SECURITY PROCEDURES

The following security procedures will apply during the examination:

- ✓ Candidates may take only approved items into the examination room. All personal belongings should be left home. There are no storage areas for personal items at the testing sites. Candidates will be responsible to secure any such items not allowed in the testing rooms at their own risk.
- ✓ Personal belongings include, but are not limited to, the following items: - Electronic devices of any type, including phones, recording devices, watches, cameras, pagers, laptop computers, tablet computers (e.g., iPads), music players (e.g., iPods), smart watches, radios, or electronic games.
- ✓ Bulky or loose clothing or coats that could be used to conceal recording devices or notes. For security purposes outerwear such as, but not limited to open sweaters, cardigans, shawls, scarves, hoodies, vests, jackets and coats are not permitted in the testing room.

In the event candidates are asked to remove the outerwear, appropriate attire should be worn underneath.

- ✓ Hats or headgear not worn for religious reasons or as religious apparel, including hats, baseball caps, or visors.
- ✓ Other personal items, including purses, notebooks, reference or reading material, briefcases, backpacks, wallets, pens, pencils, other writing devices, food, drinks, and good luck items.

NOTE: PSI is not responsible for any damage, loss, or theft of any personal belongings or prohibited items brought to, stored at, or left behind at the examination site. PSI assumes no duty of care with respect to such items and makes no representation there is secure storage provided or will be effective in protecting such items. If you leave any items at the examination site after your examination and do not claim them within 30 days, they will be disposed of or donated, at PSI's sole discretion.

- Person(s) accompanying an examination candidate may not wait in the examination center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors.
- No smoking, eating, or drinking is allowed in the examination center.
- During the check in process, all candidates will be asked if they possess any prohibited items. Candidates may also be asked to empty their pockets and turn them out for the proctor to ensure they are empty. The proctor may also ask candidates to lift up the ends of their sleeves and

the bottoms of their pant legs to ensure that notes or recording devices are not being hidden there.

- Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be used to harbor a recording device. Proctors will ask to inspect any such items in candidates' pockets.
- If prohibited items are found during check-in, candidates shall put them in the provided secure storage or return these items to their vehicle. PSI will not be responsible for the security of any personal belongings or prohibited items.
- Any candidate possessing prohibited items in the examination room shall immediately have his or her test results invalidated, and PSI shall notify the examination sponsor of the occurrence.
- Any candidate seen giving or receiving assistance on an examination, found with unauthorized materials, or who violates any security regulations will be asked to surrender all examination materials and to leave the examination center. All such instances will be reported to the examination sponsor.
- Copying or communicating examination content is violation of a candidate's contract with PSI, and federal and state law. Either may result in the disqualification of examination results and may lead to legal action.
- Once candidates have been seated and the examination begins, they may leave the examination room only to use the restroom, and only after obtaining permission from the proctor. Candidate will not receive extra time to complete the examination.

IMPORTANT NOTICE FOR ALL CANDIDATES

Due to many complaints from the building's tenants, the use of aerosol sprays of any kind (i.e. hairspray, aerosol spray disinfectant) is **Strictly Prohibited** anywhere within the properties which house the PSI test centers. If it is discovered or reported that you or anyone you are associated with, are using or have used an aerosol spray (i.e. hairspray, aerosol spray disinfectant) within the property prior to or during the practical exam, you will not be allowed to test and will forfeit your testing fees.

Also of note; arriving hours before your exam start time is **NOT ACCEPTABLE**. Please plan to arrive 30 minutes before the start-time of your exam. This will provide plenty of time for check-in. If you arrive more than 30 minutes prior to the testing start-time, you will not be allowed to wait in the test center, inside the building or on the building's property. Additionally, person(s) accompanying you may not wait in the test center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors. PSI understands that test Candidates are often comforted by having guests accompany them to their exams. It may also be necessary for a guest to drive the Candidate to the test center; however, incidents from previous guests have prompted warnings from Property Management. For this reason, PSI has adopted this policy.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination

date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (855) 744-0314. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You may also check our website at www.psiexams.com.

TAKING THE WRITTEN EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

What do the stars on the United States of America's flag represent?". Below the question, it says "(Choose from the following options)" and lists four radio button options: "1. Presidents", "2. Colonies", "3. States", and "4. Wars". At the bottom of the question area, there are navigation buttons: "<< Back" and "Next >>".

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.
