IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in and re-entry into the testing room after an approved absence. If a candidate passes the examination, the thumbprint record will be destroyed. If a candidate abandons his or her application for licensure, as determined by the appropriate regulatory authority, the thumbprint will also be destroyed. If a candidate is unsuccessful, the thumbprint record will be retained by PSI to ensure proper identification on any subsequent examination attempts. If the thumbprint doesn't match upon exit and re-entry, the candidate shall be disqualified from the examination, his or her test results invalidated, and the appropriate regulatory entity will be notified of the occurrence. The taking of the thumbprint is an additional measure to enhance examination security. The Department's Office of Examination Resources shall ensure that the appropriate safeguards for the storage and destruction of the thumbprint records are in place.

2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination.

3. There are timing mechanisms available at the test site and on the computer console to help candidates keep track of time during the test administration. Watches or other timekeeping devices are not permitted in the examination rooms.

4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when you leave the room and when you return. If a candidate's restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence, which will take appropriate action.

5. The following items are not permitted in the examination rooms:

- Cellular telephones, personal digital assistants (PDAs), recording devices, cameras, pagers, purses, notebooks, notebook computers, reference or readings material, music players, radios, electronic games, calculators, or briefcases.
- Personal items including watches, backpacks, wallets, pens, pencils, or other writing devices, food, drinks and good-luck items.
- Hats, baseball caps, or visors (with the exception of religious apparel), coats, shawls, hooded clothing, heavy jackets, overcoats or shirts with pockets.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates shall return these items to their vehicle or other place of safekeeping. Neither PSI, nor the Department of Consumer Affairs, shall be responsible for the items. Any candidate possessing the prohibited items in the examination room shall have his or her test results invalidated, and PSI shall notify the appropriate regulatory entity of the occurrence.

6. Copying or communicating examination content is a violation of PSI security policy and existing law. Either one shall result in the disqualification or invalidation of examination results, the denial of your license, and may subject the candidate to criminal prosecution.

7. If you are asked by a proctor to step into the lobby during your examination, the proctor will suspend your examination and you will not lose any remaining test time.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers. The “Function Bar” at the top of the sample question provides mouse-click access to the features available while taking the examination.

The screenshot shows a web-based examination interface. At the top, there is a navigation bar with icons for Mark, Comments, Goto, Help, and End. Below this is a status bar displaying: Question: 3 of 40, Answered: 2, Unanswered: 1, Marked: 0, View: All, and Time Left(Min): 359. The main content area shows question 3: "What do the stars on the United States of America's flag represent?". Below the question is a text input field and a prompt "(Choose from the following options)". There are four radio button options: 1. Presidents, 2. Colonies, 3. States, and 4. Wars. At the bottom of the question area are two buttons: "<< Back" and "Next >>".

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers

EXPERIMENTAL QUESTIONS

In addition to the number of questions per examination, a small number of five to fifteen “experimental” questions may be administered to candidates during the examinations. These questions will not be scored and the time taken to answer them will not count against examination time. The administration of such non-scored experimental questions is an essential step in developing future licensing examinations.

ABOUT THE EXAMINATION

The California Chiropractic Law Examination is based upon a test plan developed by California licensed chiropractors. The plan identifies aspects of laws related to the tasks that a chiropractor must have knowledge of in order to perform upon licensure.

EXAMINATION RESULTS

You will receive the results of your Written Examination at the PSI test center.

If you pass, follow the instructions on your pass letter.

If you fail the written examination, you will receive a failed score report and instructions on how to apply to retake the examination.
