PURPOSE

This Candidate Information Bulletin is designed to provide you with general information about the California Registered Veterinary Technician (CRVT) written examination process, as well as an overview of the content areas in which you will be examined.

EXAMINATION DEVELOPMENT

The California Registered Veterinary Technician Examination is developed by the Veterinary Medical Board (VMB) with the guidance and technical assistance of the Office of Professional Examination Services (OPES), California Department of Consumer Affairs.

ESTABLISHING THE PASSING STANDARDS

A licensing examination determines whether an examinee is competent to practice, not whether the examinee performs better or worse than others who take the test.

In accordance with Business and Professions Code Section 101.6, the purpose of Boards, Bureaus, and Commissions is to “…establish minimum qualifications and levels of competency and license persons desiring to engage in the occupations they regulate upon determining that such persons possess the requisite skills and qualifications necessary to provide safe and effective services to the public, or register or otherwise certify persons in order to identify practitioners and ensure performance according to set and accepted professional standards.”

ESTABLISHING THE PASSING SCORE

The passing score for each CRVT examination is established by a panel of practicing veterinarians and Registered Veterinary Technicians (RVTs), acting as subject matter experts, who are trained by an OPES test development and validation specialist in the use of a criterion-referenced standard-setting procedure. These subject matter experts (SMEs) judge each exam item and assign a rating based on the probability that an entry-level RVT would answer the item correctly. These ratings are then averaged across SMEs and items, and the resulting mean is the passing score for the examination. The passing score thus reflects a fixed criterion for admission to practice; namely, minimally acceptable competence to practice safely as an RVT. Since the exam content changes, the passing score itself is not fixed from one administration to the next. The passing score will fluctuate moderately based on the difficulty of each item within the current form of the examination.

EXAMINATION ADMINISTRATION BY PSI

The State has contracted with PSI licensure:certification (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers in California.

Log onto PSI’s website and select Sign in / Create Account. Select Create Account. You are now ready to pay and schedule for the exam. Enter your zip code and a list of the testing sites closest to you will appear. Once you select the desired test site, available dates will appear.
TELEPHONE SCHEDULING

Call PSI at (877) 392-6422, Monday through Friday between 4:30 am and 7:00 pm, and Saturday-Sunday between 6:00 am and 2:30 pm, Pacific Time, to schedule your appointment for the test. For TTY, call (800) 735-2929. TDD service is available at (800) 735-2929.

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee if your cancellation notice is received two (2) days prior to the scheduled examination date. For example, for a 9:00 a.m. Monday appointment, the cancellation notice would need to be received before 9:00 a.m. on the previous Saturday. You may call PSI at (877) 392-6422.

Note: A voicemail or email message is not an acceptable form of cancellation. Please use the PSI Website or call PSI and speak directly to a Customer Service Representative.

MISSING APPOINTMENT OR LATE CANCELLATION

If you miss your appointment, you will not be able to take the examination as scheduled. You will forfeit your examination fee, if:

- You do not cancel your appointment 2 days before the scheduled examination date;

- You do not present proper identification when you arrive for the examination.

RE-EXAMINATION

Examinees who fail are eligible to re-take this examination once every six months but not before a new form of the examination is available. This test form changes on January 1st and July 1st. A Re-examination application is available at PSI examination sites or you may obtain one by writing to the VMB. Candidates must complete the application and submit it to the VMB with the required examination fee. A new Candidate Information Bulletin and a notice of eligibility will be sent when these criteria for re-examination have been met. Upon receiving the new bulletin and notice of eligibility, you may schedule with PSI, for your re-examination.

EXAMINATION ELIGIBILITY EXPIRATION

EXAMINEES: Examination eligibility expires if the applicant fails to sit for the CRVT examination within six months after being notified of eligibility or if an applicant fails the examination.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

SOCIAL SECURITY NUMBER CONFIDENTIALITY

PSI will use your social security number only as an identification number in maintaining your records and reporting your examination results to the state. A Federal law requires state agencies to collect and record the social security numbers of all licensees/registrants of the professions licensed/registered by the state.

SPECIAL ACCOMMODATIONS AVAILABLE

AMERICANS WITH DISABILITIES ACT (ADA)

Examinees with a physical or mental impairment that limits a major life activity may be eligible for accommodation in the testing process that will provide the examinee with an equal opportunity to demonstrate possession of the knowledge required for the job. “Major life activities” include walking, seeing, hearing, speaking, breathing, learning, working, caring for one’s self and performing manual tasks. PSI is fully compliant with ADA guidelines and will provide reasonable accommodations. Scheduling services are also available via the Telecommunications Device for the Deaf (TDD) by calling 800.735.2929.

ACCOMMODATION PROCEDURE

Examinees requiring special testing arrangements due to a physical or mental impairment must submit a request to the VMB for such arrangements. This request must be on a special form provided by the VMB and include supporting documentation from a physician or other qualified professional as specified on the VMB request form. PSI will provide auxiliary aids and services as approved by the VMB except where it may fundamentally alter the examination or results.

REPORTING TO THE EXAMINATION SITE

On the day of the examination, you must arrive at least 30 minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee. Even though candidates will be thumb printed, you are still required to comply with any identification requirements established by the appropriate regulatory entity.

REQUIRED IDENTIFICATION AT EXAMINATION SITE

You must provide one of the following valid forms of government-issued PHOTO identification before you can test:
- Non-expired government issued driver's license
- Non-expired government-issued identification card (state, military)
- Non-expired passport
- Non-expired U.S. government-issued passport card
- Current student identification card

The name on the identification must be the same as the name used to register for the examination (including designations such as “Jr.” or “III”, etc.

Failure to provide appropriate identification at the time of the examination is considered a missed appointment, and you will not be able to take the examination.

If you cannot provide the identification listed above, you must contact the VMB before scheduling your appointment with the testing vendor.

**CRVT SECURITY REQUIREMENTS**

The VMB and OPES are committed to maintaining the security and the confidentiality of all examination materials during every phase of development, implementation, and storage. If an examinee is found in violation of any security procedure, the following actions may be taken: the examinee’s results may be delayed; the examinee’s examination materials may be voided; and/or the examinee’s application for future examinations may be denied. The VMB strictly enforces examination security and will prosecute any individual who has been determined to be in violation of statutes pertaining to security.

Examinees are neither permitted to discuss the content of the examination nor to remove examination materials from the testing sites at any time. All examination materials are confidential.

An examinee taking the CRVT examination is required to follow the provisions of Business and Professions Code Sections 123, 496, and 584 and is NOT allowed to do any of the following:

- Have an impersonator take the examination on one's behalf;
- Impersonate another to take the examination on that person's behalf;
- Communicate examination content with another examinee or with any person other than the examination staff;
- Reproduce or make notes of examination materials and/or content and reveal them to others who are preparing to take the CRVT examination, or to those who are preparing other examinees to take such an examination; and
- Obstruct the administration of the examination in any way.
- Use any reference materials. Candidates found with reference/study materials or other aids will not be allowed to continue the exam and their answers will not be scored.
- Telephones cannot be accessed during optional breaks.

### IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in. The thumbprint must be matched after candidates return from a restroom break and any time the candidate leaves and returns to the test site after check-in.

2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets or hoods. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination. If the layered item is removed during the examination, you will be required to store it in the lobby while time continues to count down on your examination. Outerwear (coats, heavy jackets, vests, shawls, scarves, etc.) is not allowed in the testing rooms.

3. There are timing mechanisms available in the testing room and on the computer console to help candidates keep track of time during the test administration. Candidates are not permitted to bring watches or other timekeeping devices into the testing rooms.

4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when leaving and returning to the testing room. If a candidate’s restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence. The regulatory entity will investigate and take appropriate action.

medication is subject to examination by a proctor upon check-in.

Examination proctors will have considerable discretion to refuse permission of clothing and/or items that compromise the integrity or security of the examination.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates must return these items to their vehicle or other place of safekeeping. Neither PSI nor the Department of Consumer Affairs will be responsible for the items. Any candidate possessing prohibited items in the testing room will have his or her examination results invalidated, and PSI will notify the appropriate regulatory entity of the occurrence.

6. Shoes must be worn at all times and feet are not permitted on the chairs. Feet must remain on the floor during examinations.

7. Copying any portion of the examination content by any means, or communicating examination content for the purpose of aiding its unauthorized reproduction, whether before, during, or after the examination, is a violation of PSI security policy and existing law. Either one may result in the disqualification or invalidation of examination results, the denial of your license, and may result in criminal prosecution.

8. If a candidate is asked by a proctor to step into the lobby during your examination, the proctor will suspend the candidate’s examination, so all remaining test time will be retained.

Only candidates, and those individuals with prior regulatory entity approval, are allowed to be present in the testing sites.

If candidates require that an exception be made to ANY of the abovementioned security procedures, candidates must contact their regulatory entity PRIOR to the date of their examination. The regulatory entity must provide the exception to PSI. NO EXCEPTIONS WILL BE MADE ON THE DAY OF THE EXAMINATION.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

The “function bar” at the top of the sample question provides mouse-click access to the features available while taking the examination.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

CANDIDATE EXPERIENCE FEEDBACK

The VMB welcomes constructive feedback from examinees regarding their examination experience. Feedback and complaints must be submitted in writing within 30 days after the examination to: Veterinary Medical Board, 1747 N. Market Blvd., Suite 230, Sacramento, CA, 95834. All correspondence should include the examinee’s name, address, daytime telephone number, name of examination and date taken, examination site, and Veterinary Medical Board ID number.

If you experience any disruption or problem during your examination, it is your responsibility to notify a proctor immediately so that the situation may be resolved, if possible. If a disruption or problem occurred which you believe impacted the outcome of your examination, you must document your concerns on the exit survey at the end of your examination and submit your concerns in writing to the VMB. Include your name, Social Security number, VMB ID number, and date and location of examination. Describe your concerns and the relevant facts.

The VMB will respond to written concerns within 30 days of receiving them. During these 30 days, your concern will be thoroughly investigated.

EXAMINATION REVIEW

The VMB/DCA will be continually evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. The VMB welcomes your comments and feedback, particularly in reference to test items. If you wish to comment on a specific test question during the examination,
click on the “Comments” button on the function bar and type in your comments. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed by the VMB.

**POST EXAM SURVEY**

The post exam survey contains questions regarding the service received when scheduling your exam and your testing experience. The VMB reviews all survey responses and any additional comments that are indicated on this survey.

**EXAMINATION QUESTIONS**

The CRVT Examination is comprised of 50 scored multiple-choice items and up to 15 pretest items. Pre-testing items allow performance data to be gathered and evaluated before the items are scored on an examination. These pre-test (“experimental”) items will be distributed throughout the examination and WILL NOT be counted for or against the examination score. Pretest items WILL NOT be identified to the candidates.

Candidates will have 80 minutes to complete the examination.

**EXAMINATION RESULTS**

At the end of your examination, you will receive a printed score report. Scores are provided whether you pass or fail. Your test results are confidential and are released only to you and your state licensing agency. To protect your privacy and to maintain the confidentiality of examination results, score information is not given over the telephone.

A score report indicates the examinee’s overall raw score, and the number of correct answers necessary to pass the examination.

**AFTER PASSING THE EXAMINATION**

Similarly, if you change your name, you must notify the VMB in writing. The former name and new name should be accompanied by your registration number (or application identification number) and a copy of the legal document initiating change. Once you are registered, it is your responsibility to maintain a current address with the VMB. Address changes must be reported in writing within 30 days, or there is a $15 penalty.

**LICENSING INFORMATION**

If you pass the VMB examination, you will receive a Request for Initial Registration Form with your passing score report.

Please note that your certificate for registration CANNOT be processed until your file contains the required fingerprint clearances from the Department of Justice and the Federal Bureau of Investigation. Your file must also contain a copy of your diploma or official transcript showing degree conferred (unless you applied under the Alternate Route). Your application and fee for registration can be rejected and returned if the file is incomplete.

A candidate who succeeds on the examination and meets all other requirements should submit the initial fee with the application for registration to the VMB:

Veterinary Medical Board  
1747 N. Market Blvd., Suite 230  
Sacramento, CA 95834

The normal processing time for initial registration is 10 to 14 business days. Once payment is received, certificates are mailed within 2-4 weeks.

**CHANGE OF ADDRESS OR NAME**

As a registrant (or applicant or candidate), you must notify the VMB in writing of any address change. Be sure you include your name, old and new addresses, date of birth, and application identification or license number.
