EXAMINATIONS BY PSI SERVICES LLC

This Candidate Information Bulletin provides you with information about the processes for taking an examination and obtaining an insurance license in the State of Washington. The Washington Office of the Insurance Commissioner has contracted with PSI Services LLC (PSI) to conduct the examination program. PSI works closely with the State to ensure examinations meet the state and nationally established technical and professional standards for examination development and administration. PSI provides these examinations through a network of computer examination centers in Washington.

UNDERSTANDING LICENSING REQUIREMENTS

Washington state residents desiring any type of insurance license must:

- be eighteen (18) years of age;
- be trustworthy and competent;

In addition, the following qualifications for specific license types are required:

Producers: Pre-license education is required to take the examinations for a full-line license. The candidate must pass the examination for each line of authority needed. The limited lines examinations for Surety and Credit Insurance do not require pre-license education.

Adjusters: Experience or special education or training with reference to the handling of loss claims under insurance contracts of sufficient duration and extent to reasonably make the candidate competent to fulfill the responsibilities of an adjuster. The candidate must pass the examination.

Crop Adjusters: For private market crop insurance claims no, pre-licensing is required. The candidate must pass the examination. For a candidate that has completed the Crop Adjuster Proficiency Certification (CAPP) the examination is not required. The CAPP is required to adjust Federal Crop Insurance claims.

Surplus Line Broker: The candidate for a resident surplus line broker’s license must pass the examination have a producer license. The examination will test an applicant’s qualifications and competence in surplus line insurance including an understanding of property and casualty insurance.

A Surplus Line Broker must obtain two bonds after their license is issued. See RCW 48-17-250 for the bond requirements.

The commissioner deems that a non-resident person holding a surplus line broker’s license, or the equivalent, in the applicant’s home state is qualified, competent and trustworthy and, therefore, meets the minimum standards of this state for holding a surplus line broker’s license. For that reason, the commissioner will waive the Washington surplus line broker’s examination for a person who has and maintains a current resident surplus line broker’s license, or the equivalent, in the applicant’s home state.

For more information on licensing, please contact:

PRE-LICENSE EDUCATION REQUIREMENTS

Each candidate for a Life, Disability, Property, Personal lines or Casualty Producer license must have completed within the previous twelve (12) months the pre-license education or received a waiver as required by WAC.284.17.510 through 284.17.515 prior to scheduling for an examination.

A candidate must complete an approved course consisting of at least twenty (20) hours of instruction for each line of insurance (Life, Disability, Property, Personal Lines or Casualty) for which an examination is being taken. Approved instruction methods include lecture, instructor-proctored self study, and home self study.

A provider of approved pre-license education will issue a certificate of completion to each student upon successful completion. A separate certificate will be issued for each line of insurance. A certificate of completion is valid for a period of twelve (12) months from the date of course completion.
A list of pre-license education providers is available on the insurance commissioner’s website or may be obtained by calling (360) 725-7146.

**INITIAL LICENSING**

If you do not submit all of the application requirements (application/fees, fingerprints, conviction documentation) within 180 days of passing this examination, you will be required to retake the examination.

Candidates who receive a passing score on the appropriate examination(s) must forward the following materials to the Office of the Insurance Commissioner:

1. Complete and submit an online application (this will include payment of your license fees). The online application is available at www.insurance.wa.gov. The online application is also available through the National Insurance Producer Registry (full lines and surplus lines only) at www.nipr.com.

**LICENSEES MOVING FROM NON-RESIDENT TO RESIDENT**

An individual who applies for an insurance producer license in this state who was previously licensed for the same lines of authority in another state shall not be required to complete any pre-licensing education or examination. This exemption is only available if the person is currently licensed in that state or if the application is received within ninety (90) days of the cancellation of the applicant’s previous license, and if the prior state issues a certification that, at the time of cancellation, the applicant was in good standing in that state or the state’s producer database records, maintained by the NAIC, its affiliates, or subsidiaries, indicate that the producer is or was licensed in good standing for the line of authority requested.

A person licensed as an insurance producer in another state who moves to this state shall make application within ninety (90) days of establishing legal residence to become a resident licensee under RCW 48.17.175. No pre-licensing education or examination shall be required of that person to obtain any line of authority previously held in the prior state except where the commissioner determines otherwise by rule.

**To apply for a resident license:**

1. Complete and submit an online application (this will include payment of your license fees). The online application is available at www.insurance.wa.gov. The online application is also available through the National Insurance Producer Registry (full lines and surplus lines only) at www.nipr.com.

They will send your fingerprints to WA State Patrol and WA State Patrol will forward your background results directly to the insurance commissioner’s licensing unit. You will not receive a copy of the background check.

**RENEWALS**

All individual licenses will expire on the last day of the individual’s next birth month plus one year, and every two years thereafter. A renewal notice will be sent to the licensee’s last email address of record approximately two (2) months prior to the license expiration date. If no email address has been provided, the renewal notice will be sent to the licensee’s last mailing address of record. However, it is the licensee’s obligation to renew prior to the expiration date, even if the renewal notice is not received.

**INITIAL APPOINTMENTS AND AFFILIATIONS**

**Appointment:** If an individual or business entity licensee is transacting business as a direct representative of an insurer and soliciting insurance on its behalf, the producer must be appointed by the insurer.

**Affiliation:** If an individual represents a business entity when transacting insurance business (cards and letterhead clearly identifies the producer is working on behalf of the business entity), the business entity and individual should be licensed. The business entity should affiliate the individual. The insurer or business entity will assist you with an appointment or affiliation after you are licensed.

**REIMBURSEMENT OF WA STATE EXAM FEES FOR VETERANS**

The WA State insurance exams have recently been approved for qualifying veterans to receive reimbursement of their exam fees. To determine if you are eligible, and for any questions about the reimbursement program, please go to https://gibill.custhelp.com/app/answers/detail/a_id/39 or call 1-888-442-4551, or for the hearing-impaired call 1-800-829-4833.

**FINGERPRINTING REQUIREMENT**

Washington state requires resident applicants to submit their fingerprints electronically for a background check. Non-resident applicants do not have any fingerprint requirements. A license will not be issued until the state receives the results of the background check.
PSI subcontracts fingerprint services to IDEMIA. Candidates must make a fingerprint reservation with IDEMIA no later than one (1) business day prior to the desired examination date. Candidates must either schedule their appointment online at www.Identogo.com or contact IDEMIA at 888-771-5097. An IDEMIA Registration ID number will be provided at the end of the appointment scheduling process and should be made available to the proctor on the exam date, if requested. A fee of $49.25 must be paid by credit card, eCheck or company billing account to IDEMIA at the time of appointment scheduling. This payment includes the WA State Patrol processing fee of $29.25, and the PSI fingerprint processing fee of $20.00. Payments will not be accepted on-site.

If a Candidate waits too long to schedule an appointment there may not be an available slot on the same day as their examination. In that case, Candidates should select an appointment slot for a later date. Upon arrival at the test site, the Candidate should notify the proctor that a fingerprint reservation was made for a future date and share the IDEMIA Registration ID number (required).

The following information is required by the OIC, State Patrol & Federal Bureau of Investigation (FBI) and must be provided at the time of the fingerprint reservation:

LAUNCHING THE EXAMINATION

You can launch the examination up to 30 minutes before the scheduled start time.

If you have any questions regarding your compatibility check, or if you experience issues launching your exam, you may contact our remote proctoring technical support at (844) 267-1017. You may also initiate a chat after you close the Secure Browser Software by clicking here.

EXAMINATION REVIEW

PSI, in cooperation with the State, will be continually evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions. Comments may be entered by clicking the Comments link on the function bar of the test question screen.

Your comments regarding the questions and the examinations are welcomed. Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the Department may re-evaluate candidates’ results and adjust them accordingly. This is the only review of the examination available to you.

SCORE REPORTING AT THE TEST SITE

You must get 70% correct to pass the examination. Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type.

Candidates taking a remotely proctored exam: Please note that you must select to end both the exam portion and survey portion of your test in order to receive your on-screen results and emailed score report. If you do not receive your emailed score report, you may reach out to scorereport@psionline.com.

You may request a duplicate score report after your examination by emailing scorereport@psionline.com. Include your name, candidate ID number and confirmation number. Your candidate ID number and confirmation number is on your exam confirmation email. Please allow up to 72 hours to receive your duplicate score report.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.
- Only consider the actual information given in the question, do not read into the question by considering any possibilities or exceptions.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory, and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

You can take a practice exam online at home.psiexams.com to prepare for your Washington Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam. Practice exams ARE NOT a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.
EXAMINATION CONTENT OUTLINES

NON-SCORED QUESTIONS

Your examination contains non-scored questions. The use of such questions is an essential step in developing accurate future examinations. These questions will NOT be scored and time to answer them has been added to the time allowed. The exam content outlines indicate the number of scored questions on each exam.

STUDY MATERIALS

Neither the Washington Office of the Insurance Commissioner nor PSI specifically endorses any particular study materials. However, actual state insurance laws and regulations provide an invaluable source of information in preparation for the state-specific portion of the major line examinations, and current insurance textbooks and policy forms provide the basis for preparation for the national portion of the major line examinations. The WA OIC has approved several providers to offer pre-license education courses. A list of the providers can be found at: www.insurance.wa.gov

When candidates complete the examination, they will receive a score report, via email, marked “pass” or “fail” along with diagnostic information. Candidates may use the diagnostic report as a guide for studying before their next test administration.

EXAMINATION CONTENT OUTLINES

Individual examination content outlines are available from PSI for each examination. Content outlines indicate the examination time limit, minimum score required to pass, subject area and the number of items in each area. To obtain a content outline for your specific examination, visit home.psiexams.com and select to Search for an exam. You will select “WA Insurance” under the dropdown titled, “Select Organization,” and then select your exam in the second dropdown titled, “Select Test”. The examination content outlines can be found under the Notes section (on the right side of the page).
