North Dakota Insurance Department

Jon Godfread, Commissioner

Congratulations on your decision to pursue a career in the insurance industry!

This Insurance License Examination Candidate Information Bulletin is designed to acquaint you with the process of earning your license to sell insurance services and products in North Dakota and to assist you in preparation for licensure exams. Detailed outlines of the material you must master to pass the exams are presented in the following materials.

As you study to become an insurance producer, you can look forward to a fulfilling career with many responsibilities and rewards. Your foremost responsibility is to provide fair, efficient and knowledgeable service to North Dakota consumers. To achieve this goal, you will be responsible for complying with North Dakota's insurance laws and regulations, which require a lifelong commitment to continuing education. The professional expertise and technical knowledge that you acquire throughout your career will determine the quality of service you are able to provide your community.

Your reward will be the privilege of serving in a field that will not only provide you with an opportunity to make a comfortable living but will also allow you to contribute to the security of North Dakota families, farms and businesses. Insurance is something people use to protect their most valuable possessions – their homes, health, farms, automobiles, businesses and even their loved ones. Most North Dakotans carry some kind of insurance and they depend on it in times of need, which is why impeccable conduct and a thorough knowledge of this highly technical field are so important.

Once you have successfully completed your exams, you will be eligible to apply to the Insurance Department for your license. The Department will evaluate your application in accordance with the state's laws and regulations, and if it is determined that you meet all requirements mandated by state law, you will be issued a license.

If you have questions about the exams, please feel free to contact PSI at the address and phone number included in this bulletin. If you have questions about licensing, you may contact the Department at (701) 328-2440. Our Agent Licensing Division would be happy to assist you.

I wish you the very best of luck in your efforts and look forward to working with you in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "J Godfread".

Jon Godfread
Commissioner

EXAMINATIONS BY PSI SERVICES LLC

This Candidate Information Bulletin provides you with information about the processes for taking an examination and obtaining an insurance license in the State of North Dakota.

The North Dakota Insurance Department has contracted with PSI Services LLC (PSI) to conduct the examination program. PSI works closely with the Department to ensure examinations meet the state- and nationally- established technical and professional standards for examination development and administration. PSI provides these examinations through a network of computer examination centers in North Dakota.

UNDERSTANDING LICENSING REQUIREMENTS

For licensing information, please contact:

North Dakota Insurance Department
600 East Boulevard Ave.
Bismarck, ND 58505-0320
Phone: (701) 328-2440
Fax: (701) 328-4880
Website www.nd.gov/ndins
Email: ndlicensing@nd.gov

In accordance with North Dakota statutes and regulations, the Department grants the following types of licenses. Each license granted by the Department is valid only for the line of authority named on the license.

- A producer is an individual, partnership, limited liability partnership, corporation, limited liability company, association, or other legal entity that sells, solicits, or negotiates insurance.
- Licenses for consultants, surplus lines producers, and managing general agents are also available. Please contact the North Dakota Insurance Department for information.

Accident and Health	\$86
Property	\$86
Casualty	\$86
Personal Lines	\$86
Bail Bonds	\$87
Consumer Credit	\$87

Legal Expense	\$87

NOTE: EXAMINATION FEES ARE NOT REFUNDABLE OR TRANSFERABLE. THE EXAMINATION FEE IS VALID FOR ONE YEAR FROM THE DATE OF PAYMENT.

APPLYING FOR A LICENSE

To obtain a license, an applicant must register for and pass the appropriate examination with PSI.

If you fail any portion of the examination, you will need to retake ONLY that failed portion. A passing score is valid for one year. For a two portion examination, if you fail one portion,

you must pass that portion within one year of passing the first, passed portion. You may retest an unlimited number of times. To apply for a North Dakota resident insurance producer license, complete the NAIC Uniform Application form electronically at www.nipr.com. The fee is \$100.

If a new line of insurance is being added to an existing license, complete the NAIC Uniform Application form electronically at www.nipr.com. There is no fee to add a line of authority to an active license. An insurance producer adding a new line of authority may first transact business in the new line on the date the Department issues the license for that line.

RESIDENT LICENSE REQUIREMENTS

In order to qualify as a North Dakota resident insurance producer, the following basic requirements must be satisfied:

- Be a resident or maintain a principal place of business in the state;
- Meet the minimum age requirement of 18 years of age;
- Be trustworthy, competent, financially responsible, and of good personal and business reputation;
- Pass the examination(s) for each line of insurance you are applying;
- Pay all applicable fees;
- At the date of application, have had no insurance license revoked or suspended that was issued to you in any state, province, district, or territory; and
- Criminal history record check.

A successfully completed examination is valid for as long as a valid insurance producer's license issued by the North Dakota Insurance Department is continuously held and for 12 months following cancellation, unless the license is suspended or revoked. An examination then ceases to be valid unless the order of suspension or revocation specifies otherwise.

NEW RESIDENT LICENSE REQUIREMENTS

New residents who held a resident license in their previous resident state in the last 90 days are exempt from examination requirements for the lines held on that license. New residents must submit an application for a North Dakota resident license. An applicant for a North Dakota resident license cannot hold an active resident license in another state. The new resident can submit the application electronically. If the new resident holds an active non-resident license in North Dakota, a paper application should be submitted and no fee is required.

FINGERPRINT REQUIREMENTS

ALL resident applicants must provide a set of fingerprints to the North Dakota Insurance Department for the purpose of conducting a state and national fingerprint-based criminal history records check.

PSI's North Dakota test centers provide LiveScan fingerprinting services. Rather than rolling your fingers in ink and pressing them onto a fingerprint card, PSI collects your fingerprints digitally using an optical scanner. You may be fingerprinted at one of PSI test centers, during regular testing hours, on the day of your examination. Upon completion of the fingerprinting, PSI will mail the signed consent form, fingerprint card, and BCI payment (\$41.25) directly to the North Dakota Insurance Department.

You must provide two separate payments for the fingerprints:

- BCI processing fee of **\$41.25**. This **MUST** be paid with a company check, personal check, money order or cashier's check made payable to The North Dakota Attorney General. **Credit cards will not be accepted.** PSI will mail the check to the North Dakota Insurance Department along with your fingerprint cards.
- PSI processing fee of **\$28.00**. This processing fee may be made payable by credit card (VISA, MasterCard, American Express or Discover), money order, cashier's check, or company check. Make money order or check payable to PSI. Cash and personal checks are **NOT** accepted.

If you have an existing, valid North Dakota Insurance License and are testing for another Class of Insurance, fingerprints are not required.

EXAMINATION REVIEW

PSI, in cooperation with the North Dakota Insurance Department, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered by clicking the Comments link on the function bar of the test question screen.

Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. Although PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the department may re-evaluate candidates’ results and adjust them accordingly. **This is the only review of the examination available to candidates.**

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semi-private testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

TEST QUESTION SCREEN

The “Function Bar” at the top of the test question provides mouse-click access to the features available while taking the examination.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

- On screen** - Your score will appear on the computer screen, either when you complete all the exam questions or automatically at the end of the time allowed for the examination.
 - If you **pass**, you will immediately be notified that you passed the examination, and you will be provided information about how you performed on each area of the exam. Total score of 70% is required to pass.
 - If you **do not pass**, you will be notified that you failed the examination, and you will be provided information about how you performed on each area of the exam.
- On paper** - Make sure to obtain your printed score report from test center staff before you leave the test center.

DUPLICATE SCORE REPORTS

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or by calling (800) 733-9267.

EXPERIMENTAL QUESTIONS

In addition to the number of examination questions specified, a small number of “pretest” questions may be administered during the examinations. These questions will NOT be scored and time to answer them has been added to the time allowed. The administration of such non-scored experimental questions is an essential step in developing future licensing examinations.

TIPS FOR PREPARING FOR YOUR EXAM

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your learning will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

You can take a practice exam online at www.psiexams.com to prepare for your North Dakota Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam. Practice exams ARE NOT a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.
