EXAMINATIONS BY PSI SERVICES LLC

This Candidate Information Bulletin provides you with information about the processes for taking an examination and obtaining an insurance license in the State of Washington.

The Washington Office of the Insurance Commissioner has contracted with PSI Services LLC (PSI) to conduct the examination program. PSI works closely with the State to ensure examinations meet the state and nationally established technical and professional standards for examination development and administration. PSI provides these examinations through a network of computer examination centers in Washington.

UNDERSTANDING LICENSING REQUIREMENTS

Washington state residents desiring any type of insurance license must:

- be eighteen (18) years of age;
- be trustworthy and competent;

In addition, the following qualifications for specific license types are required:

Producers: Pre-license education is required to take the examinations for a full-line license. The candidate must pass the examination for each line of authority needed. The limited lines examinations for Surety and Credit Insurance do not require pre-license education.

Adjusters: Experience or special education or training with reference to the handling of loss claims under insurance contracts of sufficient duration and extent to reasonably make the candidate competent to fulfill the responsibilities of an adjuster. The candidate must pass the examination.

Crop Adjusters: For private market crop insurance claims no pre-licensing is required. The candidate must pass the examination. For a candidate that has completed the Crop Adjuster Proficiency Certification (CAPP) the examination is not required. The CAPP is required to adjust Federal Crop Insurance claims.

Surplus Line Broker: The candidate for a resident surplus line broker's license must pass the examination. The examination will test an applicant's qualifications and competence in surplus line insurance including an understanding of property and casualty insurance.

A Surplus Line Broker must obtain two bonds after their license is issued. See RCW 48-17-250 for the bond requirements.

The commissioner deems that a non-resident person holding a surplus line broker's license, or the equivalent, in the applicant's home state is qualified, competent and trustworthy and, therefore, meets the minimum standards of this state for holding a surplus line broker's license. For that reason, the commissioner will waive the Washington surplus line broker's examination for a person who has and maintains a current resident surplus line broker's license, or the equivalent, in the applicant's home state.

For more information on licensing, please contact:

Washington Office of the Insurance Commissioner
PO Box 40257
Olympia, WA 98504-0257
Phone: (360) 725-7144

Email: licinfo@oic.wa.gov

PRE-LICENSE EDUCATION REQUIREMENTS

Each candidate for a Life, Disability, Property, Personal lines or Casualty Producer license must have completed within the previous twelve (12) months the pre-license education or received a waiver as required by WAC.284.17.510 through 284.17.515 prior to scheduling for an examination.

A candidate must complete an approved course consisting of at least twenty (20) hours of instruction for each line of insurance (Life, Disability, Property, Personal Lines or Casualty) for which an examination is being taken. Approved instruction methods include lecture, instructor-proctored self study, and home self study.

A provider of approved pre-license education will issue a certificate of completion to each student upon successful completion. A separate certificate will be issued for each line of insurance. A certificate of completion is valid for a period of twelve (12) months from the date of course completion.

A list of pre-license education providers is available on the insurance commissioner's website or may be obtained by calling (360) 725-7146.

INITIAL LICENSING

If you don't apply for licensure within 180 days of passing the examination, you will need to retake the examination.

Candidates who receive a passing score on the appropriate examination(s) must forward the following materials to the Office of the Insurance Commissioner:

1. Complete and submit an online application (this will include payment of your license fees). The online application is available at www.insurance.wa.gov. The online application is also available through the National Insurance Producer Registry (full lines and surplus lines only) at www.nipr.com.
2. A copy of your passing score report, provided at the test site, will need to be submitted with the application. You may fax it to 360-586-2019 or attach a copy to your online application.
3. Submit your fingerprints **electronically** from the PSI examination center or MorphoTrust-IdentoGo Center. They will send your fingerprints to WA State Patrol and WA State Patrol will forward your background results directly to the insurance commissioner's licensing unit. You will not receive a copy of the background check.

LICENSEES MOVING FROM NON-RESIDENT TO RESIDENT

An individual who applies for an insurance producer license in this state who was previously licensed for the same lines of authority in another state shall not be required to complete any pre-licensing education or examination. This exemption is only available if the person is currently licensed in that state or if the application is received within ninety (90) days of the cancellation of the applicant's previous license, and if the prior state issues a certification that, at the time of cancellation, the applicant was in good standing in that state or the state's producer database records, maintained by the NAIC, its affiliates, or subsidiaries, indicate that the producer is or was licensed in good standing for the line of authority requested.

A person licensed as an insurance producer in another state who moves to this state shall make application within ninety (90) days of establishing legal residence to become a resident licensee under RCW 48.17.175. No pre-licensing education or examination shall be required of that person to obtain any line of authority previously held in the prior state except where the commissioner determines otherwise by rule.

To apply for a resident license:

1. Complete and submit an online application (this will include payment of your license fees). The online application is available at www.insurance.wa.gov. The online application is also available through the National Insurance Producer Registry (full lines and surplus lines only) at www.nipr.com.
2. Submit your letter of clearance. It can be faxed or scanned and attached to the online license application.
3. Submit your fingerprints **electronically** from the PSI examination center or MorphoTrust-IdentoGo Center. They will send your fingerprints to WA State Patrol and WA State Patrol will forward your background results directly to the insurance commissioner's licensing unit. You will not receive a copy of the background check.

RENEWALS

All individual licenses issued will expire on the individual's next birth date plus one year, and every two years thereafter. A renewal notice will be sent to the licensee's last email address of record approximately two (2) months prior to the license expiration date. If no email address has been provided, the renewal notice will be sent to the licensee's last mailing address of record. However, it is the licensee's obligation to renew prior to the expiration date, even if the renewal notice is not received.

INITIAL APPOINTMENTS AND AFFILIATIONS

Appointment: If an individual or business entity licensee is transacting business as a direct representative of an insurer and soliciting insurance on its behalf, the producer must be appointed by the insurer.

Affiliation: If an individual represents a business entity when transacting insurance business (cards and letterhead clearly identifies the producer is working on behalf of the business entity), the business entity and individual should be licensed. The business entity should affiliate the individual.

The insurer or business entity will assist you with an appointment or affiliation after you are licensed.

REIMBURSEMENT OF WA STATE EXAM FEES FOR VETERANS

The WA State insurance exams have recently been approved for qualifying veterans to receive reimbursement of their exam fees. To determine if you are eligible, and for any questions about the reimbursement program, please go to https://gibill.custhelp.com/app/answers/detail/a_id/39 or call 1-888-442-4551, or for the hearing impaired call 1-800-829-4833.

FINGERPRINTING REQUIREMENT

Washington state requires resident applicants to submit their fingerprints electronically for a background check. Non-resident applicants do not have any fingerprint requirements. A license will not be issued until the state receives the results of the background check.

PSI subcontracts fingerprint services to MorphoTrust USA™. Candidates must make a fingerprint reservation with MorphoTrust USA™ no later than one (1) business day prior to the desired examination date. Candidates must either schedule their appointment online at www.identogo.com or contact MorphoTrust USA™ at 866-761-8069. If a Candidate waits too long to schedule an appointment there may not be an available slot on the same day as their examination. In that case, Candidates should select an appointment slot for a later date. Upon arrival at the test site, the Candidate should notify the proctor that a fingerprint reservation was made for a future date and share the MorphoTrust Registration ID number (required).

Your comments regarding the questions and the examinations are welcomed. Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the Department may re-evaluate candidates' results and adjust them accordingly. **This is the only review of the examination available to you.**

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

TEST QUESTION SCREEN

The "Function Bar" at the top of the test question provides mouse-click access to the features available while taking the examination.

The screenshot shows a web-based examination interface. At the top, there is a 'Function Bar' with icons for Mark, Comments, Goto, Help, and End. Below this, a status bar displays: 'Question: 3 of 40', 'Answered: 2', 'Unanswered: 1', 'Marked: 0', 'View: All', and 'Time Left(Min): 359'. The main question area contains the text: '3. What do the stars on the United States of America's flag represent?'. Below the question, it says '(Choose from the following options)'. There are four radio button options: '1. Presidents', '2. Colonies', '3. States', and '4. Wars'. At the bottom of the question area, there are two buttons: '<< Back' and 'Next >>'.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

SCORE REPORTING

You must get 70% correct to pass the examination. Your score will be given to you immediately following completion of the examination. The following summary describes the score reporting process:

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Only consider the actual information given in the question, do not read into the question by considering any possibilities or exceptions.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

You can take a practice exam online at www.psiexams.com to prepare for your Washington Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam. Practice exams ARE NOT a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.

EXAMINATION CONTENT OUTLINES

Individual examination content outlines are available from PSI for each examination. Content outlines indicate the examination time limit, minimum score required to pass, subject area and the number of items in each area. To obtain a content outline for your specific examination, visit www.psiexams.com, select [Government/State Licensing Agencies/Washington/Insurance](#). EXAMINATION CONTENT OUTLINES

NON-SCORED QUESTIONS

Your examination contains non-scored questions. The use of such questions is an essential step in developing accurate future examinations. These questions will NOT be scored and time to answer them has been added to the time allowed.

STUDY MATERIALS

Neither the Washington Office of the Insurance Commissioner nor PSI specifically endorses any particular study materials. However, actual state insurance laws and regulations provide an invaluable source of information in preparation for the state-specific portion of the major line examinations, and current insurance textbooks and policy forms provide the basis for preparation for the national portion of the major line examinations. In addition, a number of publishers' and suppliers' training courses are available.

When candidates complete the examination, they will receive a score report marked "pass" or "fail" along with diagnostic information. Candidates may use the diagnostic report as a guide for studying before their next test administration.
