Pennsylvania state laws stipulate that a person may not act as a real estate salesperson, builder/owner salesperson, rental listing referral agent, cemetery broker, or broker without first obtaining a license issued by the Department of State. To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes, and regulations relating to real estate.

The Pennsylvania Real Estate Commission has contracted with PSI Services LLC (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers in Pennsylvania. PSI works closely with the State to be certain that examinations meet local as well as national requirements in basic principles and examination development standards.

The following are the Pennsylvania real estate licensing examinations offered by PSI:
- Real Estate Broker
- Real Estate Salesperson
  - Cemetery Broker
  - Rental Listing Referral Agent
  - Builder/Owner Salesperson

This Candidate Information Bulletin provides you with information about the examination and application process to become a real estate licensee in the State of Pennsylvania.

If you hold a real estate license in a jurisdiction in which Pennsylvania has a signed reciprocal license agreement with and you plan on keeping that licensee active, you are exempt from taking the examination. Please look on the Commission’s website (www.dos.pa.gov/estate) for details.

### TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

Now you can take the practice exam online at https://www.psiexams.com/pare to prepare for your Pennsylvania Real Estate Broker or Salesperson Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination. Note: You may take the practice exam an unlimited number of times; you will need to pay each time.

### EXAMINATION STUDY MATERIALS

The following is a list of possible study materials for the real estate examinations. The list is given to identify resources and does not constitute an endorsement by PSI or by the Pennsylvania Real Estate Commission. Use the latest edition available.

These questions will not be scored. However, these questions will count against examination time. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

CONTENT OUTLINES

The examination content outlines have been prepared and are periodically updated by committees of professionals who are subject matter experts in real estate practice, real estate instruction, and regulatory issues. The examination content outlines these professionals have prepared identify areas of importance to licensees in order for them to perform their duties to the public in a competent and legally responsible manner.

Use the outline as a guide for pre-examination review of course material. The outlines list the topics that are on the examination and the number of questions for each topic. Do not schedule your examination until you are familiar with the topics in the outline.

Mr. Martin tells you they have been working with Mary Hempstead of XX Realty, a competing real estate company. Before leaving, you thank them for coming and give them your business card.

A. The first thing on Monday morning, Mrs. Martin calls and indicates they have tried to reach Mary and cannot. They indicate they have a written buyer’s agent agreement with Mary’s broker.
