SPECIAL ACCOMMODATIONS AVAILABLE

All examination sites are physically accessible to individuals with disabilities. Scheduling services are also available via Telecommunications Device for the Deaf (TDD) by calling (800) 735-2929.

The Board and PSI recognize their responsibilities under the Federal Americans with Disabilities Act and the California Fair Employment and Housing Act by providing testing accommodations or auxiliary aids or services for candidates who substantiate the need due to a physical or mental disability or qualified medical condition.

Accommodations will not be provided at the examination site unless prior approval by the Board has been granted. Reasonable, appropriate, and effective accommodations may be requested by submitting an Accommodation Request for Examination form to the Board. This form is available by contacting the Board at (916) 255-3900 or on cslb.ca.gov.

The Board also allows candidates to take an exam with a translator. Candidates must arrange for their own translator, which may be a friend, family member, or someone hired. The translator cannot be employed in construction, real estate, finance, architecture, engineering, or law. Translators must be approved by the Board before the examination will be scheduled. The translator form is available by contacting the Board at (916) 255-3900.

REPORTING TO THE EXAMINATION SITE

On the day of the examination, you must arrive at least 30 minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee.

REQUIRED IDENTIFICATION AT EXAMINATION SITE

You must provide one of the following valid, non-expired, forms of government-issued identification before you may examine:

- U.S. issued Driver's License (any state)
- U.S. State issued-identification card (any state)
- U.S. government-issued passport (booklet or card)
- U.S. Citizenship and Immigration Services Resident Alien Card
- U.S. military identification
- U.S. issued Employment Authorization Card

All photographs must be recognizable as the person to whom the identification card was issued. The name on the application must match the photographic I.D. card. If you have recently changed your name with the Board, you may want to contact PSI to verify that they have the correct name on file.

Failure to provide all of the required identification at the time of the examination is considered a missed appointment and you will not be able to take the examination.

CALIFORNIA LAW SECURITY PROCEDURES

Section 123 of the California Business and Professions Code states: It is a misdemeanor for any person to engage in any conduct which subverts or attempts to subvert any licensing examination or the administration of an examination, including, but not limited to:

- Aiding by any means the unauthorized reproduction of any portion of the licensing examination;
- Paying or using professional or paid examination-takers for the purpose of reconstructing any portion of the licensing examination;
- Obtaining examination questions or other examination material, except by specific authorization either before, during, or after an examination; or
- Selling, distributing, buying, receiving, or having unauthorized possession of any portion of a future, current, or previously administered licensing examination.
- Communicating with any other examinee during the administration of a licensing examination.
- Copying answers from another examinee or permitting one's answers to be copied by another examinee.
- Having in one's possession during the administration of the licensing examination any books, equipment, notes, written or printed materials, or data of any kind, other than the examination materials distributed, or otherwise authorized to be in one's possession during the examination.
- Impersonating any examinee or having an impersonator take the licensing examination on one's behalf.

Nothing in this section shall preclude prosecution under authority provided for in any other provision of law. In addition to any other penalties, a person found guilty of violating this section, shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars (\$10,000) and the costs of litigation.

IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in. The thumbprint must be matched after candidates return from a restroom break and any time the candidate leaves and returns to the test site after check-in.
2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets or hoods. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination. If the layered item is removed during the examination, you will be required to store it in the lobby while time continues to count down on your examination. Outerwear (coats, heavy jackets, vests, shawls, scarves, etc.) is not allowed in the testing rooms.

3. There are timing mechanisms available in the testing room and on the computer console to help candidates keep track of time during the test administration. Candidates are not permitted to bring watches or other timekeeping devices into the testing rooms.
4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when leaving and returning to the testing room. If a candidate's restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence. The regulatory entity will investigate and take appropriate action.
5. The following is a non-exhaustive list of personal items that are not permitted in the testing rooms:

Purses	Briefcases/daypacks/luggage
Cellular phones	Pagers
Drinks (including water)	Food/candy/snacks/gum
Good luck items	Luggage
Calculators	Reading materials
Textbooks	Notes
Any recording device	Smart devices
Electronic devices	Headphones or earphones/earbuds
Personal pens or pencils	Therapeutic items
Cameras	Over-the-counter medication
Weapons	Fashion scarves
Hats/baseball caps/visors*	Sunglasses**
Bulky, large or noisy jewelry***	Prescription drugs****

*Headwear worn for religious purposes is subject to inspection.

**Prescription and non-prescription eyeglasses may not be worn for the photo. Eyeglasses subject to inspection.

***Jewelry that is allowed into the examination room is subject to inspection.

****Drugs that are medically necessary during the pendency of the examination may be brought into the examination site, in a container bearing a proper prescription label with the name of the candidate and of the drug; any such medication is subject to examination by a proctor upon check-in.

Examination proctors will have considerable discretion to refuse permission of clothing and/or items that compromise the integrity or security of the examination.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates must return these items to their vehicle or other place of safekeeping. Neither PSI nor the Department of Consumer Affairs will be responsible for the items. Any candidate possessing prohibited items in the testing room will have his or her examination results invalidated, and PSI will notify the appropriate regulatory entity of the occurrence.

6. Shoes must be worn at all times and feet are not permitted on the chairs. Feet must remain on the floor during examinations.

7. Copying any portion of the examination content by any means or communicating examination content for the purpose of aiding its unauthorized reproduction, whether before, during, or after the examination, is a violation of PSI security policy and existing law. Either one may result in the disqualification or invalidation of examination results, the denial of your license, and may result in criminal prosecution.
8. If a candidate is asked by a proctor to step into the lobby during your examination, the proctor will suspend the candidate's examination, so all remaining test time will be retained.

Only candidates, and those individuals with prior regulatory entity approval, are allowed to be present in the testing sites.

If candidates require that an exception be made to ANY of the abovementioned security procedures, candidates must contact their regulatory entity PRIOR to the date of their examination. The regulatory entity must provide the exception to PSI. NO EXCEPTIONS WILL BE MADE ON THE DAY OF THE EXAMINATION.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

The “function bar” at the top of the test question screen provides mouse-click access to the features available while taking the examination.

What do the stars on the United States of America's flag represent?". Below the question, it says "(Choose from the following options)" and lists four options: "1. Presidents", "2. Colonies", "3. States", and "4. Wars". At the bottom of the question area are buttons for "<< Back" and "Next >>".

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION RESULTS

At the end of your examination, you will return to the check-in location and be given a printed report of your score. Your examination results are confidential and are released only to you and the Board. To protect your privacy and to maintain the confidentiality of examination results, score information is not given over the telephone.

FAILING SCORE REPORTS

The score report will indicate the candidate's overall score, including the number of items answered correctly.

TEST STRATEGY

This is a multiple-choice examination with four choices per question. Examination questions are written to provide only one BEST answer. Some questions require mathematical computation. A calculator will be provided.

There is no penalty for guessing. If you are unsure about a particular question, it is better to try to answer the question than to leave the question blank.

Plenty of time is provided to answer all examination questions, so be sure to read each question and its four choices completely and carefully before selecting the BEST possible answer to the question.
