Please note that if your computer performs any system update (i.e. software, server, firewall, webcam, etc.) from the time you schedule your exam to when you attempt to launch your exam, you may experience issues with your compatibility. **LAUNCHING THE EXAMINATION**

You can launch the examination up to 30 minutes before the scheduled start time.

If you have any questions regarding your compatibility check, or if you experience issues launching your exam, you may contact our remote proctoring technical support at (844) 267-1017. You may also initiate a chat after you close the Secure Browser Software by clicking here.

**EXAMINATION REVIEW**

PSI, in cooperation with the South Carolina Department of Insurance, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions, by clicking the Comments button on the function bar of the exam question screen.

Your comments regarding the questions and the examinations are welcomed. Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If an error affecting examination scores is discovered as a result, which occurs very rarely, the examination scores of all affected candidates will be automatically adjusted. This is the only review of the examination available to candidates.

**APPEALS PROCESS**

If you are requesting a response about examination content, registration, scheduling or test administration (testing site procedures, equipment, etc.), please send an appeal in writing. Your appeal letter must include your name, Social Security number, exam title, date you tested and the details of your concern, including all relevant facts. Be sure to include your signature and return address. Mail your appeal letter to:

PSI  
Attn: SC INSURANCE APPEALS  
3210 E Tropicana  
Las Vegas, NV 89121
SCORE REPORTING

You must get 70% correct to pass the examination. Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type.

Candidates taking a remotely proctored exam: Please note that you must select to end both the exam portion and survey portion of your test in order to receive your on-screen results and emailed score report. If you do not receive your emailed score report, you may reach out to scorereport@psionline.com.

You may request a duplicate score report after your examination by emailing scorereport@psionline.com. Include your name, candidate ID number and confirmation number. Your candidate ID number and confirmation number is on your exam confirmation email. Please allow up to 72 hours to receive your duplicate score report.

EXPERIMENTAL ITEMS

In addition to the number of examination items specified in the “Examination Content Outlines”, a small number (5 to 15) of “experimental” questions may be administered to candidates during the examinations. These questions will not be scored. However these questions will count against examination time. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Only consider the actual information given in the question, do not read into the question by considering any possibilities or exceptions.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

Now you can take the practice exam online at https://home.psiexams.com/#/home to prepare for your South Carolina Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice exams an unlimited number of times. However you will need to pay each time.
