Congratulations on your decision to pursue a career in the insurance industry!

This Insurance License Examination Candidate Information Bulletin is designed to acquaint you with the process of earning your license to sell insurance services and products in North Dakota and to assist you in preparation for licensure exams. Detailed outlines of the material you must master to pass the exams are presented in the following materials.

As you study to become an insurance producer, you can look forward to a fulfilling career with many responsibilities and rewards. Your foremost responsibility is to provide fair, efficient and knowledgeable service to North Dakota consumers. To achieve this goal, you will be responsible for complying with North Dakota’s insurance laws and regulations, which require a lifelong commitment to continuing education. The professional expertise and technical knowledge that you acquire throughout your career will determine the quality of service you are able to provide your community.

Your reward will be the privilege of serving in a field that will not only provide you with an opportunity to make a comfortable living but will also allow you to contribute to the security of North Dakota families, farms and businesses. Insurance is something people use to protect their most valuable possessions – their homes, health, farms, automobiles, businesses and even their loved ones. Most North Dakotans carry some kind of insurance and they depend on it in times of need, which is why impeccable conduct and a thorough knowledge of this highly technical field are so important.

Once you have successfully completed your exams, you will be eligible to apply to the Insurance Department for your license. The Department will evaluate your application in accordance with the state’s laws and regulations, and if it is determined that you meet all requirements mandated by state law, you will be issued a license.

If you have questions about the exams, please feel free to contact PSI at the address and phone number included in this bulletin. If you have questions about licensing, you may contact the Department at (701) 328-2440. Our Agent Licensing Division would be happy to assist you.

I wish you the very best of luck in your efforts and look forward to working with you in the future.

Sincerely,

Jon Godfread
Commissioner

APPLYING FOR A LICENSE

To obtain a license, an applicant must register for and pass the appropriate examination with PSI.

If you fail any portion of the examination, you will need to retake ONLY that failed portion. A passing score is valid for one year. For a two portion examination, if you fail one portion, you must pass that portion within one year of passing the first, passed portion. You may retest an unlimited number of times.

To apply for a North Dakota resident insurance producer license, complete the NAIC Uniform Application form electronically at [www.nipr.com](http://www.nipr.com). The fee is $100.

If a new line of insurance is being added to an existing license, complete the NAIC Uniform Application form electronically at [www.nipr.com](http://www.nipr.com). There is no fee to add a line of authority to an active license. An insurance producer adding a new line of authority may first transact business in the new line on the date the Department issues the license for that line.

RESIDENT LICENSE REQUIREMENTS

In order to qualify as a North Dakota resident insurance producer, the following basic requirements must be satisfied:

- Be a resident or maintain a principal place of business in the state;
- Meet the minimum age requirement of 18 years of age;
- Be trustworthy, competent, financially responsible, and of good personal and business reputation;
- Pass the examination(s) for each line of insurance you are applying;
- Pay all applicable fees;
- At the date of application, have had no insurance license revoked or suspended that was issued to you in any state, province, district, or territory; and
- Criminal history record check.

A successfully completed examination is valid for as long as a valid insurance producer’s license issued by the North Dakota Insurance Department is continuously held and for 12 months following cancellation, unless the license is suspended or revoked. An examination then ceases to be valid unless the order of suspension or revocation specifies otherwise.

NEW RESIDENT LICENSE REQUIREMENTS

New residents who held a resident license in their previous resident state in the last 90 days are exempt from examination requirements for the lines held on that license. New residents must submit an application for a North Dakota resident license. An applicant for a North Dakota resident license cannot hold an active resident license in another state. The new resident can submit the application electronically. If the new resident holds an active non-resident license in North Dakota, a paper application should be submitted and no fee is required.

FINGERPRINT REQUIREMENTS

ALL resident applicants must provide a set of fingerprints to the North Dakota Insurance Department for the purpose of conducting a state and national fingerprint-based criminal history records check.

PSI’s North Dakota test centers provide LiveScan fingerprinting services. Rather than rolling your fingers in ink and pressing them onto a fingerprint card, PSI collects your fingerprints digitally using an optical scanner. You may be fingerprinted at one of PSI test centers, during regular testing hours, on the day of your examination. Upon completion of the fingerprinting, PSI will mail the signed consent form, fingerprint card, and BCI payment ($41.25) directly to the North Dakota Insurance Department.
You must provide two separate payments for the fingerprints:

- BCI processing fee of $41.25. This MUST be paid with a company check, personal check, money order or cashier’s check made payable to The North Dakota Attorney General. **Credit cards will not be accepted.** PSI will mail the check to the North Dakota Insurance Department along with your fingerprint cards.

- PSI processing fee of $28.00. This processing fee may be made payable by credit card (VISA, MasterCard, American Express or Discover), money order, cashier’s check, or company check. Make money order or check payable to PSI. Cash and personal checks are NOT accepted.

If you have an existing, valid North Dakota Insurance License and are testing for another Class of Insurance, fingerprints are not required.

**TAKING THE EXAMINATION BY COMPUTER**

You will be directed to a semi-private testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

**TUTORIAL**

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

**TEST QUESTION SCREEN**

The “Function Bar” at the top of the test question provides mouse-click access to the features available while taking the examination.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

**SCORE REPORTING**

Your score will be given to you immediately following completion of the examination. A total score of 70% is required to pass. The following summary describes the score reporting process:

- **On screen** - Your score will appear on the computer screen, either when you complete all the exam questions or automatically at the end of the time allowed for the examination.
  - If you **pass**, you will immediately be notified that you passed the examination, and you will be provided information about how you performed on each area of the exam. Total score of 70% is required to pass.
  - If you **do not pass**, you will be notified that you failed the examination, and you will be provided information about how you performed on each area of the exam.

- **On paper** - Make sure to obtain your printed score report from test center staff before you leave the test center.

**DUPLICATE SCORE REPORTS**

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or by calling (800) 733-9267.

**EXPERIMENTAL QUESTIONS**

In addition to the number of examination questions specified, a small number of “pretest” questions may be administered during the examinations. These questions will NOT be scored and time to answer them has been added to the time allowed. The administration of such non-scored experimental questions is an essential step in developing future licensing examinations.
The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your learning will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

You can take a practice exam online at www.psiexams.com to prepare for your North Dakota Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam. Practice exams ARE NOT a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.
