- + Handheld calculators are NOT allowed in the testing room.

## TAKING THE TEST BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

**Please note:** If you are taking the online version of the ATI TEAS Exam, you will need to create a student account at [www.atitesting.com](http://www.atitesting.com) prior to test day (this will most likely be done at registration) and have your login information with you. Test takers who do not have their ATI username and password will not be able to take the exam.

## IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

## TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

## TEST QUESTION SCREEN

The "function bar" at the top of the test question screen provides mouse-click access to the features available while taking the examination.

Question: 3 of 40   Answered: 2   Unanswered: 1   Marked: 0   View: All   Time Left(Min): 359

3. What do the stars on the United States of America's flag represent?

(Choose from the following options)

1. Presidents

2. Colonies

3. States

4. Wars

<< Back   Next >>

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

**IMPORTANT:** After you have entered your responses, you will later be able to return to any question(s) within that section and change your response, provided the test time has not run out.
