NOTE: The on-line system allows for the uploading of documents such as the Record of Completion, the affidavit of Eligibility Form and any other supporting documentation required to complete the application. Payment for the on-line application is required to be made in the form of a credit/debit card. It is not necessary to file an on-line application and paper application. Select ONE method only.

If applicable, mail the completed application, including all required documents, and the $28 application fee to:

**PSI/Colorado Barber Cosmetology Program**
PO Box 887

- If the application was filed on-line, it is not necessary to also submit a paper application.
- Within 48 business hours of the application received date, you will be notified, via email, that your application has been approved or that your application is deficient (specifying the outstanding requirements).
- Upon approval, PSI will email a confirmation notice. You will then be responsible for contacting PSI to pay and schedule for the Practical examination after receiving a confirmation notice.
- You must pass the Practical examination before you can pay the fee and schedule the Written examination.
- You have one (1) year from the date of passing the practical examination to complete and pass the theory examination or your application will expire.
- If you fail the examination, you may retest an unlimited number of times during the one (1) year eligibility period. However, you must wait fourteen (14) days between attempts for the practical and thirty (30) days for the written examination.
- Applications are valid for one (1) year and must be renewed with a new application fee if you do not pass both portions of the examination since the submission and there is a possibility of having to retake the entire examination including any previously passed parts.

NOTE: All fees are non-refundable and non-transferable.

STEP 2: Take the examinations:
- Bring two forms of identification (I.D.), which bear the signature. One of these forms of I.D. must also have the photograph. The forms of identification will be required each time you appear to take an examination.
- The name as shown on the application form must exactly match the name on the photo I.D. used when checking in at the examination site(s). Please be sure to apply using your full legal name.
- Arrive 30 minutes prior to the appointment time.

STEP 3: Upon passing both examinations:
- If you answered “NO” to all screening questions in Section 3 of the Application, and have never worked in Colorado as a cosmetologist, you will immediately receive a successful notification containing a wall license as well as a photo-bearing pocket card.
- If you answered “Yes” to one or more of the screening questions in Section 3 of the Application, and or have previously worked in Colorado as a cosmetologist, approval from DORA- Office of Barber and Cosmetology Licensure will be necessary before PSI can mail the wall license and photo-bearing pocket card.

INTERNET SCHEDULING – AVAILABLE 24 HOURS/DAY Go to www.psiexams.com
This is the fastest and most convenient examination scheduling process:
• Log onto PSI’s website and create an account. Please enter your email address and first and last name. This information must match exactly with the name shown on your identification that will be presenting at the examination site AND MUST BE YOUR FULL LEGAL NAME.
• You will be asked to select the examination and then enter your personal contact information. You will then be ready to pay and schedule the examination. Enter your zip code and a list of the examination sites closest to you will appear. Once you select the desired examination site, available dates will appear.

TELEPHONE SCHEDULING
Call (855) 744-0312
This is the second fastest method of scheduling. You’ll speak with a live registrar, Monday through Friday between 6:30 AM and 9:00 PM, and Saturday and Sunday between 8:00 AM and 4:30 PM (CST). To register by phone, you need a valid VISA, MasterCard, American Express or Discover credit card.

CANCELING AN EXAMINATION APPOINTMENT
You may cancel and reschedule an examination appointment without forfeiting the paid fee if your cancellation notice is received a minimum of 2 calendar days before the scheduled examination date. Note: A voicemail or email message is not an acceptable form of cancellation. Please use the PSI Website or call PSI and speak directly to a Customer Service Representative.

PSI personnel will attempt to contact you. However, you may check the status of your examination schedule by calling (855) 744-0312. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You may also check our website at www.psiexams.com for any posted notices.

EXAMINATION ACCOMMODATIONS
All examination centers are equipped to provide access in accordance with the Americans with Disabilities Act (ADA) of 1990, and reasonable accommodations may be made in meeting a candidate’s testing needs. Candidates with disabilities or those who require reasonable and appropriate testing accommodations are not guaranteed improved performance or test completion. TAKING THE COMPUTER-BASED WRITTEN EXAM
The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN
You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination type for which you are registered.

TUTORIAL
Before you start the examination, an introductory tutorial is provided on the computer screen. The time spent on this tutorial, up to 15 minutes and DOES NOT count as part of the examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers before you actually begin the examination.

TEST QUESTION SCREEN
The “function bar” at the top of the sample question provides mouse-click access to the features available while taking the examination. One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out or you have not ended your examination.

The examination content outline has been prepared and is periodically updated by committees of professionals who are subject matter experts in practice, instruction, and regulatory areas. The examination content outline identifies areas of importance to licensees for them to perform their duties to the public in a minimally competent manner.

Use the outline as a guide for pre-examination review of reference material. The outline lists the topics that are on the examination and the number of questions for each topic. Do not schedule an examination time until you are familiar with the topics in the outline below.

• If you answered “NO” to all screening questions in Section 3 of the Application, and have never worked in Colorado as a cosmetologist, you will immediately receive a successful notification, photo bearing pocket card that that information is provided electronically to DORA. Please verify this information about two weeks from passing the examination at askdora.colorado.gov.
• If you answered “Yes” to one or more of the screening questions in Section 3 of the Application, or have previously worked in Colorado as a cosmetologist, approval from DORA- the Office of Barber and Cosmetology Licensure will be necessary before PSI can mail the photo-bearing pocket card.
• If you do not pass the examination, you will immediately receive an unsuccessful notification on the screen along with a diagnostic report indicating your strengths and weaknesses and there is a 30-day waiting period before re-taking the examination.
• On paper - an official score report will be printed at the examination site.
