  - Bulky or loose clothing or coats that could be used to conceal recording devices or notes. For security purposes outerwear such as, but not limited to: open sweaters, cardigans, shawls, scarves, hoodies, vests, jackets and coats are not permitted in the testing room. In the event you are asked to remove the outerwear, appropriate attire, such as a shirt or blouse should be worn underneath.
  - Hats or headgear not worn for religious reasons or as religious apparel, including hats, baseball caps, or visors.
  - Other personal items, including purses, notebooks, reference or reading material, briefcases, backpacks, wallets, pens, pencils, other writing devices, food, drinks, and good luck items.

- Although secure storage for personal items is provided at the examination site for your convenience, PSI is not responsible for any damage, loss, or theft of any personal belongings or prohibited items brought to, stored at, or left behind at the examination site. PSI assumes no duty of care with respect to such items and makes no representation that the secure storage provided will be effective in protecting such items. If you leave any items at the examination site after your examination and do not claim them within 30 days, they will be disposed of or donated, at PSI’s sole discretion.

- Person(s) accompanying an examination candidate may not visit the examination center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors.

- No smoking, eating, or drinking is allowed in the examination center.

- During the check process, all candidates will be asked if they possess any prohibited items. Candidates may also be asked to empty their pockets and turn them out for the proctor to ensure they are empty. The proctor may also ask candidates to lift up the ends of their sleeves and the bottoms of their pant legs to ensure that notes or recording devices are not being hidden there.

- Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be used to harbor a recording device. Proctors will ask to inspect any such items in candidates' pockets.

- If prohibited items are found during check-in, candidates shall put them in the provided secure storage or return these items to their vehicle. PSI will not be responsible for the security of any personal belongings or prohibited items.

All such instances will be reported to the examination sponsor.

- Copying or communicating examination content is violation of a candidate’s contract with PSI, and federal and state law. Either may result in the disqualification of examination results and may lead to legal action.

- Once candidates have been seated and the examination begins, they may leave the examination room only to use the restroom, and only after obtaining permission from the proctor. Candidate will not receive extra time to complete the examination.

IMPORTANT NOTICE FOR ALL CANDIDATES

Due to many complaints from the buildings' tenants, PSI (and the properties which house the PSI test centers) cannot accommodate any individuals other than the person who is being tested and their model (when applicable).

PSI understands that test candidates are often comforted by having guests accompany them to their exams. It may also be necessary for a guest to drive the candidate to the test center. However, incidents from previous guests have prompted warnings from Property Management. For this reason, PSI has adopted the following policy concerning guests.

“Person(s) accompanying a test candidate may not wait in the test center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors.”

Models are allowed to enter the testing center, but all models must exit the building once their involvement in the exam has ended.

There are facilities nearby such as shopping malls, stores or restaurants where guests may go while the candidate takes a test. Please take the time to visit those locations instead of waiting in or around the building.

Also of note, many candidates have been arriving hours before their scheduled exam time. This is not necessary. Please plan to arrive 30 minutes before the start-time of your exam. This will provide plenty of time for check-in.

Thank you for your understanding and for your cooperation.

TAKING THE THEORY PORTION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.
TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

TEST QUESTION SCREEN

The “function bar” at the top of the test question screen provides mouse-click access to the features available while taking the examination.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out or you have not ended your examination.

EXPERIMENTAL QUESTIONS

In addition to the number of examination items specified, a small number of five to ten “experimental” questions may be administered to candidates during the examinations. These questions will not be scored and the time taken to answer them will not count against examination time. The administration of such non-scored experimental questions is an essential step in developing future licensing examinations.

A written result report will be mailed to you by PSI within 7 business days following the examination. In addition, examination results will be available to candidates on-line one business day after the exam date. Simply go to www.psiexams.com and click the “create an account” button and follow the simple steps. Once you have created an account, you will be able to see your result as well as pay for and schedule your exams. Examination results are confidential and will be given only to you and the Department. Candidates passing the examination will receive ONLY a result indication of PASS. Passing numeric results are not available. Candidates who do not pass will receive an overall score and an individual score for each of the services in the Practical Portion Rating Criteria. Candidates should use this information to assist them in studying for the re-examination.

LICENSURE ELIGIBILITY

To be eligible for licensure, you must complete the license application at the MyLicense website (www.michigan.gov/miplus), submit the required fee to the State of Michigan, pass the required examination(s), and meet the following requirements:

- be at least 17 years of age;
- be of good moral character;
- have an education equivalent to the completion of the ninth grade; and
- have successfully completed a course of study of at least 400 hours; OR
- have served at least six months as an apprentice in a licensed establishment under an approved apprenticeship program in which Esthetician is practiced.

A false statement or dishonest answer on the license application may be 1) grounds for denial of licensure; 2) grounds for disciplinary action against any future license; or 3) punishable by law. Furthermore, any conviction(s) for which you did or could have gone to jail may delay your application for a license. If licensure is denied, this action may be appealed to the Board of Cosmetology.

After the State of Michigan determines your eligibility to test and receive a license, an electronic file will be submitted to PSI. It is at this time that you may submit your completed Examination Registration Form (found at the back of this Candidate Information Bulletin) to PSI.

When you have finished the Examination Registration Form in its entirety, please mail or fax the form, along with the appropriate fees, to the address below.
