SCHEDULING INFORMATION

Date Scheduled: _____

Name of Scheduler: _____

Date of Exam: _____

Time of Exam: _____

Test Site Location: _____

PURPOSE

To ensure entry-level competence, the Structural Pest Control Board requires an examination to assess the candidate's ability to apply knowledge of inspection, identification, pesticide equipment, pesticide mixing and formulation, and pesticide application procedures to the practice of pest control.

Candidates should also be familiar with the Department of Pesticide Regulations Safety Information Series that covers worker safety; storage, moving and disposal of pesticides; and safety rules for handling pesticides.

EXAMINATIONS BY PSI

The Board has contracted with PSI to conduct its examination program. PSI provides examinations through a network of computer examination centers in California and twenty-two additional nationwide sites.

All questions regarding the scheduling and administration of examinations should be directed to PSI.

EXAMINATION SCHEDULING PROCEDURES

Once you have been approved for examination by the Board, you are responsible for contacting PSI to schedule an appointment to take the examination. You may schedule the examination via the Internet at www.psiexams.com, or by telephone at (877) 392-6422.

- **FIRST TIME EXAMINEES:** Examination eligibility expires, and an application is deemed abandoned, if the applicant fails to sit for examination within six months.
- **RE-EXAMINATION APPLICANTS:** Examination eligibility expires and an applicant becomes ineligible to sit for examination when an applicant fails any written examination and does not retake the examination within six months from the date of that failure.

The PSI examination centers are open for testing during normal working hours of 8:00 AM to 5:00 PM Monday through Friday, and operating hours on Saturday, except for the following major holidays:

Independence Day	Closed July 4, 2018
Labor Day	Closed September 3, 2018
Thanksgiving	Closed November 22-23, 2018
Christmas	Closed December 24-25, 2018
New Years Day	Closed January 1, 2019
Martin Luther King Jr.	Closed January 21, 2019
Memorial Day	Closed May 27, 2019
Independence Day	Closed July 4, 2019

INTERNET SCHEDULING

You may schedule your examination by completing the online Test Registration Form. The Test Registration Form is available at PSI's website, www.psiexams.com. You may schedule for an examination via the Internet 24 hours a day.

1. Complete the registration form online and submit your information to PSI via the Internet.
2. Upon completion of the online registration form, you will be given the available dates for scheduling your examination.
3. Select a date for examination to complete your registration.
4. Upon successful registration, you will receive a traceable confirmation number.

TELEPHONE SCHEDULING

Call PSI at (877) 392-6422, Monday through Friday between 4:30 am and 7:00 pm, or Saturday-Sunday, between 8:00 am and 2:00 pm, Pacific Time, to schedule your appointment for the examination. Scheduling services are also available via our Telecommunications Device for the Deaf (TDD) by calling (800) 735-2929.

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee **if your cancellation notice is received two (2) days prior to the scheduled examination date**. For example, for a 9:00 a.m. Monday appointment, the cancellation notice would need to be received **before 9:00 a.m.** on the previous Saturday. To cancel or reschedule, call PSI at (877) 392-6422.

Note: A voicemail or email message is not an acceptable form of cancellation. You must use the PSI Website or call PSI and speak directly to a Customer Service Representative to cancel or reschedule your examination and not forfeit the fee.

MISSED APPOINTMENT OR LATE CANCELLATION

If you miss your appointment, you will not be able to take the examination as scheduled. You will forfeit your examination fee if:

- You do not cancel your appointment 2 days before the scheduled examination date;
- You do not appear for your examination appointment;
- You arrive after examination start time;
- You do not present proper identification when you arrive for the examination.

RE-EXAMINATION

Candidates who fail are eligible to re-take the examination. A Request for Re-examination form will be provided with the score report at the test center, or may be obtained by contacting the Board.

To apply for re-examination, candidates must complete the form and submit it to the Board with the correct fee.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation; however, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to reschedule your examination as soon as possible and you will not be penalized. You will be rescheduled at no additional charge.

SPECIAL ACCOMMODATIONS AVAILABLE

All examination sites are physically accessible to individuals with disabilities. Scheduling services are also available via Telecommunications Device for the Deaf (TDD) by calling (800) 735-2929.

The Board and PSI recognize their responsibilities under the Federal Americans with Disabilities Act and the California Fair Employment and Housing Act by providing testing accommodations or auxiliary aids or services for candidates who substantiate the need due to a physical or mental disability or qualified medical condition.

Accommodations will not be provided at the examination site unless prior approval by the Board has been granted. Reasonable, appropriate, and effective accommodations may be requested by submitting a "Request for Accommodation" package to the Board. This package is available by contacting the Board at (916) 561-8704.

REPORTING TO THE EXAMINATION SITE

On the day of the examination, you must arrive at least 30 minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee.

REQUIRED IDENTIFICATION AT EXAMINATION SITE

You must provide one of the following valid, non-expired, forms of government-issued identification before you may examine:

- A photographic Driver's License (any state)
- State identification card (any state)
- U.S. military identification
- Valid passport - any country (valid foreign passport with valid record of arrival/departure - Form I-94 or processed for I-551 stamped in a valid foreign passport)
- U.S. government-issued passport card.

All photographs must be recognizable as the person to whom the identification card was issued. The name on the application must match the photographic I.D. card. If you have recently changed your name with the Board, you may want to contact PSI to verify that they have the correct name on file.

If you cannot provide the required identification, you must call (877) 392-6422 at least 3 weeks prior to your scheduled appointment to arrange a way to meet this security requirement. Failure to provide all of the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination.

CALIFORNIA LAW SECURITY PROCEDURES

Section 123 of the California Business and Professions Code states: It is a misdemeanor for any person to engage in any conduct which subverts or attempts to subvert any licensing examination or the administration of an examination, including, but not limited to:

- Conduct which violates the security of the examination materials;
- Removing from the examination room any examination materials without authorization;
- The unauthorized reproduction by any means of any portion of the actual licensing examination;
- Aiding by any means the unauthorized reproduction of any portion of the licensing examination;
- Paying or using professional or paid examination-takers for the purpose of reconstructing any portion of the licensing examination;
- Obtaining examination questions or other examination material, except by specific authorization either before, during, or after an examination; or
- Selling, distributing, buying, receiving, or having unauthorized possession of any portion of a future, current, or previously administered licensing examination.
- Communicating with any other examinee during the administration of a licensing examination.
- Copying answers from another examinee or permitting one's answers to be copied by another examinee.
- Having in one's possession during the administration of the licensing examination any books, equipment, notes, written or printed materials, or data of any kind, other than the examination materials distributed, or otherwise authorized to be in one's possession during the examination.
- Impersonating any examinee or having an impersonator take the licensing examination on one's behalf.

Nothing in this section shall preclude prosecution under authority provided for in any other provision of law. In addition to any other penalties, a person found guilty of violating this section, shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars (\$10,000) and the costs of litigation.

IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in. The thumb print must be matched after candidates return from a restroom break and any time the candidate leaves and returns to the test site after check-in.
2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets or hoods. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination. If the layered item is removed during the examination, you will be required to store it in the lobby while time continues to count down on your examination. Outerwear (coats, heavy jackets, vests, shawls, scarves, etc.) is not allowed in the testing rooms.

3. There are timing mechanisms available in the testing room and on the computer console to help candidates keep track of time during the test administration. Candidates are not permitted to bring watches or other timekeeping devices into the testing rooms.
4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when leaving and returning to the testing room. If a candidate's restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence. The regulatory entity will investigate and take appropriate action.
5. The following is a non-exhaustive list of personal items that are not permitted in the testing rooms:

Purses	Briefcases/daypacks/luggage
Cellular phones	Pagers
Drinks (including water)	Food/candy/snacks/gum
Good luck items	Luggage
Calculators	Reading materials
Textbooks	Notes
Any recording device	Smart devices
Electronic devices	Headphones or earphones/earbuds
Personal pens or pencils	Therapeutic items
Cameras	Over-the-counter medication
Weapons	Fashion scarves
Hats/baseball caps/visors*	Sunglasses**
Bulky, large or noisy jewelry***	Prescription drugs****

**Headwear worn for religious purposes is subject to inspection.*

***Prescription and non-prescription eyeglasses may not be worn for the photo. Eyeglasses subject to inspection.*

****Jewelry that is allowed into the examination room is subject to inspection.*

*****Drugs that are medically necessary during the pendency of the examination may be brought into the examination site, in a container bearing a proper prescription label with the name of the candidate and of the drug; any such medication is subject to examination by a proctor upon check-in.*

Examination proctors will have considerable discretion to refuse permission of clothing and/or items that compromise the integrity or security of the examination.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates must return these items to their vehicle or other place of safekeeping. Neither PSI nor the Department of Consumer Affairs will be responsible for the items. Any candidate possessing prohibited items in the testing room will have his or her examination results invalidated, and PSI will notify the appropriate regulatory entity of the occurrence.

6. Shoes must be worn at all times and feet are not permitted on the chairs. Feet must remain on the floor during examinations.
7. Copying any portion of the examination content by any means, or communicating examination content for the purpose of aiding its unauthorized reproduction, whether before, during, or after the examination, is a violation of PSI security policy and existing law. Either one may result in the disqualification or invalidation of examination results, the denial of your license, and may result in criminal prosecution.
8. If a candidate is asked by a proctor to step into the lobby during your examination, the proctor will suspend the candidate's examination, so all remaining test time will be retained.

Only candidates, and those individuals with prior regulatory entity approval, are allowed to be present in the testing sites.

If candidates require that an exception be made to ANY of the abovementioned security procedures, candidates must contact their regulatory entity PRIOR to the date of their examination. The regulatory entity must provide the exception to PSI. NO EXCEPTIONS WILL BE MADE ON THE DAY OF THE EXAMINATION.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

TEST QUESTION SCREEN

The "function bar" at the top of the test question screen provides mouse-click access to the features available while taking the examination.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION RESULTS

At the end of your examination, you will return to the check-in location and be given a printed report of your score. Business and Professions Code §8560 states that the passing score for the examination is 70 percent. Your examination results are confidential and are released only to you and the Board. To protect your privacy and to maintain the confidentiality of examination results, score information is not given over the telephone.

FAILING SCORE REPORTS

The score report will indicate the candidate's overall score. Along with the score report, you will be given a Re-Examination form to complete and return to the Board if you wish to retake the examination.

PASSING SCORE REPORTS

Along with the score report, you will be given a Licensing Application package to complete and return to the Board. The score report is NOT a license.

ABANDONMENT OF APPLICATION/INELIGIBILITY

The Board considers an application abandoned if a candidate fails to participate in the examination process. According to California Code of Regulations §1941, an applicant who fails to appear for the examination after proper notification forfeits the examination fee unless the applicant requests and is granted a postponement not less than 5 days prior to the examination or is excused by the Board for good cause from complying with this requirement.

An applicant who receives a postponement of not more than 6 months will not be required to file a new application.

THE EXAMINATION

Structural pest control involves the control of household pests and wood-destroying pests and organisms or such other pests which may invade households or structures, including railroad cars, ships, docks, trucks, airplanes, or the contents thereof. The practice of structural pest control includes the engaging in, offering to engage in, soliciting, or the performance of the following:

- Identification of infestations or infections; the making of an inspection for the purpose of identifying or attempting to identify infestations or infections of household or other structures by such pests or organisms; and,
- Making of inspection reports; recommendations with respect to such infestation or infections, or the performance of any work including the making of

structural repairs or replacements, or the use of pesticides or allied chemicals or substances, or mechanical devices for the purpose of eliminating, exterminating, controlling or preventing infestations or infections of such pests, or organisms.

Branch 1 is classified as fumigation which is the practice relating to the control of household and wood-destroying pests or organisms by fumigation with poisonous or lethal gases. This examination will include the scope of work for Branch 1.

# of Items	Time Allowed
200	3 Hours

Examination Plan (Outline)

I. Setup 15%*
II. Fumigation (Application): 15%*
III. Aeration: 25%*
IV. Safety: 25%*
V. Administrative Duties: 20%*

*Percentages are approximate

CONTENT SPECIFICATIONS

The content specifications for the examination are based upon an occupational analysis of Branch 1 Operator practice conducted by the Department of Consumer Affairs. The occupational analysis involved interviews with practitioners, focus groups to validate the tasks and knowledge identified, a survey questionnaire, which asked licensed practitioners to rate the importance of tasks and knowledge identified in the interviews, an analysis of the ratings, and development of content specifications based on the ratings.

I. SETUP (15%*)

Job Tasks

- T1. Calculate amount of fumigant to be used.
- T2. Measure cubic footage of structure prior to fumigation.
- T3. Inspect structure to verify bagging requirements have been met.
- T4. Determine number of tarps to be used.
- T5. Determine type of fumigant to be used.
- T6. Prepare soil surface where bottom seal occurs to minimize loss of fumigant.
- T7. Identify potential obstructions on exterior of structure.
- T8. Identify potential obstructions in interior of the structure.
- T9. Place fans, hoses, pans and other items for introduction of fumigant.
- T10. Determine placement of tarps.
- T11. Identify tears and gaps of tarps to ensure proper seal.
- T12. Secure doors with secondary locking devices to prevent re-entry.
- T13. Place warning signs on structure at or near all entrances, on each side of structure, on outside surfaces of tarps and joint seams.
- T14. Notify public and/or governmental entities prior to commencement of planned fumigation.
- T15. Notify neighbors to gain access to property if required.
- T16. Verify processes have been completed to protect integrity of tarps.
- T17. Place monitoring lines to determine half loss time.
- T18. Determine condition of tarps and seal.
- T19. Determine amount and type of sealing materials.
- T20. Determine gas has been shutoff.

Associated Knowledge

- K1. Knowledge of types of locking devices securing against entry of structure.
- K2. Knowledge of methods to calculate fumigant dosages.
- K3. Knowledge of requirements for fumigant disclosure.
- K4. Knowledge of amount of warning agent to be used with fumigant.
- K5. Knowledge of tarp conditions and their limitations.
- K6. Knowledge of methods for sealing structure.
- K7. Knowledge of various methods for sealing bottom edges of tarps.
- K8. Knowledge of materials to pad corners and other sharp areas prior to application of tarps.
- K9. Knowledge of methods for measuring single-story versus multistory level buildings.
- K10. Knowledge of methods to calculate cubic volume of area to be fumigated.
- K11. Knowledge of structural conditions that may impair or prevent fumigation.
- K12. Knowledge of the environmental conditions that could effect fumigations.
- K13. Knowledge of laws and regulations requiring that a structure and/or adjoining structures be vacated, locked, or barricaded before fumigation.
- K14. Knowledge of laws and regulations for posting warning signs and fumigation notices prior to fumigation.
- K15. Knowledge of procedures to prevent property damage during fumigation.
- K16. Knowledge of methods for securing tarps around power lines.
- K17. Knowledge of factors to be considered for site selection of fumigant release sites.
- K18. Knowledge of methods to prepare structures in close proximity to structure to be fumigated.
- K19. Knowledge of pre-fumigation requirements.
- K20. Knowledge of label requirements to determine type or brand of fumigant to be used.
- K21. Knowledge of placement of monitoring lines for equipment used in determining gas loss.

II. FUMIGATION (APPLICATION) (15%*)

Job Tasks

- T21. Determine at what point during exposure period half of the fumigant is lost.
- T22. Calculate half-loss time (HLT).
- T23. Release fumigant into structure according to label instructions.
- T24. Monitor actual concentration level of fumigant (e.g., fumiscope) during exposure period.
- T25. Release fumigant at the proper flow rate to prevent fog out.
- T26. Observe scale to ensure sufficient dosage.
- T27. Release additional fumigant when blow out, leakage or inadequate seal occurs.
- T28. Release warning agent into structure prior to fumigation.
- T29. Determine amount of warning agent necessary for fumigation.

Associated Knowledge

- K22. Knowledge of various types of fumigants.
- K23. Knowledge of effects of improper release of fumigant.
- K24. Knowledge of regulations for release of fumigants into structure.
- K25. Knowledge of factors that affect half-loss time (HLT) of fumigants.
- K26. Knowledge of methods to prevent passage of fumigants through connecting structures or conduits.
- K27. Knowledge of factors that can affect rate of loss during exposure period.
- K28. Knowledge of factors to consider in selecting fans for fumigation.
- K29. Knowledge of dosages for target pests.
- K30. Knowledge of detection methods to determine location of leaks after fumigant is released.
- K31. Knowledge of procedures and equipment to monitor concentrations of fumigants.
- K32. Knowledge of methods to determine dosages for short-term fumigations.
- K33. Knowledge of methods and procedures for large-scale fumigations.
- K34. Knowledge of corrections to be applied for adding additional fumigant in cases of gas loss.
- K35. Knowledge of effects of size and configuration of structure of release sites on adequacy of fumigant circulation.
- K36. Knowledge of effects of fumigant introduction on fumigant dissipation (including nozzles and lines).
- K37. Knowledge of procedures for introducing warning agent into structure.
- K38. Knowledge of air circulation requirements needed for fumigation and disbursement of warning agent.

III. AERATION (25%*)

Job Tasks

- T30. Perform testing of fumigant's concentration level after aeration to determine clearance for re-entry.
- T31. Open downwind seam to initiate release of fumigant.
- T32. Open upwind seams to release fumigant.
- T33. Setup aeration tube to commence TRAP (Tarpaulin Removal Aeration Plan).
- T34. Aerate structure by opening doors, windows and running fans.
- T35. Remove tarps in a manner that minimizes exposure to fumigant.
- T36. Release property for occupancy by posting a Notice of Re-Entry.
- T37. Calculate aeration time.

Associated Knowledge

- K39. Knowledge of factors that affect the exchange of air in a structure.
- K40. Knowledge of factors affecting aeration time.
- K41. Knowledge of safe methods for tarp removal.
- K42. Knowledge of procedures for aeration of a fumigant from a structure.
- K43. Knowledge of proper testing procedures and/or techniques for certification.
- K44. Knowledge of phases for aeration.

IV. SAFETY (25%*)

Job Tasks

- T38. Advise owner or tenant to follow safety precautions prior to fumigation.
- T39. Comply with requirements for the use of personal protective equipment (PPE).
- T40. Maintain personal protective equipment (PPE).
- T41. Post emergency medical information on vehicle.
- T42. Verify two functioning self-contained breathing apparatuses (SCBA) are onsite.
- T43. Comply with requirements for handling and storage of fumigants.
- T44. Identify potential hazards and situations that could impact worksite safety.
- T45. Identify type and location of the construction elements, conduits, drains or vacuum systems between connected structures.
- T46. Maintain measuring devices to ensure proper calibration.
- T47. Regularly inspect vehicles for regulatory compliance.
- T48. Testing of air space in structure prior to certification.
- T49. Verify non-presence of animals or conditions conducive for animal entry.

Associated Knowledge

- K45. Knowledge of precautions that should be taken prior to fumigation.
- K46. Knowledge of requirements for safety equipment to be used in fumigations.
- K47. Knowledge of laws pertaining to worker safety standards.
- K48. Knowledge of laws pertaining to handling, storage and use of fumigants.
- K49. Knowledge of standards for respiratory protection to be used during fumigation.
- K50. Knowledge of methods for safe storage of fumigants.
- K51. Knowledge of procedures to contain fumes and spills.
- K52. Knowledge of regulations for accident response plans.
- K53. Knowledge of the components of fumigation safety kits.
- K54. Knowledge of regulations for safety of persons, animals, and property during fumigations.
- K55. Knowledge of regulations for planning emergency medical care of employees handling fumigants.
- K56. Knowledge of required fumigant levels for safe re-entry into a structure after aeration.
- K57. Knowledge of procedures for cleaning, storing and maintaining personal protective equipment (PPE).
- K58. Knowledge of special precautions for fumigating of connecting structures.

V. ADMINISTRATIVE DUTIES (20%*)

Job Tasks

- T51. Notify the Board of principal or branch office address changes.
- T52. Maintain Fumigation notice to consumers and regulatory related documents.
- T53. Maintain business operation records, e.g., insurance, bonds, licenses, etc.
- T54. Maintain required safety and respiratory training records.
- T55. Comply with requirements of the Structural Pest Control Board as it relates to California contract law.
- T56. Comply with requirements of the Structural Pest Control Act as it relates to business operations.
- T57. Annual registration with county agricultural commissioners.
- T58. File monthly pesticide use reports.
- T59. File notices of intent prior to fumigation.
- T60. Conduct worker health and safety training.
- T61. Request gas company shutoff.
- T62. Provide pesticide disclosure notices to consumer.

Associated Knowledge

- K59. Knowledge of record keeping requirements for principal and branch offices.
- K60. Knowledge of requirements for Operators to notify County Agricultural Commissioners of change of address or employment status of employees.
- K61. Knowledge of requirements for Operators to notify Board of changes regarding location of principal or branch office.
- K62. Knowledge of requirements for Operator to maintain current information regarding bonds or insurance policies.
- K63. Knowledge of record keeping requirements for fumigation records.
- K64. Knowledge of requirements for employee training programs.
- K65. Knowledge of requirements for maintaining records of employee training programs.
- K66. Knowledge of California mechanic's lien law.
- K67. Knowledge of potential liabilities that could result from subcontract agreements.
- K68. Knowledge of Structural Pest Control Board requirements regarding contents of fumigation contracts.
- K69. Knowledge of the Structural Pest Control Act as it relates to business practices.
- K70. Knowledge of laws and regulations regarding pesticide disclosure requirements.
- K71. Knowledge of requirements to provide proper notification/registration with county.
- K72. Knowledge of requirement for filing monthly pesticide use reports.
- K73. Knowledge of gas company requirements.
- K74. Knowledge of requirement for Branch 1 to provide fumigation log to prime contractor or Branch 3.

SAMPLE QUESTIONS

1. For the purpose of safety to neighbors' pets, who is responsible for notifying neighbors prior to fumigation?

- A. Fumigator at job site
- B. Termite inspector
- C. Owner of property
- D. Operator of fumigation company

2. Which of the following items must be included in a fumigation safety kit?

- A. A chart of instructions for artificial respiration.
- B. The MSDS for the fumigant being used
- C. A UL certified fire extinguisher
- D. Address and phone number for local hospital

3. What is the minimum aeration time required after shooting over 16 oz/MCF of sulfuryl fluoride?

- A. 24 hours
- B. 10 hours
- C. 6 hours
- D. 8 hours

4. What sulfuryl fluoride fumigant is labeled for commodity fumigation?

- A. Magtoxin
- B. ECO2FUME
- C. ProFume
- D. Fumi-cel

5. After a fumigation has been performed, who gets a copy of the fumigation log?

- A. The Structural Pest Control Board
- B. Department of Pesticide Regulation
- C. The homeowner
- D. Prime contractor

6. How many years must a registered company preserve a copy of the fumigation log?

- A. 3
- B. 4
- C. 2
- D. 1

Answers: CADFDA

**Structural Pest Control Board
2005 Evergreen Street, Suite 1500
Sacramento, California 95815**

**STATE OF CALIFORNIA
NOTICE OF ELIGIBILITY**

You are eligible to participate in the written examination for licensure. This is the **ONLY** notice of eligibility you will receive from the Board for this examination. Your address label contains important date information. In the upper left corner of the address label (above your name) is the date your application for examination was approved; following that is the date by which you must take your examination. You must take the written examination by the date specified on the label, or you will be required to re-apply.

This handbook provides important information regarding written examination procedures and content. To schedule your examination, please refer to the instructions in this handbook.
