## EXAMINATIONS BY PSI SERVICES LLC

This Candidate Information Bulletin provides you with information about the examination process for becoming licensed as an Insurance Producer, Consultant or Adjuster in the State of Utah.

The Utah Insurance Department has contracted with PSI Services LLC (PSI) to conduct the examination program. PSI works closely with the Department to make certain that these examinations meet the State's as well as nationally established technical and professional standards for examination development and administration. PSI provides these examinations through a network of computer examination centers in Utah.

## THE LICENSURE PROCESS

**Utah Law and Regulations (17-19)** - This examination will be required of producers, consultants or adjusters who have cleared their resident license from another state and who are applying to Utah as their resident home state. They will be required to take this examination if their letter of clearance is greater than 90 days old, but less than one year.

### LICENSE TYPES THAT REQUIRE NO EXAMINATION

An examination is not required for the following license types: bail bond license; limited lines license; managing general agent license; or reinsurance intermediary license. Application can be made online at [www.sircon.com/utah](http://www.sircon.com/utah) or at [www.nipr.com](http://www.nipr.com). For more information about these license types, visit the Department's Web site at [www.insurance.utah.gov](http://www.insurance.utah.gov). The Navigator license has no specific Utah examination, but there is HHS training, examination, and certification requirement prior to applying for the Navigator license in Utah.

Fingerprints are required for new license candidates applying for one of these license types. Fingerprints must be done at a UT PSI Test Center during normal business hours.

### REQUIREMENTS BASED ON RESIDENCE

Following are the licensing requirements for candidates who currently live in Utah, for those who are moving to Utah and for nonresidents.

#### Resident licensing requirements

**Producer License.** To qualify for a Utah Resident Producer license, you must:

- Be at least 18 years old;
- Be a resident of Utah;
- Be of good character and competency; and
- Pass the license examination(s) required by statute.

**To conduct insurance transactions as a producer, you must:**

- Hold a current license for the line of insurance being transacted;
- Be appointed and/or designated by an authorized insurer or licensed insurance agency prior to acting as a producer for the insurer; and
- Be under contract with that insurer or insurance agency.

**Note** If you are not contracted or affiliated with any insurer or insurance agency, your license remains active but you cannot conduct insurance transactions as a producer for the insurer.

**Adjuster License.** To qualify for an adjuster license, you must meet the basic requirements for a license given above.

**Surplus Lines License.** To qualify for surplus lines, you must have been a property/casualty insurance producer for at least three of the past four years. The "comparable preparation" provision does not apply to surplus lines. **It is your responsibility to make sure you meet the minimum experience requirements prior to taking the examination.**

**Consultant License.** To qualify for a consultant license, you must have been acting in a capacity that would provide you with the preparation to act as an insurance consultant for an aggregate period of not less than three years during the four

years immediately preceding the date of the application. Your qualifications must relate to the line of insurance for which you plan to consult. **It is your responsibility to make sure you meet the minimum experience requirements prior to taking the examination.**

**License with Variable Contracts Line of Authority.** To qualify for a license with a variable contracts line of authority, you must meet the following requirements: 1) either apply for a life line of authority at the same time or already hold a life line of authority; and 2) have evidence of a current FINRA qualification and registration with the Utah Securities Division (a current CRD showing Utah approval may be used as evidence).

#### NEW RESIDENT LICENSING REQUIREMENTS

Except for Bail Bond producer licenses, Utah is reciprocal in its licensing of new Utah residents who were previously licensed in another state. To become a resident licensee without a requirement to pass an examination, a person moving to Utah who was licensed as an insurance producer in another state must meet the following requirements:

- Submit a completed application and appropriate fees to the Department within 90 days of canceling the other state's license that was in good standing at the time of cancellation, and within 90 days of becoming a legal resident of Utah (after 90 days a Laws and Regulations test will be required);
- Submit proof of residency to the Department within the last 90 days (for example, a Utah driver's license with an issue date, mortgage agreement or lease agreement); and
- Have evidence of good standing of the other state's license at the time it was cancelled, such as a Letter of Clearance dated within the previous 90 days or electronic verification through the Producer Database (PDB).

You may contact the Department for more information on new resident licensing requirements or visit the Department's Web site at [www.insurance.utah.gov](http://www.insurance.utah.gov).

#### NONRESIDENT LICENSING REQUIREMENTS

The State of Utah is a signatory to the NAIC Statement of Uniform Treatment of Nonresident Producers. Utah accepts NAIC Uniform Applications and has accepted the NAIC Model Producer Licensing Act. Contact the Department for specific instructions. Bail Bond producer licenses **are not** issued to nonresidents. Electronic nonresident producer applications and instructions may be accessed at [www.sircon.com/utah](http://www.sircon.com/utah) or [www.nipr.com](http://www.nipr.com).

#### FINGERPRINT REQUIREMENTS

ALL resident individual license candidates must provide a set of fingerprints to the Utah Insurance Department for the purpose of conducting a state and national fingerprint-based criminal history record.

If the license type you are applying for **requires** an examination (Resident Consultant, Resident Producer, Resident Surplus Lines Producer, Resident Independent Adjuster, Resident Public Adjuster), the process is as follows:

1. After passing the examination, use the kiosk at the test center to complete your license application online via Sircon or NIPR. The license application will include an FBI/BCI fingerprint fee (\$13.25 FBI/\$20.00 BCI) that must

be paid by credit card during the online license application process.

2. Print out your Sircon or NIPR confirmation page and show it to the test center proctor as proof you have paid the FBI/BCI fees.
3. Pay the \$20.00 PSI processing fee, made payable by money order, cashier's check, company check, VISA or MasterCard.
4. Your fingerprints will then be scanned.

Fingerprint results will be returned to the Department electronically. The Department will evaluate the results and the license application prior to issuing any license.

**Note** If you pass the examination and leave the test center without having your fingerprints scanned, you must return to the test center to have your fingerprints taken, during the fingerprint walk-in hours posted on PSI's website. When you return, you must present the Sircon or NIPR application confirmation page to have your fingerprints taken.

Candidates do not need to be fingerprinted:

- If you have an existing, valid Utah Insurance License and are testing for another line of authority or additional license type.

If the license type you are applying for **does not require** a Utah examination (Resident Limited Lines Producer, Bail Bond, Managing General Agent, Reinsurance Intermediary, Navigator), the process is as follows:

1. Go to a PSI test center, during the fingerprint walk-in hours posted on PSI's website.
2. Pay the \$20.00 PSI processing fee, made payable by money order, cashier's check, company check, VISA or MasterCard.
3. Apply for the license online from your home or office at [www.sircon.com/utah](http://www.sircon.com/utah) or [www.nipr.com](http://www.nipr.com) before arriving at the test center for fingerprinting. You can also apply online using a kiosk at the test center. Payment for both the license application fee and the FBI/BCI fingerprint fee (\$13.25 FBI/\$20.00 BCI) must be made by credit card during the online license application process.
4. Upon completing the online application, print out the Sircon confirmation page as proof you have paid the FBI/BCI fees. Give the confirmation page to the test center proctor and your fingerprints will then be scanned.
5. Fingerprint results will be returned to the Department. The Department will evaluate the results and the license application prior to issuing any license.

## TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

### IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

## TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers. The "Function Bar" at the top of the sample question provides mouse-click access to the features available while taking the examination.

The screenshot shows a web-based examination interface. At the top, there is a navigation bar with icons for Mark, Comments, Goto, Help, and End. Below this, a status bar displays: Question: 3 of 40, Answered: 2, Unanswered: 1, Marked: 0, View: All, Time Left(Min): 359. The main content area shows question 3: "What do the stars on the United States of America's flag represent?". Below the question is a text input field and a prompt "(Choose from the following options)". There are four radio button options: 1. Presidents, 2. Colonies, 3. States, and 4. Wars. At the bottom of the question area, there are two buttons: "<< Back" and "Next >>".

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

**IMPORTANT:** After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

## EXAMINATION REVIEW

PSI, in cooperation with the Department, will be continually evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered on the computer keyboard during the examination. Your comments regarding the questions and the examinations are welcomed. Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the Department may re-evaluate candidates' results and adjust them accordingly. **This is the only review of the examination available to you.**

## SCORE REPORTING

Your score will be given to you immediately following completion of the examination. In order to pass the examination, you must achieve a minimum score of 70%. The following summary describes the score reporting process:

- If you **pass**, you will receive a successful score report.
- If you **do not pass**, you will receive a diagnostic report indicating your strengths and weaknesses by examination type on the score report.

### DUPLICATE SCORE REPORTS

You may request a duplicate score report after your examination by emailing [scorereport@psionline.com](mailto:scorereport@psionline.com) or by calling 800-733-9267.

### EXPERIMENTAL ITEMS

In addition to the number of examination items specified in the "Examination Content Outlines", a small number (5 to 10) of "experimental" questions may be administered to candidates during the examinations. These questions will NOT be scored and time to answer them has been added to the time allowed. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

## **TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION**

The following suggestions will help you prepare for your examination.

- Only consider the actual information given in the question, do not read into the question by considering any possibilities or exceptions.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

## **OBTAINING YOUR LICENSE**

After you pass your examination, complete and submit your application electronically via Sircon or NIPR by using the kiosk located in the test center and paying all fees with a credit card. Sircon or NIPR will electronically forward your application and all fees to the Department. You can also later apply electronically at [www.sircon.com](http://www.sircon.com) or [www.nipr.com](http://www.nipr.com). Electronic application is the Department's required filing method.

**Warning** It is your responsibility to ensure that the application and any supporting documents have been properly completed and that the information is accurate. If you have ever been the subject of a civil or criminal proceeding, whether it be misdemeanor or felony, including disciplinary proceedings by an insurance department, you must disclose this information on the license application, and electronically submit supporting documents to the department. Applications that are found to contain inaccurate or untruthful information may be denied.

Initial resident insurance license applicants must provide fingerprints to permit the Department to obtain a criminal history record report.

**IMPORTANT: YOUR APPLICATION AND FEE MUST BE SUBMITTED WITHIN 90 DAYS OF PASSING YOUR EXAM. AFTER 90 DAYS, THE EXAM MUST BE RETAKEN IN ORDER FOR A LICENSE TO BE ISSUED.**

For additional or more complete information please visit [www.insurance.utah.gov](http://www.insurance.utah.gov).

### AMENDING A LICENSE TO ADD A LINE OF AUTHORITY

For additional lines of insurance, you must take and pass the applicable examination and submit a completed license application form indicating an amended license. For example, to add the Life and Accident and Health line of authority to your Property and Casualty license, you would need to take the required exam for Life, Accident and Health and pay a transaction fee to add it to the license.

### PRINTING YOUR LICENSE

The Department no longer prints and mails hard copies of new, renewal or duplicate licenses. You may print a hard copy yourself by going to [www.sircon.com/utah](http://www.sircon.com/utah) and clicking on the

link titled "Print a license." You may print your license as soon as it has been issued.

To see if a new or renewal license has been approved and issued, go to:

- [www.sircon.com/utah](http://www.sircon.com/utah) and click on "Check license application status" or "Check license renewal status;" or
- the Department's Web site at [www.insurance.utah.gov](http://www.insurance.utah.gov) and click on the "Search for Company & Agent" link.

You may print as many copies of a new or renewal license as you would like at no cost if your license application is processed through Sircon. If you apply for your license through NIPR, then Sircon will charge a small fee to print your license.

**OBTAINING AN APPOINTMENT**

After obtaining your license, you need an appointment with an insurer or a designation with an agency to conduct insurance transactions for an insurer. Contact your employing insurance company or agency organization in order to be properly appointed as its producer or designee.

**ADDRESS, PHONE, OR EMAIL CHANGES**

Section 31A-23a-412 of the Utah Insurance Code requires all licensees to notify the Commissioner in writing of any change of address, phone number, or business email address within 30 days. You **must** process your own changes electronically online at [www.sircon.com/utah](http://www.sircon.com/utah) or at [www.nipr.com](http://www.nipr.com).

**LICENSE RENEWALS**

A renewal reminder letter is sent to every licensee's business email address on file with the department about two months prior to the license expiration date. Renewals are required to be completed electronically at [www.sircon.com/utah](http://www.sircon.com/utah) or [www.nipr.com](http://www.nipr.com). More detailed information about renewing a license is available on the Department's Web site at [www.insurance.utah.gov](http://www.insurance.utah.gov).

**CONTINUING EDUCATION**

Continuing education (CE) is required for all Utah resident producers and adjusters. Currently, **24 hours** of CE are required (12 hours for title insurance), of which:

- At least half of the required hours must be in the classroom or classroom equivalent hours.
- A minimum of three of the required hours must be in ethics training (the remaining hours can be in any line of insurance).

**UTAH PRODUCER'S EXAMINATION FOR LIFE INSURANCE EXAMINATION SERIES 17-01**

<b>State Licensing and Regulation (25%)</b>
<b>Licensing</b>
Qualifications (31A-23a-107, 108)
Purpose (31A-23a-101)

- All of the required hours must be approved by the Department.

A list of approved CE classroom providers and a course calendar are available on the Department's Web site at [www.insurance.utah.gov](http://www.insurance.utah.gov). Proof of completion of CE hours must be kept on file with the producer. The Department conducts random audits of CE hours, and certificates of completion must be submitted to the Department within 21 days from the date of an audit letter.

**Nonresidents.** A nonresident producer or adjuster who has complied with CE requirements in his or her home state is considered to have satisfied the CE requirements.

**Exemptions.** Only producers with limited lines licenses and those who have previously filed an exemption with the State of Utah are exempt from CE requirements.

**EXAMINATION CONTENT OUTLINES AND STUDY MATERIALS**

**STUDY MATERIALS**

The Utah Insurance Department does not require you to complete a training course before you take a Utah insurance examination. Use materials or complete education of your own choosing that you believe will best prepare you for the examination. Various publishers have prepared a variety of study guides and manuals to help candidates prepare for license examinations. Neither the Department nor PSI publishes, reviews, or approves study materials. However, a list of sources that you may choose to use as a starting point in your search for study materials can be found on the Department's website at <https://insurance.utah.gov/agent/producers/exam/materials.php>.

**Utah statutes.** The exams contain sections on Utah statutes. In addition to other study materials, you may wish to consult a standard statute reference, such as those available at most public or law libraries in Utah. The Utah Insurance Code is available on the Department's Web site at [www.insurance.utah.gov](http://www.insurance.utah.gov).

**EXAMINATION CONTENT OUTLINES**

Following are the individual examination content outlines indicating the examination time limit, minimum score required to pass, subject area and the number of items in each area. These outlines are the basis of the examination. Each examination will contain questions about the subjects in its outline. In order to pass the examination, you must achieve a minimum score of 70%.
