**EXAMINATIONS BY PSI SERVICES LLC**

This Candidate Information Bulletin provides you with information about the examination and application process for obtaining a real estate license in the State of Hawaii.

Hawaii state laws stipulate that a person may not act as a real estate salesperson, broker, or instructor without first obtaining a license issued by the Hawaii Real Estate Commission. To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes, and regulations relating to real estate.

The Hawaii Real Estate Commission has contracted with PSI Services LLC (PSI) to conduct the examination testing. PSI provides examinations through a network of computer examination centers in Hawaii. PSI works closely with the State to be certain that examinations meet local as well as national requirements in basic principles and examination development standards.

Following are the Hawaii real estate licensing examinations offered by PSI:
- Real Estate Salesperson
- Real Estate Broker
- Real Estate Instructor

RETTAKING A FAILED EXAMINATION

The examination is divided into two (2) sections: uniform (general) and state. Candidates who have not passed both sections of the examination within two (2) years of the first passed section must retake both sections.

Example: A candidate takes the examination on June 15, 2005 and passes the state section but fails the uniform section. The candidate must only retake the uniform section, but must do so by June 15, 2007. If the candidate does not pass the uniform section on or before June 15, 2007, the candidate will
be required to retake the entire examination (uniform and state sections).

Candidates granted an Equivalency to the Uniform Section of Examination Certificate must also present an unexpired Certificate in addition to the documents mentioned in the previous paragraph in order to take the state section of the examination.

It is not possible to make a new examination appointment on the same day you have taken an examination; this is due to processing and reporting scores. You may schedule online at www.psiexams.com or call PSI at (800) 733-9267.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

The “function bar” at the top of the test question provides mouse-click access to the features available while taking the examination.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION REVIEW

PSI, in cooperation with the Hawaii Real Estate Commission, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions. Comments may be entered by clicking the Comments link on the function bar of the test question screen.

These comments will be analyzed by PSI examination development staff. PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. This is the only review of examination materials available to candidates.

SCORE REPORTING

The passing scores (percentages) are as follows:
- Brokers: 75%
- Salespersons: 70%
- Instructors: 85%

Your score will be given to you immediately following completion of the examination. The following summary describes the score reporting process:

- On screen - your score will appear immediately on the computer screen. This will happen automatically at the end of the time allowed for the examination;
  - If you pass, you will immediately receive a successful notification.
  - If you do not pass, you will receive a diagnostic report indicating your strengths and weaknesses by examination type with the score report.
- On paper - an unofficial score report will be printed at the examination site.
TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Only consider the actual information given in the question, do not read into the question by considering any possibilities or exceptions.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.
- Candidates may use the following information in making mathematical calculations on the general section of the real estate examinations unless otherwise stated in the text of the question:
  - $43,560 \text{ square feet/acre}$
  - $5,280 \text{ feet/mile}$

Now you can take the practice exam online at www.psiexams.com to prepare for your Hawaii Real Estate Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.
