**TUTORIAL**

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

**TEST QUESTION SCREEN**

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

**EXAMINATION REVIEW**

PSI, in cooperation with the Indiana Real Estate Commission, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered by clicking the Comments link on the function bar of the test question screen. Your comments regarding the questions and the examinations are welcomed.

Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If an error affecting examination scores is discovered as a result, which occurs very rarely, the examination scores of all affected candidates will be automatically adjusted. This is the only review of the examination available to candidates.

**TUT**

Now you can take the practice exam online at https://www.psixams.com/inre to prepare for your Real Estate Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.

**SCORE REPORTING**

Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type.

Candidates taking a remotely proctored exam: Please note that you must select to end both the exam portion and survey portion of your test in order to receive your on-screen results and emailed score report. If you do not receive your emailed score report, you may reach out to scorereport@psionline.com.
You may request a duplicate score report after your examination by emailing scorerereport@psionline.com. Include your name, candidate ID number and confirmation number. Your candidate ID number and confirmation number is on your exam confirmation email. Please allow up to 72 hours to receive your duplicate score report.

**PREPARATION TIPS FOR THE EXAMINATION**

The following suggestions will help you prepare for the examination.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as your starting point.
- Take notes on what you study. Putting information in writing helps you commit it to memory, and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

**BROKER APPLICANTS BY RECIPROCITY**

If you are Applying by Reciprocity, please submit the following to the Indiana Professional Licensing Agency:
1. A check or money order made payable to the Indiana Professional Licensing Agency or “IPLA” in the amount of $60.00.
2. A completed broker application found at http://www.in.gov/pla/2788.htm. Be sure to include an email address as this is how your licensure status will be communicated.
3. An official verification of licensure in the reciprocal state.
4. Documentation showing the licensure requirements in your home state of licensure.
5. An official verification of any license held in any regulated profession in any other state, if applicable.
6. If you will be working under a broker or broker company, your broker must complete the broker information section of the application. If this section is left blank, your license will be issued in unassigned status unless you select inactive. You are required to complete continuing education (CE) in unassigned status. (Inactive and referral status does not require CE for renewal).

Once you are approved for reciprocity, you will receive an Authorization Letter to take the state law portion of the licensing examination from the Professional Licensing Agency.

You can then schedule your state broker examination with PSI. If you are denied reciprocity, you will be required to complete an Indiana Commission-approved 90-Hour Broker Course and to take both the general broker examination and the state broker examination.

The following is a list of possible study materials for the real estate examinations. The list is given to identify resources and does not constitute an endorsement by PSI or by the Commission. Use the latest edition available.

In addition to the number of examination items specified in the “Examination Content Outlines”, a small number (5 to 10) of “experimental” questions may be administered to candidates during the examinations. These questions will not be scored. However, these questions will count against examination time. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

Candidates may use the following information in making mathematical calculations on the general section of the real estate examinations unless otherwise stated in the text of the question:

- 43,560 square feet/acre
- 5,280 feet/mile
- Round off calculations (where applicable)

The information below, if needed, will be contained within the test itself:

SAMPLE BROKER AND INSTRUCTOR QUESTIONS (SCENARIO-BASED)

Scenario:
You are hosting an open house. Mr. and Mrs. Charles Martin come into the house. You greet them and show them the house. The Martins tell you the house is exactly what they are looking for and they are very interested in purchasing it. You then give them information showing the various types of financing available with down payment options and projected payments.

Mr. Martin tells you they have been working with Mary Hempstead of XX Realty, a competing real estate company. Before leaving, you thank them for coming and give them your business card.

A. The first thing on Monday morning, Mrs. Martin calls and indicates they have tried to reach Mary and cannot. They indicate they have a written buyer’s agent agreement with Mary’s broker. They are afraid someone else is going to buy the house. Which of the following should you do? Select the best answer.
1. Seek advice from your supervising broker.
2. Tell them to come to your office.
3. Ask them to bring the buyer’s agency agreement to you for your interpretation.
4. Tell them to be patient and continue trying to reach Mary.
5. Tell them to call Mary’s supervising broker or branch manager.
6. Tell them you are really sorry, but there is nothing you can do.

B. The Martins come to your office and explain that neither Mary nor her supervising broker are available. They insist you immediately write an offer for the house. How should you proceed? Select the best answer.
1. Write the offer after entering into a buyer’s broker agreement with them.
2. Write the offer after explaining they may owe Mary’s broker a commission.
3. Write the offer after trying to contact Mary’s broker yourself.
4. Refuse to write an offer and explain that doing so would be unethical.
5. Refuse to write and offer since it would be illegal.
6. Refuse to write the offer and tell the Martins to contact another Salesperson in Mary’s office.
