Pennsylvania state laws stipulate that a person may not act as a real estate salesperson, builder/owner salesperson, rental listing referral agent, cemetery broker, or broker without first obtaining a license issued by the Department of State. To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes, and regulations relating to real estate.

The Pennsylvania Real Estate Commission has contracted with PSI Services LLC (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers in Pennsylvania. PSI works closely with the State to be certain that examinations meet local as well as national requirements in basic principles and examination development standards.

The following are the Pennsylvania real estate licensing examinations offered by PSI:
- Real Estate Broker
- Real Estate Salesperson
  - Cemetery Broker
  - Rental Listing Referral Agent
  - Builder/Owner Salesperson

This Candidate Information Bulletin provides you with information about the examination and application process to become a real estate licensee in the State of Pennsylvania.

If you hold a real estate license in a jurisdiction in which Pennsylvania has a signed reciprocal license agreement with and you plan on keeping that licensee active, you are exempt from taking the examination. Please look on the Commission’s website (www.dos.pa.gov/estate) for details.

PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (855) 746-8175. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

### TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.

- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

Now you can take the practice exam online at https://www.psiexams.com/pare to prepare for your Pennsylvania Real Estate Broker or Salesperson Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination. Note: You may take the practice exam an unlimited number of times; you will need to pay each time.

### EXAMINATION STUDY MATERIALS

The following is a list of possible study materials for the real estate examinations. The list is given to identify resources and does not constitute an endorsement by PSI or by the Pennsylvania Real Estate Commission. Use the latest edition available.

Before leaving, you thank them for coming and give them
your business card.

- After you have completed a request on PATCH, you will receive a screen that shows a control number (this begins with an R), the name of the person being checked, the date of the request, and either no record, under review, pending. This is NOT the form which needs to be submitted.
- If you have no record, just click on the control number and all information entered to obtain this record check will appear on the screen. Around the middle of the screen click on "Certification Form". Once the Certification Form appears, click on print (upper right hand corner). This is the form you are required to submit. It includes your identifying information (social security number, date of birth, etc.) needed for verification.

- If it is under review, the completion time could be up to 3 weeks. If there is NO record, you may print the Certification Form. If you do have a record, your results will be mailed to you at the address entered when the record check was done.
