Please allow up to 5 business days for review. If approved, you will be allowed to reschedule without penalty.

- You arrive after appointment start time;
- You do not present proper identification when you arrive for the appointment.

REPORTING TO THE ASSESSMENT ADMINISTRATION SITE

On the day of your appointment you must:

- Have in your possession the ***Notice of Eligibility for Assessment*** letter issued to you by BSIS.
- Have in your possession one of the following valid and government-issued photo identifications:
 - Valid photographic driver's license (any state)

The name on the Notice of Eligibility for Assessment letter must match the photo I.D. card.

ASSESSMENT ADMINISTRATION

The assessment will be administered via a computer. You will be using a mouse and computer keyboard and you will have approximately one hour to finish the assessment.

Before you start the actual assessment, you will be provided a computer-based tutorial. The time you spend on this tutorial DOES NOT count as part of your assessment time. Sample questions are provided following the tutorial so that you may practice answering questions and reviewing your answers.

AFTER COMPLETION OF ASSESSMENT

Before you leave the assessment administration site, PSI staff will provide you with a BSIS Firearms Assessment Participation Notice. Keep this notice for your records. You will not be provided your assessment results or score by PSI.

Pursuant to the provisions of Business and Professions Code Section 7583.47, PSI only provides the bureau with the assessment results of “**Demonstrate**” or “**Did Not Demonstrate**” depending on your assessment score. Based on the result received, the bureau will take the following steps:

Demonstrate Results

- Application for Firearms Permit: If your security guard registration is in current, clear status, the Bureau will issue you a BSIS firearms permit. If your registration is not in current, clear status, the bureau will issue you a letter stating that no further action will be taken regarding the firearms permit application until your registration is current and clear.
- Request to Associate Firearms Permit with Security Guard Registration: If both the permit and registration are in current, clear status, the Bureau will issue you a BSIS firearms permit. If either the permit or registration are not current and clear, the bureau will issue you a letter stating that no further action will be taken on the association until both are in current, clear status.

Did Not Demonstrate Results

- Application for Firearms Permit: The bureau will issue you a letter stating that your application for a firearms permit is denied. The denial letter will include information on the process to appeal the denial.
- Request to Associate Firearms Permit with Security Guard Registration: The bureau will issue you a letter stating that your request to associate the firearms permit with the guard registration is denied. The denial letter will include information on the process to appeal the denial.

The bureau anticipates issuance of the firearms permit, the no further action letter, or the denial letter about 10 business days from the date the individual completed the assessment. **Do not call or email the Bureau for your assessment results.** For confidentiality reasons, assessment results will not be provided or discussed by telephone or email.

REASONABLE ACCOMMODATIONS AVAILABLE

You may request reasonable accommodations through the following steps:

1. Fill out and submit the ADA Request Form along with required supporting documentation as noted on the request form (page 13).
2. BSIS will review the request and will either approve or deny the request. You will be notified in writing as to the decision.
3. If approved, PSI will contact you to schedule your appointment with the allowed accommodations.

4. If not approved, you will be advised to schedule your assessment without accommodations.

For your convenience earplugs or sound-proofing headsets are available without the need for a reasonable accommodation request. You may request these devices from the PSI exam proctor on the date of your assessment appointment.

Important Note: Do not schedule your appointment until BSIS has completed the review of your request.

ASSESSMENT ADMINISTRATION SITE CLOSING FOR AN EMERGENCY

In the event severe weather or another emergency forces the closure of an assessment administration site on a scheduled appointment date, your appointment will be rescheduled. PSI staff will attempt to contact you in this situation as soon as possible. However, you may check the status of your appointment by 1-800-733-9267. Every effort will be made to reschedule your appointment at a convenient time for you. You will not be penalized. You will be rescheduled at no additional charge.

ASSESSMENT BACKGROUND INFORMATION

The assessment is named the Sixteen Personality Factor Questionnaire (16pf), which is a personality test used in various settings including employers of protective services personnel (e.g., police officers, firefighters and security guards). PSI conducted a Standard Setting Study for the 16pf questionnaire specific to an Applicant demonstrating that he/she is capable of exercising appropriate judgment, restraint and self-control for the purposes of carrying and using a firearm while performing armed security guard duties. Based on the results of the standard setting study, a 16pf cut score (pass/fail point) was identified to score Applicants' 16pf responses.
