PURPOSE

This bulletin is designed to provide you with general information regarding the Board of Optometry's Laws and Regulations Examination processes.

EXAMINATION DEVELOPMENT

The Board of Optometry Laws and Regulations Examination is developed and maintained by the Office of Professional Examination Services (OPES), a division of the California Department of Consumer Affairs. OPES staff include testing specialists who are trained to develop and analyze occupational licensure examinations. Individual multiple-choice questions are developed in examination development workshops by licensees serving as Subject Matter Experts. Each question is carefully researched and validated with published references to ensure accuracy and consistency with entry-level practice.

ESTABLISHING THE PASSING STANDARDS

A licensing examination determines whether an examinee is competent to practice, not whether the examinee performs better or worse than others who take the test.

In accordance with Business and Professions Code section 101.6, the purpose of Boards, Bureaus and Commissions is to "...establish minimum qualifications and levels of competency and license persons desiring to engage in the occupations they regulate upon determining that such persons possess the requisite skills and qualifications necessary to provide safe and effective services to the public, or register or otherwise certify persons in order to identify practitioners and ensure performance according to set and accepted professional standards."

EXAMINATION REGISTRATION, PAYMENT, AND SCHEDULING PROCEDURES

Once you have been approved by the Board of Optometry, you are responsible for contacting PSI to schedule an appointment to take the examination. You may do so via the internet at <https://test-takers.psiexams.com/caopt>, or schedule over the telephone at (877) 392-6422, TTY (800) 735-2929.

➤ FIRST TIME EXAMINEES:

Examination eligibility expires, and an application is deemed abandoned, if the applicant fails to sit for the examination within one year after being notified of eligibility.

➤ RE-EXAMINATION APPLICANTS:

Examination eligibility expires, and an application is deemed abandoned, if an applicant fails any written examination and does not retake the examination

within one year after initially being notified of eligibility.

In most California test centers, testing does not take place on the following major holidays:

Memorial Day	Closed May 27, 2024
Independence Day	Closed July 4, 2024
Labor Day	Closed September 2, 2024
Thanksgiving Day	Closed November 28-29, 2024
Christmas Day	Closed December 25-26, 2024

INTERNET SCHEDULING

You may schedule your examination by completing the online Test Registration Form, which is available at PSI's website, <https://test-takers.psiexams.com/caopt>.

Log onto PSI's website and select Sign in / Create Account. Select Create Account. You are now ready to pay for and schedule the examination. Enter your zip code, and a list of the test centers closest to you will appear. Once you select the desired test center, available dates will appear.

TELEPHONE SCHEDULING

You may call PSI at (877) 392-6422, Monday through Friday between 4:30 a.m. and 7:00 p.m., or Saturday and Sunday between 6:00 a.m. and 2:30 p.m., Pacific Time, to schedule your appointment for the examination.

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee ***if your cancellation notice is received two (2) days prior to the scheduled examination date.*** For example, for a 9:00 a.m. Monday appointment, the cancellation notice would need to be received ***before 9:00 a.m.*** on the previous Saturday. You may call PSI at (877) 392-6422.

Note: A voicemail or email message is not an acceptable form of cancellation. Please use the PSI website, or call PSI and speak to a Customer Service Representative.

MISSED APPOINTMENT OR LATE CANCELLATION

If you miss your appointment, you will not be able to take the examination as scheduled. Further, you will forfeit your examination fee, if:

- You do not cancel your appointment 2 days before the scheduled examination date;
- You do not appear for your examination appointment;
- You arrive after examination start time; or
- You do not present proper identification when you arrive for the examination.

TAKING A RE-EXAMINATION

Candidates who fail the examination are eligible to re-take it. An Application for Reexamination form will be provided with the score report at the test center or may be obtained by contacting the Board of Optometry. EXAMINEES MUST PARTICIPATE IN AND PASS THE EXAMINATION WITHIN ONE YEAR OF RECEIVING THE INITIAL ELIGIBILITY NOTIFICATION.

TEST CENTER CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of a test center on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

TESTING ACCOMMODATIONS AVAILABLE

If you need testing accommodations to take the examination, call the Board of Optometry Licensing Unit at (916)-575-7170 to request a Testing Accommodations form. They will mail you the form, which must be completed and returned with your license application. You will be required to explain the disability and what testing accommodations are needed. A letter from your health care provider must be included, confirming the disability and justifying the need for testing accommodations using the criteria in the request form.

- Paying or using professional or paid examination-takers for the purpose of reconstructing any portion of the licensing examination;
- Obtaining examination questions or other examination material, except by specific authorization either before, during, or after an examination; or
- Selling, distributing, buying, receiving, or having unauthorized possession of any portion of a future, current, or previously administered licensing examination.
- Communicating with any other examinee during the administration of a licensing examination.
- Copying answers from another examinee or permitting one's answers to be copied by another examinee.
- Having in one's possession during the administration of the licensing examination any books, equipment, notes, written or printed materials, or data of any kind, other than the examination materials distributed, or otherwise authorized to be in one's possession during the examination.
- Impersonating any examinee or having an impersonator take the licensing examination on one's behalf.

Nothing in this section shall preclude prosecution under authority provided for in any other provision of law. In addition to any other penalties, a person found guilty of violating this section, shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars (\$10,000) and the costs of litigation.

The California State Board of Optometry may deny, suspend, revoke, or otherwise restrict a license on the ground that an applicant or licensee has violated Section 123 pertaining to subversion of licensing examinations.

IMPORTANT INFORMATION ABOUT TAKING THE EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in. The thumbprint must be matched after candidates return from a restroom break and any time the candidate leaves and returns to the test center after check-in.

2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets or hoods. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination. If the layered item is removed during the examination, you will be required to store it in the lobby while time continues to count down on your examination. Outerwear (coats, heavy jackets, vests, shawls, scarves, etc.) is not allowed in the testing room.
3. There are timing mechanisms available in the testing room and on the computer console to help candidates keep track of time during the test administration. Candidates are not permitted to bring watches or other timekeeping devices into the testing room.
4. Only one candidate at a time will be allowed to take a restroom break. Candidates are required to sign out when leaving and returning to the testing room. If a candidate's restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence. The regulatory entity will investigate and take appropriate action.
5. The following is a non-exhaustive list of personal items that are not permitted in the testing room:

Purses	Briefcases/daypacks/luggage
Cellular phones	Pagers
Drinks (including water)	Food/candy/snacks/gum
Good luck items	Luggage

Examination proctors will have considerable discretion to refuse permission of clothing and/or items that compromise the integrity or security of the examination.

During the check-in process, all candidates will be asked if they possess any of the prohibited items, and all candidates will be asked to empty their pockets. If prohibited items are

found during check-in, candidates must return these items to their vehicle or other place of safekeeping. Neither PSI nor the Department of Consumer Affairs will be responsible for the items. Either one may result in the disqualification or invalidation of examination results, the denial of your license, and may result in criminal prosecution.
8. If a candidate is asked by a proctor to step into the lobby during your examination, the proctor will suspend the candidate's examination, so all remaining testing time will be retained.

Only candidates, and those individuals with prior regulatory entity approval, are allowed to be present in the test center.
