**EXAMINATIONS BY PSI SERVICES LLC**

This Candidate Information Bulletin provides you with information about the examination and application process for obtaining a real estate license in the State of Mississippi.

Mississippi state laws stipulate that a person may not act as a real estate salesperson or broker without first obtaining a license issued by the Mississippi Real Estate Commission. To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes, and regulations relating to real estate.

The Mississippi Real Estate Commission has contracted with PSI Services LLC (PSI) to conduct the examination testing. PSI provides examinations through a network of computer examination centers in and around Mississippi. PSI works closely with the State to be certain that examinations meet local as well as national requirements in basic principles and examination development standards.

Following are the Mississippi real estate licensing examinations offered by PSI:

- Real Estate Salesperson
- Real Estate Broker

**APPLYING FOR A LICENSE**

All questions and requests for information about licensure should be directed to the Commission.

**Mississippi Real Estate Commission**

Lefleur’s Bluff Tower, Ste 300  
4780 I-55 North  
Jackson, MS 39211  
Phone: (601) 321-6970  
FAX: (601) 321-6955  
Email: info@mrec.state.ms.us  
Web: [www.mrec.ms.gov](http://www.mrec.ms.gov)

**RESIDENT LICENSE REQUIREMENTS**

In order to apply for licensure you must complete (fully) the application and return it to the Commission. Each question must be answered as required or the application will be returned to the applicant. A Certificate of Completion of the education requirements (official transcript, grade report or copy of the certificates) and proper fee must accompany the application. An applicant for a real estate broker’s license must furnish a letter of reference from their bank(s) indicating a satisfactory banking experience AND if they are a licensed active salesperson, a letter of reference from their present responsible broker must also be included. Two photographs (front and profile views) should be attached to the application.

After the application has been approved, you will receive a letter of approval from the commission.

**SALESPERSON**

Salesperson applicant must be a resident of Mississippi when application is submitted and be eighteen (18) years of age or older.

Salesperson applicants must have satisfied the following education requirements before they take the examination:

- Sixty (60) classroom hours of Real Estate courses from a college/community college or from a Mississippi approved pre-license education provider. A list of approved providers is available at the MREC website at [www.mrec.ms.gov](http://www.mrec.ms.gov).

**BROKER**

Broker applicant must be a resident of Mississippi when application is submitted and be twenty-one (21) years of age or older.

Broker applicants must have satisfied the following education requirements before they take the examination:

- Active sales license for twelve (12) months immediately preceding application and 120 classroom hours of real estate courses from a college/community college or from a Mississippi approved pre-license education provider. A list of approved providers is available at the MREC website at [www.mrec.ms.gov](http://www.mrec.ms.gov).

Without one year experience immediately prior to application, 150 classroom hours of real estate courses that are part of a degree granting program from a college/community college is required.

**College Courses** are those in real estate (ONLY) which are acceptable for credit toward a degree at an institution approved by the Southern Association of Colleges and Schools or comparable regional accrediting authority. A three (3) semester hour course usually is equivalent to 45 classroom hours.

**RECIPROCAL LICENSURE**

Applicants holding an active license in another state may be able to use real estate education obtained from providers who are not actually approved by Mississippi if the state that has issued their real estate license has also approved both the applicant’s real estate courses and the education provider for prelicensing credit and a current reciprocal agreement is in force between that state and the state of Mississippi.

Applicants may not be required to sit for the examination provided a current (license-for-a-license) reciprocal agreement is in effect with the state where the individual is currently licensed and on active status.

*Reciprocal agreements with states vary. Contact the Commission for specific requirements in your case.*
EXAMINATION SCHEDULING PROCEDURES

Upon approval of eligibility, you will be responsible for contacting PSI to schedule an appointment to take the examination.

⚠️ You may sit for the **state portion** of the examination only twice during the 2 months immediately following the approval of your application. If you fail to schedule any exams during the 2-month time period, if you schedule exam dates and fail to appear or if you fail to pass both portions of the examination during the two-month time period following the approval of your application, you must re-apply to the Commission to establish eligibility.

⚠️ If you pass the state portion of the exam but fail the national portion, you may continue to take the **national portion** on an unlimited basis within the two (2) months following the date that your application was approved.

⚠️ **For the state portion only:** if two failures result, you may re-apply to the Commission after a waiting period of three (3) months has passed for the salesperson examination or a period of six (6) months has passed for the broker examination.

⚠️ **NOTE:** BOTH **state and national portions** must be passed in the **SAME** 2-month eligibility period.

*Note: General broker exams include questions that are scored up to two points.

For General broker exams, scenario-based test questions are included to contain more than four options and ONLY ONE BEST option shall be selected to answer the question. Some options are appropriate but not the BEST ANSWER. Please select the option that best answers the question in the exam. A BEST ANSWER reflects the optimal solution or most complete resolution to the scenario presented in the question. These items are associated with scenarios presented in the form of text, graphs, or tables representing a situation in which candidates must identify the best course of action by selecting only one option. Each option is weighted as zero-point, one-point, or two-points based on the completeness and accuracy of the solution.

EXPERIMENTAL QUESTIONS

In addition to the number of examination questions specified, a small number of five to ten “experimental” questions may be administered to candidates during the examinations. These questions will not be scored and the time taken to answer them will not count against examination time. The administration of such non-scored experimental questions is an essential step in developing future licensing examinations.

CONTENT OUTLINES

The examination content outlines have been prepared and are periodically updated by committees of professionals who are subject matter experts in real estate practice, real estate instruction, and regulatory issues. The examination content outlines these professionals have prepared identify areas of importance to licensees in order for them to perform their duties to the public in a competent and legally responsible manner.

Use the outline as a guide for pre-examination review course material. The outlines list the topics that are on the examination and the number of questions for each topic. Do not schedule your examination until you are familiar with the topics in the outline.
