EXAMINATIONS BY PSI

This Candidate Information Bulletin provides you with information about the examination and application process for becoming licensed as a real estate broker in Colorado. You should also access <http://www.dora.state.co.us/real-estate/licensing/licinfo.htm> for additional information on licensing requirements.

You need to pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes and regulations relating to real estate. The Division has contracted with PSI licensure:certification (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers in Colorado. PSI works closely with the Division of Real Estate to be certain that examinations meet local as well as national requirements in basic principles of real estate and examination development standards.

The real estate broker examination offered by PSI Examination Services consists of a state and national portion. You must pass both portions to apply for a license.

All questions and requests for information about the examination should be directed to:

INSTRUCTIONS FOR LICENSE QUALIFICATION

AGE

You must be 18 years old to apply for a Colorado real estate broker license. There is no age restriction on taking the broker examination.

EDUCATION EXPERIENCE AND EXAMINATION

The specific course, experience and exam requirements vary for the different levels of licensure.

For information on the requirements for licensure click on (or access) the following link to the DRE website:
<http://www.dora.state.co.us/realestate/licensing/licinfo.htm>

DEADLINE FOR FILING AN APPLICATION

The real estate license examination is made up of two parts, the general part, and the local (state) part. Applicants for licensure who must receive passing scores on both the general part and the state part of the examination need not receive them on the same administration date. If one part is failed, the applicant may retake it at a subsequent time. In no event will a passing score on either part of the exam be accepted beyond one year.

CHARACTER

The Real Estate Commission is authorized to require proof of truthfulness, honesty, good moral character of any applicant.

BEFORE submitting an application for a real estate broker license, each applicant shall submit a set of fingerprints to the Colorado Bureau of Investigation for the purpose of conducting a state and national fingerprint-based criminal history record. The applicant shall pay the fee established by the Colorado Bureau of Investigation. Upon completion of the criminal history record check, the bureau shall forward the results to the Real Estate Commission. Access the Division of Real Estate (DRE) Internet homepage for information on the procedure and process at:

<http://www.dora.state.co.us/real-estate/licensing/licinfo.htm>

PSI provides the more accurate electronic fingerprint service at its examination centers and forwards the fingerprint to the appropriate review agencies. Contact PSI for information on digital fingerprint at various exam sites.

CRIMINAL BACKGROUND

If you have been convicted, pled *nolo contendere* to, or agreed to a deferred prosecution or judgment for any felony, misdemeanor, theft-related petty offense, or have such charges pending, you may apply for a preliminary advisory opinion (PAO) as to the effect of the offense on licensure.

You may submit a no-cost PAO request before completing any education or examination requirements. If you choose to complete the licensing requirements and apply for a broker license, you must complete an addendum to the broker application and submit it with the nonrefundable application fee.

Both the PAO and broker application addendum are given individual consideration by the Commissioners, and may take up to two months from the date a fully documented application or PAO is received. Both forms are available from the Commission Website.

Now you can take the practice exam online at www.psiexams.com to prepare for your Colorado Real Estate Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice exams an unlimited number of times. However, you will need to pay each time.

DESCRIPTION OF EXAMINATION AND EXAMINATION CONTENT OUTLINES

Use the outline as the basis of your study. The outlines list the topics that are on the examination and the number of items for each topic. Do not schedule your examination until you are familiar with all topics in the outline.

If appropriate, you must bring a copy of your eligibility certificate or REC-33 (electronic versions are accepted) to support the choice selected in the affidavit. Failure to bring the proper documentation invalidates your registration. You will not be able to take the examination as scheduled, and you will forfeit your examination fee.

Note that broker candidates licensed in another state are NOT required to present a certificate of eligibility. Those candidates must complete the affidavit by selecting "I am currently licensed in Colorado or another state (no certificate required)."

SECURITY PROCEDURES

The following security procedures will apply during the examination:

- PSI exam computers display an on screen calculator similar to that found on most computers. There are no questions on the examination that require functions beyond those on the on-screen computer (add, subtract, multiply and divide). The Colorado Division of Real Estate does not permit personal calculators in the examination center
- All personal belongings of candidates, with the exception of close-fitting jackets or sweatshirts, should be placed in the secure storage provided at each site prior to entering the examination room. Personal belongings include, but are not limited to, the following items:
 - Electronic devices of any type, including cellular / mobile phones, recording devices, electronic watches, cameras, pagers, laptop computers, tablet computers (e.g., iPads), music players (e.g., iPods), smart watches, radios, or electronic games.
 - Bulky or loose clothing or coats that could be used to conceal recording devices or notes, including coats, shawls, hooded clothing, heavy jackets, or overcoats.
 - Hats or headgear not worn for religious reasons or as religious apparel, including hats, baseball caps, or visors.

- Other personal items, including purses, notebooks, reference or reading material, briefcases, backpacks, wallets, pens, pencils, other writing devices, food, drinks, and good luck items.
- Person(s) accompanying an examination candidate may not wait in the examination center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors.
- No smoking, eating, or drinking is allowed in the examination center.
- During the check in process, all candidates will be asked if they possess any prohibited items. Candidates may also be asked to empty their pockets and turn them out for the proctor to ensure they are empty. The proctor may also ask candidates to lift up the ends of their sleeves and the bottoms of their pant legs to ensure that notes or recording devices are not being hidden there.
- Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be used to harbor a recording device. Proctors will ask to inspect any such items in candidates' pockets.
- If prohibited items are found during check-in, candidates shall put them in the provided secure storage or return these items to their vehicle. PSI will not be responsible for the security of any personal belongings or prohibited items.
- Any candidate possessing prohibited items in the examination room shall immediately have his or her test results invalidated, and PSI shall notify the examination sponsor of the occurrence.
- Any candidate seen giving or receiving assistance on an examination, found with unauthorized materials, or who violates any security regulations will be asked to surrender all examination materials and to leave the examination center. All such instances will be reported to the examination sponsor.
- Copying or communicating examination content is violation of a candidate's contract with PSI, and federal and state law. Either may result in the disqualification of examination results and may lead to legal action.
- Once candidates have been seated and the examination begins, they may leave the examination room only to use the restroom, and only after obtaining permission from the proctor. Candidate will not receive extra time to complete the examination

TAKING THE EXAMINATION

Taking the PSI examination is simple. You do not need any computer experience or typing skill. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown below. You may also use the mouse.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial to the computer and keyboard is provided on screen. The time you spend on this tutorial (up to 15 minutes) does NOT count as part of your examination time. Sample questions are included as part of the tutorial so that you may practice using the keys, answering questions, and reviewing your answers.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION

A sample question display follows. During the examination, you would press 1, 2, 3, or 4 to select your answer or press "MARK" to mark it for later review. You would then press ENTER to record your answer and move on to the next question. You can change your answer as often as you like before pressing ENTER.

The screenshot shows the examination interface with the following elements:

- Top bar: Mark, Comments, Goto, Help, End
- Question status: Question: 3 of 40, Answered: 2, Unanswered: 1, Marked: 0, View: All, Time Left(Min): 359
- Question: 3. What do the stars on the United States of America's flag represent?
- Options: (Choose from the following options)
 - 1. Presidents
 - 2. Colonies
 - 3. States
 - 4. Wars
- Navigation: << Back, Next >>

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out or you have ended your examination.

EXPERIMENTAL QUESTIONS

In addition to the 80 examination items on the national portion of the examination and the 74 examination items on the state portion, a small number (5 to 10) of "experimental" questions may be administered to candidates during the examination. These questions are randomly distributed, will not be scored and the time taken to answer them will not count against examination time. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

EXAMINATION REVIEW

PSI, in cooperation with the Division of Real Estate, will be consistently evaluating the examination being administered to ensure that the examination accurately measure competency in the required knowledge areas. Your comments regarding the questions and the examination are welcomed. **This is the only review of examination materials available to applicants.**

IMPORTANT: You may review items and make comments during the time allotted for your exam. No review is available once the exam has been completed (scored) or time has expired. Comments submitted after the examination will not be reviewed.

SCORE REPORTING

In order to pass the examination, you must achieve the minimum score shown on each part of the examination

	Number Correct
Broker	
National Portion	60
State Portion	53

Your score will be given to you immediately following completion of the examination. Examination results will be reported to you and the Colorado Division of Real Estate and, if applicable, your pre-license education provider.

The following summary describes the score reporting process:

On screen - Your score will appear immediately on the computer screen. This will happen automatically at the end of the time allowed for the examination; if you are using review features, you will be able to obtain your score immediately when you indicate that you have finished and would like to see your results.

If you **pass**, you will immediately receive a successful notification and performance summary on the screen. If you **do not pass**, you will immediately receive an unsuccessful notification on the screen along with a diagnostic report indicating your strengths and weaknesses by topic area, by examination type.

DUPLICATE SCORE REPORTS

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or by calling 800-733-9267.
