## OKLAHOMA REAL ESTATE COMMISSION

### REAL ESTATE LICENSURE APPLICANT INFORMATION BULLETIN

#### NOTICE

Applicants are advised that in Oklahoma real estate licensees do not practice under the “common law of agency”, but rather, practice under broker relationships that are defined within the Oklahoma Real Estate License Code and Rules. The common law of agency is practiced in most all other licensing jurisdictions; therefore, since Oklahoma is utilizing a national examination vendor the national portion of the examination will contain questions regarding the common law of agency. Prospective licensees need to be aware of the common law of agency concepts as they may deal with nonresident licensees and/or consumers.

In Oklahoma, the common law of agency is still practiced between the real estate broker and the broker’s associates; however, there is no agency relationship that can exist between the broker/associate and the consumer. Applicants can locate references to the common law principles of agency in real estate text books that can be obtained from any local library.

## EXAMINATIONS BY PSI SERVICES LLC

This Applicant Information Bulletin provides you with information about the examination and application process for obtaining a real estate license in the State of Oklahoma.

Oklahoma state laws stipulate that a person may not act as a real estate salesperson or broker without first obtaining a license issued by the Oklahoma Real Estate Commission.

To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes, and regulations relating to real estate.

The Oklahoma Real Estate Commission is contracted with PSI Services LLC (PSI) to conduct the examination testing. PSI provides examinations through a network of computer examination centers in Oklahoma and across the nation. PSI works closely with the State to be certain that examinations meet local and national requirements in basic principles and examination development standards.

The following are the Oklahoma real estate licensing examinations offered by PSI:

- Salesperson
- Salesperson Instructor
- Salesperson State-Only
- Broker
- Broker Instructor
- Broker State-Only

## HOW TO OBTAIN A LICENSE

### TYPES OF LICENSE AND REQUIREMENTS

**Provisional Sales Associate** A provisional sales associate (PSA) is an **entry level licensee**, which is under the supervision of a real estate broker. A PSA cannot enter into contractual agreements with a customer or client in his or her own name; therefore, all agreements must be for and in the name of their sponsoring broker. In order to apply for a PSA license, a person must be of good moral character, eighteen (18) years of age or older, and submit evidence to the Commission of successful completion of ninety (90) clock hours of basic real estate instruction, or its equivalent, that is approved by the Commission.

Upon passing the state examination and obtaining a PSA license from the Commission, the PSA has a Part II post-license education requirement of forty-five (45) clock hours that must be completed within the first year of obtaining a license. The Commission has identified core subject matter that qualifies to meet this requirement. The Commission may approve other subject matter totaling forty-five (45) clock hours or more, but the licensee is responsible to seek approval of such course and it must be real estate related. Once a PSA has completed Part II of the course requirement and has provided the Commission with evidence of such completion, at the end of their one-year license term their license will be issued as a sales associate (SA) license (upon submission of the appropriate license renewal form and fees.)

**Sales:** A sales associate (SA) license is the same as a provisional sales associate (PSA) license except: 1) the sales associate no longer has a forty-five (45) clock hour Part II post-license education requirement, but rather has a twenty-one (21) clock hour continuing education requirement each active license term; and 2) the sales associate license is a thirty six month renewable license, as opposed to the provisional sales license which is only a 12 month license.

If you are seeking a SA type of license and you are currently holding an active license in another state please contact the Oklahoma Real Estate Commission at 405-521-3387 for specific instructions.

Upon passing the state examination a sales associate must work under the sponsorship of a real estate broker. A sales associate cannot enter into contractual agreements with a customer or client in his or her own name but must enter into such agreement for and in the name of their sponsoring broker.

**Broker:** A broker license allows a person to do business as a firm and sponsor licensed associates (provisional sales associates, sales associates or broker associates.) The broker will be responsible for activities of their associates. In order for an applicant to apply for a broker license, the applicant must be of good moral character, possess two (2) years of active experience, or its equivalent, as a PSA or SA within the last five (5) years, and submit evidence of successful completion of ninety (90) clock hours of advanced real estate instruction in a course that is approved by the Commission and pass the Broker's examination.

A broker applicant may request the two years' experience to be waived by submitting the Equivalent Point Application, along with all required supporting documents; however, no education course content may be waived. The broker applicant must show proof of successful completion in the basic, provisional post-license (or its equivalent) and advanced course of study prior to qualifying for the broker examination. Upon passing the state examination, a broker has the option of applying for a license as a broker associate, proprietor broker, branch office broker, managing broker for a corporation or association, or as a broker partner of a partnership. For additional information refer to the **Broker Licensing Options**.

**Reinstatement:** If you have a lapsed license for less than three years and you are seeking reinstatement of a previously held Oklahoma License, please contact the Oklahoma Real Estate Commission for specific instructions.

Anyone whose license has been lapsed for more than three years will be treated as an original applicant.

### APPLICATION AND EXAMINATION

An applicant cannot take the examination until they provide proof of successful completion of a Commission approved pre-license course, which must have been completed within the previous 36 months of application approval, and the Commission has received the fully completed application. An application form can be obtained from the Commission website or from the entity where the applicant completed the schooling. Further, a broker applicant must meet the 2 years experience requirement within the required time period or qualify through the **Experience Equivalent Point System**.

The only exception to this rule may apply to a nonresident or previously licensed applicant.

The Commission will process your examination application for eligibility and PSI will be notified by the Oklahoma Real Estate Commission, (OREC) of an applicant's approval to test upon receipt at OREC of the following:

In order to become eligible to sit for the Oklahoma real estate examination, all applicants must complete the following:

- Submit an application for licensure through the Oklahoma Real Estate Commission (all applications should be submitted through the Commission website [here](#))
- Provide adequate proof of citizenship or qualified alien status
- Complete relevant prerequisite courses as determined by the Commission
- Complete a background check through [IdentoGO](#)

If an applicant has ever held a real estate license in another state or jurisdiction they must also include a complete license history from that state(s) or jurisdiction. A license history that was completed over 60 days ago will not be accepted.

If any part of the application is incomplete, the application cannot be approved and notice cannot be sent to the examination vendor.

Upon approval by the Commission, you will receive an eligibility notice with instructions for registering and scheduling the examination. When you arrive at the test site you must provide 1 form of identification. It must be a VALID form of a state issued identification (driver's license or state ID), which bears your signature and has your photograph.

A license will not be issued until all required documents are received and the application has final approval from the Oklahoma Real Estate Commission. Any and all fees paid are non-refundable, regardless of final approval.

The last page of the provisional sales or sales associate application allows the applicant to sign up with a broker prior to taking the examination; however it is not a requirement to have this part of the form completed prior to taking the examination; nevertheless, if said last page is complete an applicant can proceed to have their license issued once they pass the examination and receive final approval. An applicant has the option of placing their license on an inactive status in the event they have not yet selected a broker. Inactive status is only necessary if the applicant has not yet chosen a broker within the examination grade validity period.

## TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Only consider the actual information given in the question, do not read into the question by considering any possibilities or exceptions.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Applicant Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues, this will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

## EXAMINATION STUDY MATERIALS

The following is a list of possible study materials for the real estate examinations. Answers to examination questions are based on information found in one or more of the references listed below. The list is given to identify resources and does not constitute an endorsement by PSI or by the Oklahoma Real Estate Commission. Use the latest edition available.

**LICENSURE INFORMATION**

**OBTAINING A LICENSE UPON PASSING THE EXAMINATION**

**Provisional Sales/Sales/Broker** - Upon successful completion of the examination and the application receiving final approval the applicant will be required to have a broker sign a form verifying sponsorship or the applicant may place their license on an inactive status. If the applicant selected a broker and the broker has already completed the reverse side of the application the applicant will be required to pay the license and education and recovery fund fee. If the reverse side of the application is not completed by a broker, the applicant will need to contact OREC'S records department to determine how the applicant wants to proceed. A license can proceed to be licensed as an active Provisional Sales Associate or Sales Associate, Broker or on inactive status. If the applicant chooses to have the license issued on Inactive Status, an inactive pocket card will be sent to the mailing address provided by the applicant.

**Active or Inactive Status** - A license fee is required whether the applicant places their license on an active or inactive status.

**Receipt of License** - No person shall begin operations in the real estate business or **complete post licensing education** without first having actually been issued their numbered license certificate.

All active licenses are mailed to the business address of the sponsoring broker.

**RESIDENT VERSUS NONRESIDENT LICENSE**

A resident licensee is a person who is licensed in Oklahoma and operates from a place of business in Oklahoma.

A nonresident licensee is a person who is licensed to practice in Oklahoma, but does not maintain a place of business in Oklahoma, but they periodically come into Oklahoma to operate and perform real estate activities. The Commission has entered into numerous nonresident agreements with other jurisdictions, but all nonresident applicants are required to pass the Oklahoma state portion of the examination. All applicants will need to contact our Education Department for exact requirements since all states differ in some aspect or another.

The general rule is that if a nonresident active licensee possess: 1) a minimum of two (2) years active experience out

of the previous five (5) years as a sales associate or broker respectively, 2) provides a certificate of license history verifying such and indicating that the license is in good standing in their state or jurisdiction of licensure, 3) completes all appropriate forms and pays all required fees, 4) make a passing score on the examination and 5) the application has received final approval, the nonresident licensee may obtain a nonresident Oklahoma license.

#### **CO-BROKERAGE ARRANGEMENTS**

Oklahoma allows that a broker of this state may participate in a cooperative brokerage arrangement with a broker of another jurisdiction provided that each broker conduct real estate activities only in the state or jurisdiction in which they are licensed.
