing site, please consult a reliable map prior to your test date.

If you cannot provide the required identification, you must call (800) 733-9267 at least 3 weeks prior to your scheduled appointment to arrange a way to meet this security requirement.

Failure to provide all of the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination.

SECURITY PROCEDURES

The following security procedures will apply during the examination:
- Candidates may take only approved items into the examination room.
- All personal belongings of candidates should be placed in the secure storage provided at each site prior to entering the examination room. Personal belongings include, but are not limited to, the following items:
  - Electronic devices of any type, including cellular / mobile phones, recording devices, electronic watches, cameras, pagers, laptop computers, tablet computers (e.g., iPads), music players (e.g., iPods), smart watches, radios, or electronic games.
  - Bulky or loose clothing or coats that could be used to conceal recording devices or notes. For security purposes outerwear such as, but not limited to: open sweaters, cardigans, shawls, scarves, hoodies, vests, jackets and coats are not permitted in the testing room. In the event you are asked to remove the outerwear, appropriate attire, such as a shirt or blouse should be worn underneath.
  - Hats or headgear not worn for religious reasons or as religious apparel, including hats, baseball caps, or visors.
- Other personal items, including purses, notebooks, reference or reading material, briefcases, backpacks, wallets, pens, pencils, other writing devices, food, drinks, and good luck items.
- Although secure storage for personal items is provided at the examination site for your convenience, PSI is not responsible for any damage, loss, or theft of any personal belongings or prohibited items brought to, stored at, or left behind at the examination site. PSI assumes no duty of care with respect to such items and makes no representation that the secure storage provided will be effective in protecting such items. If you leave any items at the examination site after your examination and do not claim them within 30 days, they will be disposed of or donated, at PSI’s sole discretion.
- Person(s) accompanying an examination candidate may not wait in the examination center, inside the building or on the building’s property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors.
- No smoking, eating, or drinking is allowed in the examination center.
- During the check in process, all candidates will be asked if they possess any prohibited items. Candidates may also be asked to empty their pockets and turn them out for the proctor to ensure they are empty. The proctor may also ask candidates to lift up the ends of their sleeves and the bottoms of their pant legs to ensure that notes or recording devices are not being hidden there.
- Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be used to harbor a recording device. Proctors will ask to inspect any such items in candidates’ pockets.
- If prohibited items are found during check-in, candidates shall put them in the provided secure storage or return these items to their vehicle. PSI will not be responsible for the security of any personal belongings or prohibited items.
- Any candidate possessing prohibited items in the examination room shall immediately have his or her test results invalidated, and PSI shall notify the examination sponsor of the occurrence.
- Any candidate seen giving or receiving assistance on an examination, found with unauthorized materials, or who violates any security regulations will be asked to surrender all examination materials and to leave the examination center. All such instances will be reported to the examination sponsor.
- Copying or communicating examination content is violation of a candidate’s contract with PSI, and federal and state law. Either may result in the disqualification of examination results and may lead to legal action.
- Once candidates have been seated and the examination begins, they may leave the examination room only to use the restroom, and only after obtaining permission from the proctor. Candidate will not receive extra time to complete the examination.
TAking the Written Examination by Computer

The examination will be administered via computer. You will be using a mouse and computer keyboard.

Identification Screen

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

Tutorial

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

Test Question Screen

The “function bar” at the top of the test question provides mouse-click access to the features available while taking the examination.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

Examination Review

The Utah Division of Occupational and Professional Licensing is utilizing the National Interstate Council of State Boards of Cosmetology (NIC) exams. The NIC conducts ongoing analysis and review of their examinations to ensure the examinations accurately measure minimal competency in the required knowledge area.

Score Reports

You will receive the score report immediately following the completion of the examination. Official score results of the practical examination will be released to your state board within 3 business days after the examination. Please note that passing scores are valid for a period of one year toward Utah licensure.

The score on these examinations are reported as a scaled score, which is a score based on the number of questions you answered correctly that has been converted to a standardized number. The part scores cannot be transferred to a percentage, nor added for overall performance. Each individual part is weighted as to the importance of competence and public protection for entry-level candidates. These weightings then contribute to the total number of questions that must be answered correctly.

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or by calling 800-733-9267.

Passing scores will be accepted by Utah Division of Occupational and Professional Licensing for a period of one year after the completion of the examination. Testing scores older than one year will not be accepted and the candidate must retest.

Tips for Preparing for Your License Examination

The following suggestions will help you prepare for your examination.

IMPORTANT: Mannequins are required. Live models are NOT accepted.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.
The National Cosmetology examination is the national licensure examination for Cosmetology, which is developed and administered by the National-Interstate Council of State Boards of Cosmetology (NIC). For more information on the examination content outlines and references go to www.nictesting.org.
