EXAMINATION SCHEDULING PROCEDURES

Once the Commission approves you to test, you will receive an email confirmation from PSI. Your examination registration remains valid for 12 months after it has been processed by the Commission. If you have allowed your examination registration to expire, you need to reapply through the Nebraska Real Estate Commission.

Appointments for the four-hour examination can be made for either a morning or afternoon session.

You may schedule an examination by one of the following methods:

INTERNET SCHEDULING

For the fastest and most convenient examination scheduling process, PSI recommends that you register for your examinations using the Internet. You register online by accessing PSI's registration website at www.psiexams.com. Internet registration is available 24 hours a day.

- Log onto PSI's website and create an account. Please enter your email address and first and last name. This information must match exactly with the information the Commission has on file. Be sure to **check the box next to "Check here to attempt to locate existing records for you in the system"**

- You will be asked to select the examination and enter your social security number. Once your record is found, you will be ready to schedule your examination. Enter your zip code and a list of the testing sites closest to you will appear. Once you select the desired test site, available dates will appear. If you have problems, contact PSI at (855) 834-8748 for help.

TELEPHONE

For telephone scheduling, call (855) 834-8748 and speak to a PSI registrar available Monday through Friday between 7:30 am and 10:00 pm, and Saturday-Sunday between 9:00 am and 5:30 pm, Eastern Time.

EXAMINATION ACCOMMODATIONS

All PSI examination centers are equipped to provide access in accordance with the Americans with Disabilities Act (ADA) of 1990, and exam accommodations will be made in meeting a candidate's needs. A candidate with a disability or a candidate who would otherwise have difficulty taking the examination must follow the instructions on the Exam Accommodations Request Form on page 10

EXAMINATION CANCELLATION PROCEDURES

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee if your cancellation notice is received a minimum of 2 calendar days before the scheduled examination date. For example, for a Monday appointment, the cancellation notice would need to be received on the previous Saturday. **NOTE: Please use the PSI Website or call PSI and speak directly to a Customer Service Representative. A voice mail message is not an acceptable form of cancellation.** You may reschedule online at www.psiexams.com or call PSI at (855) 834-8748.

MISSED APPOINTMENT OR LATE CANCELLATION

Your registration will be invalid, you will not be able to take the examination as scheduled, and you will forfeit your examination fee, if you:

- Do not cancel your appointment 2 calendar days before the schedule examination date;
- Do not appear for your examination appointment;
- Arrive after the examination start time;
- Do not present proper identification when you arrive for the examination. See page 5 for specific requirements.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by going to our website, www.psiexams.com or by calling (855) 834-8748. Every effort will be made to reschedule your examination at a convenient time as soon as possible.

HOLIDAYS

Examinations will not be offered on major holidays.

PRACTICE EXAMINATION

Now you can take the practice examination online at www.psiexams.com to prepare for your Real Estate Examination.

Please note that practice examinations are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice examination an unlimited number of times; however, you will need to pay each time. See the practice examination site for prices and payment located on our website at:

PREPARATION TIPS FOR THE EXAMINATION

The following suggestions will help you prepare for the examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as your starting point.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

STATE PORTION OF THE EXAMINATION

- License Application Packet, which includes the License Act, Rules and Regulations and the Nebraska Fair Housing Act.

TAKING THE EXAMINATION

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered. A photograph will be taken before the examination and printed on your score report.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

TEST QUESTION SCREEN

The “Function Bar” at the top of the test question provides mouse-click access to the features available while taking the examination.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

PSI, in cooperation with the Nebraska Real Estate Commission, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered by clicking the Comments link on the function bar of the test question screen. Your comments regarding the questions and the examinations are welcomed.

Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If an error affecting examination scores is discovered as a result, which occurs very rarely, the examination scores of all affected candidates will be automatically adjusted. **This is the only review of the examination available to candidates. Time spent on making comments will not count against testing time.**

SCORE REPORTING

Your score will be given to you immediately following completion of the examination.

The following summary describes the score reporting process:

- If you **pass**, you will receive a successful score report.
- If you **do not pass**, you will receive a diagnostic report indicating your strengths and weaknesses by examination type on the score report.

LICENSE ISSUANCE

Keep your score reports for any portion of the examination you passed. You will be required to submit original score reports verifying you have passed both the state and national portions of the examination with your license issuance materials. Eligibility for the examination does not imply eligibility for real estate licensure. Examination results are used as one of the criteria for determining eligibility for licensure. Please refer to the Commission’s website at <http://www.nrec.ne.gov/licensing-forms/licenseissuechecklist.html> for licensing information.

FAILING THE EXAMINATION

If you fail, you will need to reapply through the Nebraska Real Estate Commission. You will find the retake application at <http://www.nrec.ne.gov/licensing-forms/retakeexaminfo.html>.

Keep your score reports for any portion of the examination you passed. You will be required to submit original score reports verifying you have passed both the state and national portions of the examination with your application for licensure. Salesperson applicants may retain credit for passing scores on either portion for three (3) subsequent examination attempts or six (6) months, whichever comes first. If you do not pass both portions within the next three attempts or six months, you must take the full examination until you pass all or one part of it, in which case the retention schedule starts over.

DUPLICATE SCORE REPORTS

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or by calling (855) 834-8748.
