EXAMINATIONS BY PSI

This Candidate Information Bulletin provides you with information about the processes for taking an examination and obtaining an insurance license in the State of North Dakota.

The North Dakota Insurance Department has contracted with PSI Services LLC (PSI) to conduct the examination program. PSI works closely with the Department to ensure examinations meet the state- and nationally- established technical and professional standards for examination development and administration. PSI provides these examinations through a network of computer examination centers in North Dakota.

UNDERSTANDING LICENSING REQUIREMENTS

For licensing information, please contact:

North Dakota Insurance Department
600 East Boulevard Ave.
Bismarck, ND 58505-0320
Phone: (701) 328-2440
Website insurance.nd.gov
Email: ndlicensing@nd.gov

In accordance with North Dakota statutes and regulations, the Department grants the following types of licenses. Each license granted by the Department is valid only for the line of authority named on the license.

- A producer is an individual, partnership, limited liability partnership, corporation, limited liability company, association, or other legal entity that sells, solicits, or negotiates insurance.
- Licenses for consultants, surplus lines producers, and managing general agents are also available. Please contact the North Dakota Insurance Department for information.

Casualty (Product and Laws)	\$64

NOTE: EXAMINATION FEES ARE NOT REFUNDABLE OR TRANSFERABLE. THE EXAMINATION FEE IS VALID FOR ONE YEAR FROM THE DATE OF PAYMENT.

APPLYING FOR A LICENSE

To obtain a license, an applicant must pass the appropriate examination with PSI. You may retest an unlimited number of times.

To apply for a North Dakota resident insurance producer license, complete the NAIC Uniform Application form electronically at www.nipr.com.

If you answer "Yes" to a background question on the application, submit your written statement accompanied by corresponding court documents (printouts from a court's web site are not acceptable):

- as part of your NIPR electronic license application (using the Attachments Warehouse), or
- by e-mail to ndlicensing@nd.gov, or
- by mailing to the ND Insurance Department Producer Licensing Division, 600 E Blvd Ave., Dept 401, Bismarck, ND 58505.

If a new line of insurance is being added to an existing license, complete the NAIC Uniform Application form electronically at www.nipr.com. There is no fee to add a line of authority to an active license. An insurance producer adding a new line of authority may first transact business in the new line on the date the Department issues the license for that line.

RESIDENT LICENSE REQUIREMENTS

In order to qualify as a North Dakota resident insurance producer, the following basic requirements must be satisfied:

- Be a resident or maintain a principal place of business in the state;
- Meet the minimum age requirement of 18 years of age;
- Be trustworthy, competent, financially responsible, and of good personal and business reputation;
- Pass the examination(s) for each line of insurance you are applying;
- Pay all applicable fees;
- At the date of application, have had no insurance license revoked or suspended that was issued to you in any state, province, district, or territory; and
- Criminal history record check.

A successfully completed examination is valid for as long as a valid insurance producer's license issued by the North Dakota Insurance Department is continuously held and for 12 months following cancellation, unless the license is suspended or revoked. An examination then ceases to be valid unless the order of suspension or revocation specifies otherwise.

NEW RESIDENT LICENSE REQUIREMENTS

New residents who held a resident license in their previous resident state in the last 90 days are exempt from examination requirements for the lines held on that license. New residents must submit an application for a North Dakota resident license. An applicant for a North Dakota resident license cannot hold an active resident license in another state. The new resident can submit the application electronically. If the new resident holds an active non-resident license in North Dakota, an application should be submitted, and no fee is required.

If you have an existing, valid North Dakota Insurance License and are testing for another Class of Insurance, fingerprints are not required.

Consult the Producer page of the Insurance Licensing Section Website (insurance.nd.gov/producers) for detailed application requirements.

Note: Long-term care Training & Continuing Education

Accident and health insurance producers (resident or nonresident) who want to sell, solicit or negotiate long-term care insurance must first complete eight hours of North Dakota-approved long-term care training (LTCT) and must complete four hours of North Dakota-approved LTCT during each two-year period. A resident licensee can apply hours of LTCT toward satisfying North Dakota's CE requirement if the course has been approved in North Dakota. Nonresidents can satisfy the LTCT requirement if they completed substantially similar courses in another state.

Note: Annuity Training & Continuing Education

Life insurance producers (resident or nonresident) who want to sell, solicit or negotiate annuities must first complete four hours of North Dakota-approved annuity training. A resident licensee can apply hours of annuity training toward satisfying North Dakota's CE requirement if the course is also a North Dakota approved CE course. Both residents and nonresidents can satisfy the annuity training requirement if they completed substantially similar courses in another state.

FINGERPRINT REQUIREMENTS

ALL resident applicants must provide a set of fingerprints to the North Dakota Insurance Department for the purpose of conducting a state and national fingerprint-based criminal history records check.

While fingerprinting can be done at PSI Test Centers, fingerprinting can also be done at other locations, as well as Law Enforcement Centers, [Click Here](#). If you get fingerprinted at a non-PSI site, you will be responsible for sending the appropriate payment and fingerprinting card to the state.

A Criminal History Record Check Request form will need to be completed and submitted with payment. [Click Here](#) for the form.

PSI's North Dakota test centers provide LiveScan fingerprinting services. Rather than rolling your fingers in ink and pressing them onto a fingerprint card, PSI collects your fingerprints digitally using an optical scanner. You may be fingerprinted at one of PSI test centers, during regular testing hours, on the day of your examination. Upon completion of the fingerprinting, PSI will mail the signed consent form, fingerprint card, and BCI payment (\$41.25) directly to the North Dakota Insurance Department.

You must provide two separate payments for the fingerprints:

- BCI processing fee of **\$41.25**. This **MUST** be paid with a company check, personal check, money order or cashier's check made payable to The North Dakota Attorney General. **Credit cards will not be accepted.** PSI will mail the check to the North Dakota Insurance Department along with your fingerprint cards.
- PSI processing fee of **\$29.00**. This processing fee may be made payable by credit card (VISA, MasterCard, American Express or Discover), money order, cashier's check, or company check. Make money order or check payable to PSI. Cash and personal checks are NOT accepted.

If you have an existing, valid North Dakota Insurance License and are testing for another Class of Insurance, fingerprints are not required.

MAINTAINING YOUR LICENSE

Insurance Producers are responsible for complying with North Dakota insurance laws and rules, including but not limited to timely reporting changes of address and timely renewing insurance licenses. North Dakota law requires producers to notify the Department of a name or address change within 30 days.

NIPR: National Insurance Producer Registry

You can use the NIPR's website, at www.nipr.com to report changes of email, address and telephone information at no charge.

License Renewal

An insurance producer may renew a license up to 90 days before the date the license expires. The licensee is solely responsible for renewing the license before its expiration. The Department will send a renewal notice to the email address on file.

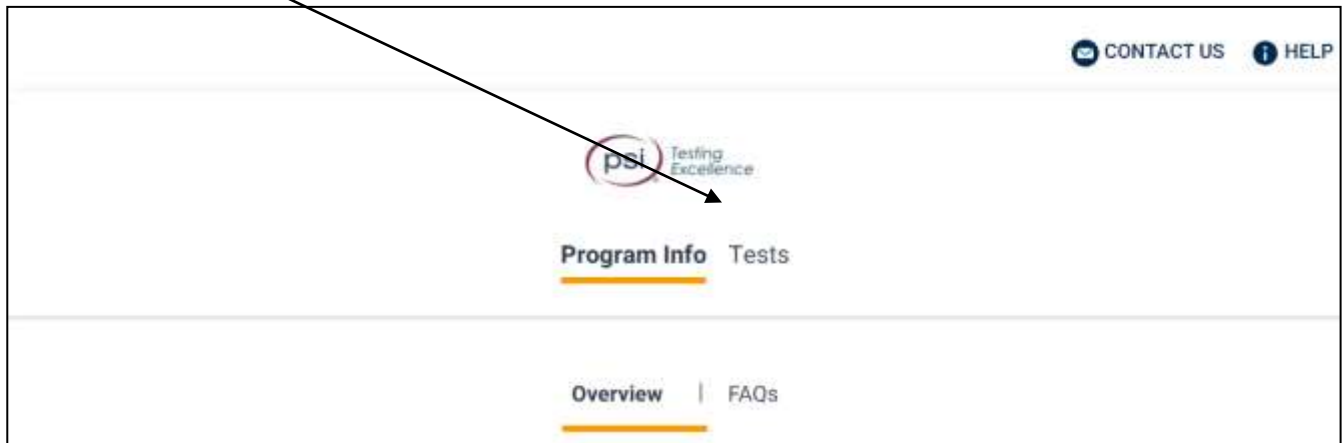

If the license expires, the licensee must cease acting under the license. For up to one year after the expiration of the license, an individual may reinstate their producer license by submitting an application and paying the \$100 fee through www.nipr.com. The producer must be in compliance with any continuing education requirements. A non-resident individual must reapply for an insurance producer license.

Insurance Continuing Education

North Dakota requires 24 hours of continuing education, of which 3 hours must be in ethics; biennially. For specific information regarding your license type, please visit <https://www.insurance.nd.gov/producers/continuing-education>. Resident individuals who only hold a limited-line credit license, title, travel/baggage, surety, bail bonds, or legal expense do not have an insurance continuing education requirement.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semi-private testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

PSI, in cooperation with the North Dakota Insurance Department, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered by clicking the Comments link on the function bar of the test question screen.

Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the department may re-evaluate candidates' results and adjust them accordingly. **This is the only review of the examination available to candidates.**

SCORE REPORTING

Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type.

If you fail any portion of the examination, you will need to retake **ONLY** that failed portion. A passing score is valid for one year. For a two portion examination, if you fail one portion, you must pass that portion within one year of passing the first, passed portion. You may retest an unlimited number of times.

You may request a duplicate score report after your examination by emailing scorereport@psionline.com. Include your name, candidate ID number and confirmation number. Your candidate ID number and confirmation number is on your exam confirmation email. Please allow up to 72 hours to receive your duplicate score report.

PSI electronically notifies the Department of Insurance of exam results within 48 hours of passing the exam. Note that exam scores are confidential and will be revealed only to you and the Department.

You can take a practice exam online at <https://test-takers.psiexams.com/ndins> to prepare for your North Dakota Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam.

Practice exams **ARE NOT** a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.

EXAMINATION STUDY MATERIALS AND CONTENT OUTLINES

EXPERIMENTAL ITEMS

In addition to the number of examination items specified in the "Examination Content Outlines", a small number (5 to 10) of "experimental" questions may be administered to candidates during the examinations. These questions will not be scored. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

STUDY MATERIALS

Neither the North Dakota Insurance Department nor PSI specifically endorses any particular study materials. Candidates are encouraged to visit the North Dakota Insurance Department web site at insurance.nd.gov for more information. When candidates complete the examination, they will receive a score report marked "pass" or "fail" along with diagnostic information. Candidates may use the diagnostic report as a guide for studying before their next test administration.
