EXAMINATIONS BY PSI

This Candidate Information Bulletin provides you with information about the examination and application process for insurance licensing in the State of Maryland.

The Maryland Insurance Administration has contracted with PSI to conduct the examination program. PSI provides examinations through a network of computer examination centers in Maryland. PSI works closely with the State to be certain that examinations meet local as well as national requirements in basic principles and examination development standards.

ON-LINE SERVICES

WWW.INSURANCE.MARYLAND.GOV/PRODUCER

INITIAL LICENSING

Applications for initial licenses and registrations may be submitted on line via NIPR (www.nipr.com). This service allows for a license to be issued within 72 hours, provided the on-line transaction, upon completion, receives an approved status. You will need to use your Social Security Number to locate your record. Applicants with an approved status may print the license within 72 hours of approval.

If you receive a “pending at the State” status, please submit required documents to producerlicensing.mia@maryland.gov

Actively licensed producers attempting to add a line of authority to an existing producer license should not submit an application. You will be able to view your license in 2-3 business days after passing the exam to verify the updated license. If your license has not been updated, please contact Producer Licensing Customer Service at 888-204-6198, option #5 or email at producerlicensing.mia@maryland.gov.

LICENSE RENEWAL / REINSTATED

Current licensees may submit applications to renew or reinstate their license on-line via NIPR (www.nipr.com) using their resident state license number, National Producer Number (NPN), and last four (4) digits of the SSN or full FEIN. Applicants with an approved status may print the license within 72 hours of approval. If you receive a “pending at the State” status, please submit required documents to producerlicensing.mia@maryland.gov

ON-LINE PRINTING OF LICENSES

If you receive a “pending at the State” status, please submit required documents to producerlicensing.mia@maryland.gov.

ON-LINE ADDRESS UPDATES

Current individual licensees may update their resident, business, and mailing addresses, on-line via NIPR (www.nipr.com) using the resident state license number, National Producer Number (NPN), and last four (4) digits of the SSN. Business entities may submit their request to producerlicensing.mia@maryland.gov. Licensees may not process updates that result in a change in the licensee’s resident state.

ON-LINE LICENSE VERIFICATION

The Maryland Insurance Administration no longer issues a letter of certification or letter of clearance. The results page from the Licensee Look-Up tool or a Producer Database (PDB) printout may be used in lieu of the letter that was previously issued.

EXAMINATION ELIGIBILITY AND APPROVAL PROCESS

PRE-LICENSING EDUCATION REQUIREMENTS

Pre-licensing education through a Maryland-approved provider, or an experience affidavit, is required for applicants. As a condition of initial licensure, and to be eligible to take the required examination, candidates must satisfy the education requirements found in the Pre-Licensing Requirements section of this document.

Your education provider will provide your eligibility to PSI upon successful completion of the course requirements. After your provider has submitted your file to PSI, you may visit: www.psiexams.com or call 1-800-733-9267 to register and schedule your examination. Note, if PSI does not have record of your course completion, you must contact your education provider.

All questions and requests for information should be directed to PSI.

PRE-LICENSING EDUCATION WAIVERS

The Maryland Insurance Commissioner may waive the pre-licensing education requirement for an individual who:

▪ Holds an approved insurance designation,
▪ Has a qualifying level of work experience, or
▪ Has taken equivalent college courses.

The examination types which qualify for a waiver (in lieu of pre-licensing education) are: Life, Health, Property, Casualty, Title, and Personal Lines.

Unless a waiver has been approved by the Maryland Insurance Administration, candidates must complete a Maryland approved pre-licensing course. The Pre-Licensing Education Waiver Application form may be found on the MIA website.

EXAMINATION SCHEDULING PROCEDURES

ELIGIBILITY AND FEES

The following fee table lists the applicable fee for each examination(s). The fee is for each registration, whether you are taking the examination(s) for the first time or repeating.

<table>
<thead>
<tr>
<th>Examination Fee</th>
<th>$70</th>
</tr>
</thead>
</table>

The fee is $70 for the 2 examination portions, regardless of whether you take 1 or both examination portions. Examination retakes are $70 for 1 or both examination portions. The examination fee is valid for six months.

NOTE: REGISTRATION FEES ARE NOT REFUNDABLE OR TRANSFERABLE

All eligibilities are valid for six (6) months from the date PSI receives your eligibility from the approved provider. If you do not pass the examination(s) within the six (6) month period, you must reapply with PSI, including retaking the Pre-licensing Education Courses.

Candidates are only required to retake the portion of the examination that was failed (state or general). The failed portion of the examination must be passed within six (6) months from the date PSI receives your eligibility from the approved provider. Within the six (6) month time period failed portions of the examination may be taken until passed.

You may take examinations on an unlimited basis. However a candidate who tests unsuccessfully must wait four (4) days before retaking the examination.

English as a Second Language (ESL) candidates must call PSI at (800) 733-9267 to schedule for their examination, if they wish to receive additional time. Please do not schedule online, as you will not receive the additional time.

INTERNET SCHEDULING

For the fastest and most convenient test scheduling process, PSI recommends that candidates register for their exams using the Internet. In order to register over the Internet, candidates will need to have a valid credit card (Visa, MasterCard, American Express or Discover). Candidates register online by accessing PSI’s registration website at www.psiexams.com. Internet registration is available 24 hours a day.

1. Log onto PSI’s website and create an account. Please enter your email address and first and last name. This information must match exactly with the information your educator has provided to PSI. Be sure to check the box next to “Check here to attempt to locate existing records for you in the system”

2. You will be asked to select the examination and enter your Social Security #. Your record will be found and you will now be ready to pay and schedule for the exam. Enter your zip code and a list of the testing sites closest to you will appear. Once you select the desired test site, available dates will appear. If you have problems contact PSI at (800) 733-9267 for help.

TELEPHONE SCHEDULING

For telephone registration, you will need a valid credit card (Visa, MasterCard, American Express or Discover).

Complete the Examination Registration Form, including your credit card number and expiration date, so that you will be prepared with all of the information needed to register by telephone.

PSI registrars are available at (800) 733-9267, Monday through Friday between 7:30 am and 10:00 pm, or Saturday and Sunday between 9:00 am and 5:30 pm, Eastern Time, to receive the information listed on your Examination Registration Form and to schedule your appointment for the examination.

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee if your cancellation notice is received 2 days before the scheduled examination date. For example, for a Monday appointment, the cancellation notice would need to be received on the previous Saturday. You may call PSI at (800) 733-9267.

Note: A voice mail or email message is not an acceptable form of cancellation. Please use the PSI Website or call PSI to speak directly to a Customer Service Representative.

SCHEDULING A RE-EXAMINATION

It is not possible to make a new examination appointment on the same day you have taken an examination; this is due to processing and reporting scores. A candidate who tests unsuccessfully on a Wednesday can call the next day to schedule the examination. In order to retest, you must re-register following the steps for registration and scheduling as outlined earlier. You may re-register over the Internet, telephone or by mail.

MISSED APPOINTMENT OR LATE CANCELLATION

Your registration will be invalid, you will not be able to take the examination as scheduled, and you will forfeit your examination fee, if you:

- Do not cancel your appointment 2 days before the schedule examination date;
- Do not appear for your examination appointment;
- Arrive after examination start time;
- Do not present proper identification when you arrive for the examination.

EXAM ACCOMMODATIONS

All PSI examination centers are equipped to provide access in accordance with the Americans with Disabilities Act (ADA) of 1990, and exam accommodations will be made in meeting a candidate’s needs. A candidate with a disability or a candidate who would otherwise have difficulty taking the examination must follow the instructions on the Exam Accommodations Request Form at the end of this Candidate Information Bulletin.
WORD-TO-WORD TRANSLATION DICTIONARY

Candidates may request to use a Word-to-Word dictionary at no cost. The dictionary cannot contain pictures or definitions.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (800) 733-9267. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You may also check our website at www.psiexams.com.

SOCIAL SECURITY NUMBER CONFIDENTIALITY

PSI will use your social security number only as an identification number in maintaining your records and reporting your examination scores to the state. A Federal law requires state agencies to collect and record the social security numbers of all licensees of the professions licensed by the state.

REPORTING TO THE EXAMINATION SITE

On the day of the examination, you should arrive 30 minutes before your appointment. This extra time is for sign-in, identification, and familiarizing you with the examination process. If you arrive late, you may not be admitted to the examination site and you will forfeit your examination registration fee.

You must provide 2 forms of identification. One must be a VALID form of government issued identification (driver’s license, state ID, passport), which bears your signature and has your photograph. The second ID must have your signature and preprinted legal name. All identification provided must match the name on the Examination Registration Form and your Registration Confirmation Notice.

If you cannot provide the required identification, you must call (800) 733-9267 at least 3 weeks prior to your scheduled appointment to arrange a way to meet this security requirement.
SECURITY PROCEDURES

The following security procedures will apply during the examination:

- Only non-programmable calculators that are silent, battery-operated, do not have paper tape printing capabilities, and do not have a keyboard containing the alphabet will be allowed in the examination site.

For security purposes outerwear such as, but not limited to: open sweaters, cardigans, shawls, scarves, hoodies, vests, jackets and coats are not permitted in the testing room.   - Other personal items, including purses, notebooks, reference or reading material, briefcases, backpacks, wallets, pens, pencils, other writing devices, food, drinks, and good luck items.

- Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be used to harbor a recording device. Proctors will ask to inspect any such items in candidates’ pockets.
- If prohibited items are found during check-in, candidates shall put them in the provided secure storage or return these items to their vehicle. PSI will not be responsible for the security of any personal belongings or prohibited items.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

TEST QUESTION SCREEN

The “function bar” at the top of the test question provides mouse-click access to the features available while taking the examination.

[Sample test question interface with options and instructions]
One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

**EXPERIMENTAL QUESTIONS**

In addition to the number of questions per examination, a small number of three to ten “experimental” questions may be administered to candidates during the examinations. These questions will NOT be scored and time to answer them has been added to the time allowed. The administration of such non-scored experimental questions is an essential step in developing future licensing examinations.

**EXAMINATION REVIEW**

PSI, in cooperation with the Maryland Insurance Administration, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions. Comments may be entered by clicking the Comments link on the function bar of the test question screen.

These comments will be analyzed by PSI examination development staff. PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. This is the only review of examination materials available to candidates.

**SCORE REPORTING**

Your score will be given to you immediately following completion of the examination. The following summary describes the score reporting process:

- **On paper** - an official score report will be printed at the examination site.
  - If you **pass**, you will immediately receive a passing score report.
  - If you **do not pass**, you will receive a failing score report with a diagnostic report indicating your strengths and weaknesses by examination type.

Candidates are only required to retake the portion of the examination that was failed (state or general). The failed portion of the examination must be passed within six (6) months from the date the previously passed portion of the examination was taken. Within a six (6) month time period failed portions of the examination may be taken until passed.

**DUPLICATE SCORE REPORTS**

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or by calling 800-733-9267.

**EXAMINATION SCORES AND LICENSE APPLICATION**

You must apply for a license within 6 months of successfully completing the examination.

**TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION**

The following suggestions will help you prepare for your examination:

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

Many of the reference materials are available for purchase at www.psionlinestore.com or by calling the PSI Online Store, toll-free, at (866) 589-3088.

Titles currently in stock are listed on the order form near the end of this candidate information bulletin.

**EXAMINATION CONTENT OUTLINES**

Individual examination content outlines are available from PSI for each examination. Content outlines indicate the examination time limit, minimum score required to pass, subject area and the number of items in each area. To obtain a content outline for your specific examination, visit www.psiexams.com, select Government/State Licensing Agencies/Maryland/MD Insurance. The examination content outlines can be found under Information Links (on the right side of the page).
