This Candidate Information Bulletin provides you with information about the examination and licensing process for individuals who wish to operate as insurance producers, as defined in the California Insurance Code (CIC).

The California Department of Insurance (CDI) has contracted with PSI Services LLC (PSI) to conduct the examination program. PSI provides examinations through a network of computer examination centers in California, including CDI’s three existing sites. PSI works closely with CDI to be certain that examinations meet state as well as national requirements in basic insurance principles.

**LICENSING PROCESS**

CDI is authorized to license individuals who wish to operate as insurance producers, adjusters, and bail agents as defined in CIC.

The steps to become licensed are:
1. Complete any prelicensing education requirements.
2. Pass a licensing examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes, and regulations relating to the insurance profession and the services you will sell or represent to consumers.
3. Submit a completed license application to CDI.

Pursuant to section 1676(a) of the California Insurance Code, examinations are valid for one year from the date the examination was passed.

All questions about licensure should be directed to:

California Department of Insurance  
Producer Licensing Bureau  
320 Capitol Mall  
Sacramento, CA 95814  
Phone: (800) 967-9331  
www.insurance.ca.gov

**PRELICENSING EDUCATION REQUIREMENTS**

The first step is to complete the prelicensing education that has been approved by CDI, if it is required. Although CDI cannot recommend a specific prelicensing provider, a list of approved prelicensing providers can be found at this link, along with the prelicensing requirements:

http://www.insurance.ca.gov/0200-industry/0030-seek-pre-lic

The prelicensing education requirements ensure that license candidates meet a level of competency as to products, code of ethics, and the law sufficient to allow the newly licensed agent or broker to immediately function as an insurance professional and maintain the highest standard of consumer protection.

The license candidate may complete either an online or a classroom prelicensing education course to meet the requirements stated in Section 1749 of the CIC.

**ONLINE REGISTRATION**

For the fastest and most convenient test scheduling process, PSI recommends that candidates register for their examinations using the Internet. In order to register online, candidates will need to have a valid credit card (Visa, MasterCard, American Express or Discover). Candidates register online by accessing PSI’s registration website at www.psiexams.com. Online registration is available 24 hours a day. In order to register online, complete the steps below:

- Log onto PSI’s website and create an account. You will be asked to put in your email address and the spelling of your name exactly as it is shown on your identification that will be presented at the examination site.
- You will be asked to select the examination. You will then enter your personal and contact information. You will then be ready to pay and schedule for the examination. Enter your zip code and a list of the examination sites closest to you will appear. Once you select the desired examination site, available dates will appear.

For retesting you will need to login to your account online and select “Apply for retest”. You will be required to pay the examination fee, and then you will get the available examination dates and locations for scheduling your examination.

For rescheduling simply select “Cancel/Reschedule a test”. You will then get the available examination dates and locations for rescheduling your examination.

**TELEPHONE REGISTRATION**

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee if your cancellation notice is received two days before the scheduled examination date. For example, for a Monday appointment, the cancellation notice would need to be received on the previous Saturday. You may call PSI at (800) 733-9267 or use the PSI Website.

Note: A voicemail or email message is NOT an acceptable form of cancellation. Please use the PSI Website or call PSI to speak directly to a Customer Service Representative.

SCHEDULING A RE-EXAMINATION

In order to retest, you must re-register following the steps for registration and scheduling as outlined earlier. You may re-register over the Internet, telephone or by mail. Once registered, you can reschedule your examination.

Limit on re-takes (effective 1/1/2017):
Effective January 1, 2017, any insurance license exam candidate that has failed an exam ten times within the previous 12-month period will be barred from taking the same exam for a period of 12 months from the date of the last failed exam. Exams that were taken and failed during Calendar Year 2016 will be counted towards the ten exam limit.

The calculation for determining the number of exams taken is based on exam type. For instance, an exam candidate who is in the process of taking both the life-only exam and the personal lines exam would not have their exams combined (e.g., the count for this exam candidate would be five times for the life-only exam and four times for the personal lines exam in the same 12-month period. In this example, the exam candidate would not be counted as taking nine exams towards the ten exam limit).

However, combination exams which include one of the license types of a single exam taken in the same 12-month period are considered to be the same exam type when determining the number of exams taken. For instance, an exam candidate taking the life-only exam eight times and a combination life and accident/health exam two times in the same 12-month period will have reached the ten exam limit for taking any of CDI’s life agent exams, including life limited to funeral and burial expenses.

MISSED APPOINTMENT OR LATE CANCELLATION

Your registration will be invalid, you will not be able to take the examination as scheduled, and you will forfeit your examination fee, if you:

▪ Do not cancel your appointment two days before the scheduled examination date;
▪ Do not appear for your examination appointment;
▪ Arrive after examination start time;
▪ Do not present proper identification when you arrive for the examination.

SPECIAL EXAMINATION ARRANGEMENTS

All PSI examination centers are equipped to provide access in accordance with the Americans with Disabilities Act (ADA) of 1990, and exam accommodation will be made in meeting a candidate’s needs. A candidate with a disability or a candidate who would otherwise have difficulty taking the examination must complete the Special Arrangement Request Form at the end of this Candidate Information Bulletin and must fax it to PSI (702) 932-2666. Or you may also use the online feature also found on the Special Arrangement Request Form.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (800) 733-9267. Every effort will be made to reschedule your examination at a convenient location.
time as soon as possible. You may also check our website at www.psiexams.com.

On the day of the examination, you must arrive at least 30 minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee. Even though candidates will be thumb printed, you are still required to comply with any identification requirements established by the appropriate regulatory entity.

REQUIRED IDENTIFICATION AT EXAMINATION SITE

You must provide one form of identification. The identification must be a VALID form of government-issued identification with photo and signature (Driver’s license from any state, California identification card*, passport, passport card, military ID, Employment Authorization card or Permanent Resident card). A Veteran Health Identification Card (VHID) with a photo. The identification provided must match the name given during registration.

*Notes:
- An out-of-state ID card is NOT acceptable.
- California does allow candidates to bring in their expired ID along with the paper extension. The names and licenses numbers must match both the expired ID and the paper extension.

If you cannot provide the required identification, you must call (800) 733-9267 at least three weeks prior to your scheduled appointment to arrange a way to meet this security requirement. Failure to provide all of the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination that day.

SECURITY PROCEDURES

The following security procedures will apply during the examination:
- NO conversing or any other form of communication among candidates is permitted once you enter the examination area.
- With the exception of religious apparel, head coverings, hats, baseball caps, visors, coats, shawls, hooded clothing, heavy jackets and overcoats are not permitted in the examination site.
- Please be advised that children, cell phones, calculators, pagers, cameras, programmable electronic devices and recording devices of any kind are NOT allowed to enter PSI or CDI testing sites. Additionally, NO personal items are to enter the testing sites. PSI and CDI will not be responsible for any personal items, and suggests that you leave such items in another safe place, of your choosing.

- No smoking, eating, or drinking will be allowed at the examination site.
- Dictionaries, books, papers, or study and reference materials are NOT permitted in the examination room.
- You may not exit the building during the examination.

Please Note:
PSI examination sites have additional security measures:
- You will have your picture taken prior to admittance into the examination.
- You may not wear a jacket, coat or any type of hooded clothing into the examination room. Sweaters that do not have pockets are allowed.

While at the site you shall not use words or take actions that are vulgar, obscene, and libelous or that would denigrate the examination staff or other candidates. Failure to act as a professional will result in your immediate dismissal from the examination site and you will be required to reschedule another examination and pay the rescheduling fee.
Taking the Examination by Computer

The examination will be administered via computer. You will be using a mouse and computer keyboard.

Identification Screen

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

Tutorial

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

Test Question Screen

The “function bar” at the top of the sample question provides mouse-click access to the features available while taking the examination.

Exam Review

PSI, in cooperation with the CDI, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions, by clicking the Comments link on the function bar of the test question screen. These comments will be analyzed by PSI examination development staff. PSI does not respond to individuals regarding these comments, however, all substantive comments are reviewed. This is the only review of examination materials available to candidates.

In addition, as a part of the examination review, CDI may include questions that need to be validated on your examination. An additional 10 to 15 minutes may be added to your examination to allow time for you to respond to these questions. These questions will not count towards your final score.

Score Reporting

The examination proctor will give you an official score report immediately following completion of the examination.

If you pass, you will immediately receive a successful notification and performance summary on a CDI examination results letter.

If you do not pass, you will immediately receive an unsuccessful CDI examination results letter along with a diagnostic report indicating your strengths and weaknesses by examination portion.

Duplicate Score Reports

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or by calling 800-733-9267.

Preparing for your License Examination

The following suggestions will help you prepare for your examination.

▪ Planned preparation increases your likelihood of passing.
▪ Start with a current copy of this Candidate Information Bulletin.
▪ Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
▪ Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
▪ Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.
▪ Complete your prelicensing course before taking the licensing examination.
▪ Understand the CDI examination process and procedures so that you know what to expect on examination day.
▪ Arrive at the examination site on time. Driving directions and other useful information is provided in this bulletin.
▪ Contact PSI if you need a special accommodation.
▪ Understand your options for completing the fingerprint requirement.

SOME TEST TAKING STRATEGIES

There are several test taking strategies that you can use in preparing to take the license examination, and several are listed below:

- Read the question carefully before you look at the possible answers.
- Think of the answer in your head before looking at the possible answers. This way the choices given on the test won't throw you off or trick you.
- Eliminate answers you know aren't right.
- Read all the choices before choosing your answer.
- There is no guessing penalty, so you should always take an educated guess and select an answer.
- Don't keep on changing your answer, usually your first choice is the best one, unless you misread the question.
- In "All of the above" and "None of the above" choices, if you are certain one of the statements is true don't choose "None of the above" and if one of the statements is false don't choose "All of the above".
- In a question with an "All of the above" choice, if you see that at least two statements are correct, then "All of the above" is probably the answer.
- A positive choice is more likely to be true than a negative one.
- Usually the correct answer is the choice with the most information.

In addition, review the most current educational objectives or study material provided in this bulletin. When reviewing the prelicensing course material, also review the textbooks that the education provider referenced as being used to develop the prelicensing course. Education providers may list their references as well as other useful references at the end of the textbook.

EDUCATIONAL AND EXAMINATION OBJECTIVES

The educational objectives and study materials are the basis for the examinations, which are updated periodically. You may download the educational objectives and study materials at the following link: http://www.insurance.ca.gov/0200-industry/0030-seek-pre-lic/

EXPERIMENTAL QUESTIONS

In addition to the number of examination items specified, a small number of five to ten “experimental” questions may be administered to candidates during the examinations. These questions will not be scored and time to answer them has been added to the time allowed. The administration of such non-scored experimental questions is an essential step in developing future licensing examinations.

FINGERPRINTING

PSI EXAMINATION SITES OFFERING FINGERPRINTING

PSI has fingerprint technicians available at these examination sites to assist California insurance license applicants to complete their fingerprint impression requirement.

Candidates will need to pay a fingerprint fee ($68.95) that covers the following services: Federal Bureau of Investigation (FBI) processing fee of $14.25, Department of Justice (DOJ) processing fee of $34.75, and an additional “rolling fee” charged by PSI of $19.95. The $68.95 fee is to be paid at the PSI test site. PSI accepts money order, cashier’s check, company check (made payable to MorphoTrust USA), VISA or Mastercard.

CALIFORNIA (CA) DEPARTMENT OF INSURANCE EXAMINATION SITES OFFERING FINGERPRINT

CDI has its contracted fingerprint vendor, Accurate Biometrics, available at CDI’s examination sites to assist California insurance license applicants to complete their fingerprint impression requirement. Candidates will need to pay a fingerprint fee ($59.00) that covers the following services: Federal Bureau of Investigation (FBI) processing fee of $17.00, Department of Justice (DOJ) processing fee of $32.00, and an additional “rolling fee” charged by Accurate Biometrics of $10.00. The $59.00 fee is to be paid directly to Accurate Biometrics, (866) 361-9944, www.accuratebiometrics.com. They accept money order, cashier’s check, company check, personal check, VISA, MasterCard, American Express, and Discover.

If you would like to have your fingerprint impressions taken before your license examination, you may schedule your fingerprint impressions using CDI’s contracted fingerprint vendor, Accurate Biometrics. When you go to have your fingerprint impressions made, please bring with you a completed Live Scan Request, form 442-39A.

Candidates may also check the Department of Justice (DOJ) website which maintains a listing of approved Live Scan fingerprinting vendors available to the public. The DOJ list is broken down by county and each vendor’s rolling fees vary from location to location.
Candidates are encouraged to contact the Live Scan provider in advance to verify their current operating hours, fees, etc. This list is available at the following website: http://ag.ca.gov/fingerprints/publications/contact.php.

To ensure that your fingerprint impressions are properly recorded when you have your fingerprint impression completed away from one of CDI’s examination sites, please follow the instructions on page 2 of the Live Scan Request, Form 442-39A. Payment for the fingerprint impressions must be paid at the fingerprint vendor’s business location. These instructions provide the following steps for the license applicants to complete.

1. Complete Part 1 on the Request for Live Scan Service, Form LIC 442-39A which is available on the CDI’s website at http://insurance.ca.gov/. On the Main Page, in the Search box located on the right side of the screen, insert the form number to retrieve the form.

2. Keep a copy of the Live Scan form for your records. Take the completed form to a DOJ authorized Live Scan vendor. Give the copy of the form to the Live Scan vendor who will provide you with the Automated Transaction Identifier (ATI) number that is assigned to your fingerprint impressions. If your fingerprint impressions are rejected, the ATI number will allow you to have your fingerprint impressions redone at no charge provided that you return to the same Live Scan vendor who initially took your fingerprints.

Taking the fingerprints early will expedite the issuance of a license once the examination is passed. This will avoid delays that many applicants experience while CDI waits to receive the results from the California Department of Justice (DOJ) and the Federal Bureau of Investigations (FBI). In particular, applicants who have a criminal record typically take longer to receive their fingerprint results from DOJ and FBI than applicants who don’t have a criminal record. Please remember that any type of criminal violation received at any time during your adult years will be listed in the fingerprint results. Failure to disclose any criminal violations may cause a delay or prevent you from obtaining your license.
