PURPOSE

This Candidate Information Bulletin is designed to provide all applicants who qualify to take the California Psychology Supplemental Examination (CPSE) with general information regarding the CPSE process.

EXAMINATION DEVELOPMENT

The CPSE is developed and maintained by the Office of Professional Examination Services (OPES), a division of the California Department of Consumer Affairs. The OPES staff consists of test validation and development specialists who are trained to develop and analyze occupational licensing examinations.

Individual examination items are developed in Item Writers' Workshops in a multiple-choice question format. Each item is carefully researched and validated with published references to ensure accuracy and consistency with entry-level psychology practice.

ESTABLISHING THE PASSING STANDARDS

A licensing examination determines whether an examinee is competent to practice, not whether the examinee performs better or worse than others who take the test.

In accordance with Business and Professions Code Section 101.6, the purpose of Boards, Bureaus and Commissions is to "...establish minimum qualifications and levels of competency and license persons desiring to engage in the occupations they regulate upon determining that such persons possess the requisite skills and qualifications necessary to provide safe and effective services to the public, or register or otherwise certify persons in order to identify practitioners and ensure performance according to set and accepted professional standards."

EXAMINATIONS BY PSI LICENSURE: CERTIFICATION

The State has contracted with PSI licensure:certification (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers nationwide.

All questions and requests for information about examinations should be directed to PSI.

RE-EXAMINATION

Examinees who fail are eligible to re-take this examination six months after failing, but not before a new form of the examination is available. To be rescheduled, examinees must submit the \$129 examination fee to the Board of Psychology. A new Candidate Information Bulletin and a notice of eligibility will be sent when these criteria for re-examination have been met.

CANDIDATES MUST PARTICIPATE IN THE EXAMINATION WITHIN ONE YEAR OF FAILING A PREVIOUS EXAMINATION.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

SPECIAL ACCOMMODATIONS AVAILABLE

Examinees with a physical or mental impairment that substantially limits a major life activity may be eligible for accommodation in the testing process to assure that the test accurately reflects skills, knowledge or abilities. "Major life activities" include walking, seeing, hearing, speaking, breathing, learning, working, caring for one's self and performing manual tasks. PSI is fully compliant with ADA guidelines and will provide reasonable accommodations.

Scheduling services are also available via our Telecommunications Device for the Deaf (TDD) by calling 800.735.2929.

ACCOMMODATION PROCEDURE

Examinees requiring special testing arrangements due to a physical or mental impairment must submit a request to the Board of Psychology for such arrangements. This request must be on a special form provided by the Board of Psychology and include supporting documentation from a physician or other qualified professional as specified on the Board of Psychology request form. PSI will provide auxiliary aids and services as approved by the Board of Psychology except where it may fundamentally alter the examination or results.

ENGLISH AS A SECOND LANGUAGE (ESL)

If you immigrated to the United States less than 10 years prior to the date you will be taking the examination and English is not your primary language, you may qualify for additional time for your test. To qualify for additional time, you should provide the Board of Psychology with:

- a personal letter stating that English is not your primary language and that you immigrated to the United States less than 10 years prior to the date of examination; AND
- proof of your first immigration date. Such proof will consist of copies of your immigration papers.

If documentation is approved by the Board of Psychology, the time limit on your examination may be extended by time and one half. You will be notified by mail of this approval, and should not schedule your examination until you have received your approval letter.

IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in and re-entry into the testing room after an approved absence. If a candidate passes the examination, the thumbprint record will be destroyed. If a candidate abandons his or her application for licensure, as determined by the appropriate regulatory authority, the thumbprint will also be destroyed. If a candidate is unsuccessful, the thumbprint record will be retained by PSI to ensure proper identification on any subsequent examination attempts. If the thumbprint doesn't match upon exit and re-entry, the candidate shall be disqualified from the examination, his or her test results invalidated, and the appropriate regulatory entity will be notified of the occurrence. The taking of the thumbprint is an additional measure to enhance examination security. The Department's Office of Professional Examination Services shall ensure that the appropriate safeguards for the storage and destruction of the thumbprint records are in place.
2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination.
3. There are timing mechanisms available at the test site and on the computer console to help candidates keep track of time during the test administration. Watches or other

timekeeping devices are not permitted in the examination rooms.

4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when you leave the room and when you return. If a candidate's restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence, which will take appropriate action.
5. The following items are not permitted in the examination rooms:
 - All personal electronic devices except those that are a medical necessity.
 - Cellular telephones, personal digital assistants (PDAs), recording devices, cameras, pagers, purses, notebooks, notebook computers, reference or readings material, music players, radios, electronic games, calculators, or briefcases.
 - Personal items including watches, backpacks, wallets, pens, pencils, or other writing devices, food, drinks (unless prior approval is obtained by your regulatory entity) and good-luck items.
 - Hats, baseball caps, or visors (with the exception of religious apparel), coats, shawls, hooded clothing, heavy jackets or overcoats.During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates shall return these items to their vehicle or other place of safekeeping. Neither PSI, nor the Department of Consumer Affairs, shall be responsible for the items. Any candidate possessing the prohibited items in the examination room shall have his or her test results invalidated, and PSI shall notify the appropriate regulatory entity of the occurrence.
6. Copying or communicating examination content is a violation of PSI security policy and existing law. Either one shall result in the disqualification or invalidation of examination results, the denial of your license, and may subject the candidate to criminal prosecution.
7. If you are asked by a proctor to step into the lobby during your examination, the proctor will suspend your examination and you will not lose any remaining test time.

UNDERSTANDING THE RESULTS

At the end of your exam, you will receive a printed score report. Raw score will be provided only to candidate who fail the exam. Your test results are confidential and are released only to you and your state licensing agency. To protect your privacy and to maintain the confidentiality of exam results, score information is not given over the telephone.

A score report indicates the examinee's overall raw score, and the number of correct answers necessary to pass the examination.

You may request a duplicate score report from PSI.

ABANDONMENT OF APPLICATION

Title 16, California Code of Regulations Section 1381.4 states "Any applicant approved to take or retake a board licensing examination who fails to appear for such examination in any twelve month period shall have his or her application withdrawn. An applicant who subsequently decides to take the examination shall be required to file a new application and pay the current application and examination fees."

LICENSING INFORMATION

If you pass the CPSE, you will receive a Request for Initial Licensure Form with your passing letter.

California law requires the completion of coursework in human sexuality as well as child abuse assessment and

reporting as prerequisites for licensure. You may also be required to complete coursework in alcoholism/chemical dependency detection and treatment, spousal or partner abuse detection and treatment and/or aging and long term-care, depending on when you began graduate training. If you have not yet completed these requirements, documentation of compliance must be included with your check and request for initial licensure to the Board.

LICENSING FEE

You are not a licensed psychologist until you pay your initial license fee **and your license number has been issued by the Board**. To obtain your license, complete the Request for Initial License form and return it with a check of \$400.00 for the initial license fee made payable to:

Board of Psychology
1625 North Market Boulevard, Suite N-215
Sacramento, CA 95834

Your license number will be available approximately four weeks after your form is received. Please indicate if there has been any change in your address. It is vital that you keep the Board of Psychology informed of your current address. The California Code of Regulations Section 1380.5 requires that you notify the Board immediately of any change of address. In considering the address you list on the form, be aware that it will be your address of record and that it will be available to the public by phone, in writing and through the Board of Psychology's Website. For obvious reasons, the Board strongly recommends that you do not use your residence address as your address of record.

The license that you receive will specify an expiration date 12 to 24 months after initial licensure. There is no proration of the initial license fee. You are required to pay the full amount of the initial license fee even if your license will be up for renewal in fewer than 24 months. Your license will

expire on the last day of the month in which you were born. Following your initial renewal, your license will expire every two years on the last day of your birth month. As a courtesy, the Board will send a renewal notice to your address of record prior to the expiration date of your license. However, it is your responsibility to renew your license whether or not you receive the renewal notice.

FIELDS OF COMPETENCE

In psychology, there are many fields of competence. As a newly licensed psychologist, we would like you to be aware of Section 2960(p) of the Business and Professions Code which authorizes disciplinary action against a psychologist who functions outside of his or her particular field or fields of competence as established by his or her education, training and experience.

CONTINUING EDUCATION REQUIREMENTS

Section 2915 of the Business and Professions Code requires each licensed psychologist to complete 36 hours of approved continuing education (CE) in every two-year renewal cycle. The number of hours of CE required for your first renewal will be prorated for the actual number of months or partial months your license was in effect based upon 1.5 hours per month. The Board cannot renew a license unless the CE requirements have been met. You can find more detailed information about CE at the Board's Website (www.psychology.ca.gov). You can also call the MCEP Accrediting Agency at (916) 574-7720 or visit their Website at www.cpapsych.org
