Updated 8/20/2018
This Candidate Information Bulletin provides you with information about the examination and application process for obtaining an insurance producer or public adjuster license in the State of New Jersey.

The New Jersey Department of Banking and Insurance has contracted with PSI Services LLC (PSI) to conduct the examination testing. PSI provides examinations through a network of computer examination centers in New Jersey. PSI works closely with the State to be certain that examinations meet State as well as national requirements in basic principles and examination development standards.

**IMPORTANT:** Effective August 1, 2010, The New Jersey Department of Banking and Insurance (“Department”) will no longer print and mail licenses to insurance producers and public adjusters. One copy of the printed license will be available online free of charge, via State Based Systems (SBS) Connect. Information regarding free registration to this service is available on the Department’s website, dobi.nj.gov, in the “Just for Producers” area.

### THE LICENSURE PROCESS

The New Jersey Department of Banking and Insurance maintains on its website valuable information for insurance producers and licensing candidates. Included on this website is a specific section “Just for Producers,” which contains a Frequently Asked Questions section that may serve as an expedient means of responding to your questions.

Candidates who would like to transact insurance business as an insurance producer in New Jersey must pass the appropriate examination and apply for and be granted a license by the New Jersey Department of Banking and Insurance.

To be licensed as a resident insurance producer, applicants must:

1. Be a resident of New Jersey, or, if a nonresident, have his or her principal place of business in New Jersey.
2. Be trustworthy, competent, financially responsible, and of good personal and business reputation.
3. Successfully complete instruction at a New Jersey-approved provider, fulfilling the minimum hours of instruction leading to a certificate of completion. Prelicensing education course completion certificates never expire. Individuals who currently hold a resident producer license in a state other than New Jersey or who have held such license actively during the preceding ninety (90) days are exempt from qualifying for a resident New Jersey insurance producer license by education and examination. Application may be made through the electronic application process. Information on the electronic application process is available at dobi.nj.gov.
4. Pass the insurance licensing examination(s) administered by PSI.
5. The Department of Banking and Insurance will waive the prelicensing education requirement for qualifying individuals holding an approved insurance designation. Waiver information and a listing of approved insurance designations may be viewed on the Department’s website at dobi.nj.gov.
6. Individuals maintaining an approved insurance designation are no longer exempt from passing the examination corresponding to their desired license authority.
7. An individual who applies for an insurance producer license in this state who was previously licensed for the same lines of authority in another state shall not be required to complete any prelicensing education or examination. This exemption is only available if the person is currently licensed in good standing in that state; or if the application is received within 90 days of the cancellation of the applicant’s previous license and was considered to be in good standing when the license authority terminated.

**OBTAINING A TEMPORARY WORK AUTHORITY AND PERMANENT LICENSE**

Passing Personal Lines, Title, Surplus Lines, Life, Health, Property, and Casualty producer candidates will be evaluated at the test center for qualification for a temporary work authority. The evaluation will be based on the applicants’ responses to screening questions developed by the Department of Banking and Insurance.

Applicants must be extremely careful when responding to the license screening questions, because once the applicant confirms his or her answers they cannot be changed.

Qualified applicants will receive their temporary work authorities immediately following completion of their examination. To activate the temporary work authority, the applicant must follow the instructions printed on the temporary work authority certificate. The temporary work authority allows the qualifying individual to transact insurance related business for a period of 60 days from the exam date while under the supervision of a current licensed producer. To receive a permanent license, applicants must follow the instructions printed on the short form application that will be provided at the test center.

Candidates who have passed the examination, but do not qualify for a temporary work authority, will be provided with a notice explaining their failure to qualify for the temporary work authority. To apply for a permanent license, the Department recommends candidates apply electronically but may also apply using the paper application maintained on the Department website (dobi.nj.gov). A paper submission must also include the original PSI passing score report, a school certificate, and the appropriate license fees to the New Jersey Department of Banking and Insurance Licensing Division. Applicants are reminded that paper applications require more processing time.

Please note that score reports are valid for one (1) year only.
LICENCE FEE

The licence fee is $150 for two (2) years. Additional processing charges will be added depending upon whether the application is submitted electronically or using the paper application.

**IMPORTANT NOTICE FOR ALL CANDIDATES**

Due to many complaints from the buildings’ tenants, PSI (and the properties which house the PSI test centers) cannot accommodate any individuals other than the person who is being tested.
PSI understands that test candidates are often comforted by having guests accompany them to their exams. It may also be necessary for a guest to drive the candidate to the test center. However, incidents from previous guests have prompted warnings from Property Management. For this reason, PSI has adopted the following policy concerning guests.

“Person(s) accompanying a test candidate may not wait in the test center, inside the building or on the building’s property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors.”

There are facilities nearby such as shopping malls, stores or restaurants where guests may go while the candidate takes a test. Please take the time to visit those locations instead of waiting in or around the building.

Also of note, many candidates have been arriving hours before their scheduled exam time. This is not necessary. Please plan to arrive no earlier than 30 minutes before the start-time of your exam. This will provide plenty of time for check-in.

Thank you for your understanding and for your cooperation.

SECURITY PROCEDURES

The following security procedures will apply during the examination:

- Only non-programmable calculators that are silent, battery-operated, do not have paper tape printing capabilities, and do not have a keyboard containing the alphabet will be allowed in the examination site.
- Candidates may take only approved items into the examination room.
- All personal belongings of candidates should be placed in the secure storage provided at each site prior to entering the examination room. Personal belongings include, but are not limited to, the following items:

  - Bulky or loose clothing or coats that could be used to conceal recording devices or notes. For security purposes outerwear such as, but not limited to: open sweaters, cardigans, shawls, scarves, hoodies, vests, jackets and coats are not permitted in the testing room. In the event you are asked to remove the outerwear, appropriate attire, such as a shirt or blouse should be worn underneath.
  - Hats or headgear not worn for religious reasons or as religious apparel, including hats, baseball caps, or visors.
  - Other personal items, including purses, notebooks, reference or reading material, briefcases, backpacks, wallets, pens, pencils, other writing devices, food, drinks, and good luck items.

- No smoking, eating, or drinking is allowed in the examination center.
- During the check in process, all candidates will be asked if they possess any prohibited items. Candidates may also be asked to empty their pockets and turn them out for the proctor to ensure they are empty. The proctor may also ask candidates to lift up the ends of their sleeves and the bottoms of their pant legs to ensure that notes or recording devices are not being hidden there.
- Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be used to harbor a recording device. Proctors will ask to inspect any such items in candidates’ pockets.
- If prohibited items are found during check-in, candidates shall put them in the provided secure storage or return these items to their vehicle. PSI will not be responsible for the security of any personal belongings or prohibited items.
- Any candidate possessing prohibited items in the examination room shall immediately have his or her test results invalidated, and PSI shall notify the examination sponsor of the occurrence.
- Any candidate seen giving or receiving assistance on an examination, found with unauthorized materials, or who violates any security regulations will be asked to surrender all examination materials and to leave the examination center. All such instances will be reported to the examination sponsor.

- Once candidates have been seated and the examination begins, they may leave the examination room only to use the restroom, and only after obtaining permission from the proctor. Candidate will not receive extra time to complete the examination.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

TEST QUESTION SCREEN

The “function bar” at the top of the test question screen provides mouse-click access to the features available while taking the examination.
One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

PSI, in cooperation with the New Jersey Department of Banking and Insurance, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions, by clicking the Comments link on the function bar of the test question screen.

These comments will be analyzed by PSI examination development staff. PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. This is the only review of examination materials available to candidates.

PROCEDURES FOR FILING AN APPEAL

Candidates who have further questions concerning the examination content may file an appeal request with the New Jersey Department of Insurance and Banking; Application Investigations and Producer Education via email at insed@doi.state.nj.us.

SCORE REPORTING

Your score will be given to you immediately following completion of the examination. The following summary describes the score reporting process:

- **On screen** - your score will appear immediately on the computer screen. This will happen automatically at the end of the time allowed for the examination;
  - If you pass, you will immediately receive a successful notification.
  - If you do not pass, you will receive a diagnostic report indicating your strengths and weaknesses by examination type with the score report.
- **On paper** - an unofficial score report will be printed at the examination site.

DUPPLICATE SCORE REPORTS

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or call 800-733-9267.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Only consider the actual information given in the question, do not read into the question by considering any possibilities or exceptions.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

Now you can take the practice exam online at www.psiexams.com to prepare for your New Jersey Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however you will need to pay each time.

EXPERIMENTAL ITEMS

In addition to the number of examination items specified, a small number of 5 to 19 “experimental” questions may be administered to candidates during the examinations. These questions will not be scored and the time taken to answer them will not count against examination time. The administration of such non-scored experimental questions is an essential step in developing future licensing examinations.

CONTENT OUTLINES

Individual content outlines are available from PSI for each examination. Content outlines indicate the examination time limit, subject area and the number of items in each area. To obtain a content outline for your specific examination, visit www.psiexams.com or call 800-733-9267. Or contact New Jersey Department of Banking and Insurance at (609) 292-5316 Ext. 50552.

STUDY MANUALS, PROVIDERS AND PROGRAMS

The Department of Banking and Insurance authorizes independent insurance education providers to offer both classroom and self study prelicensing education courses. A listing of approved insurance education providers is maintained on the Department’s website at dobi.nj.gov. The Department does not issue study material for use in preparation for the licensing examinations. Individuals who have qualified for a waiver of the required prelicensing education course are solely responsible for their exam preparation. Neither the New Jersey Department of Banking and Insurance nor PSI take any responsibility for inaccurate, misleading, incomplete, or outdated study materials obtained from a non-approved insurance education provider. Study materials obtained from an approved insurance education provider that contain such deficiencies should be brought to the Department’s attention by contacting the New Jersey Department of Insurance and Banking: Applications Investigation and Procedure Education at insed@dobi.state.nj.us.
