- No smoking, eating, or drinking is allowed in the examination center.
- During the check in process, all candidates will be asked if they possess any prohibited items. Candidates may also be asked to empty their pockets and turn them out for the proctor to ensure they are empty. The proctor may also ask candidates to lift up the ends of their sleeves and the bottoms of their pant legs to ensure that notes or recording devices are not being hidden there.
- Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be used to harbor a recording device. Proctors will ask to inspect any such items in candidates' pockets.
- If prohibited items are found during check-in, candidates shall put them in the provided secure storage or return these items to their vehicle. PSI will not be responsible for the security of any personal belongings or prohibited items.

IMPORTANT NOTICE FOR ALL CANDIDATES

Due to many complaints from the building's tenants, the use of aerosol sprays of any kind (i.e. hairspray, aerosol spray disinfectant) is **Strictly Prohibited** anywhere within the properties which house the PSI test centers. If it is discovered or reported that you or anyone you are associated with, are using or have used an aerosol spray (i.e. hairspray, aerosol spray disinfectant) within the property prior to or during the practical exam, you will not be allowed to test and will forfeit your testing fees.

Also, of note; arriving hours before your exam start time is **NOT ACCEPTABLE**. Please plan to arrive 30 minutes before the start-time of your exam. This will provide plenty of time for check-in. If you arrive more than 30 minutes prior to the testing start-time, you will not be allowed to wait in the test center, inside the building or on the building's property. Additionally, person(s) accompanying you may not wait in the test center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors. PSI

understands that test Candidates are often comforted by having guests accompany them to their exams. It may also be necessary for a guest to drive the Candidate to the test center; however, incidents from previous guests have prompted warnings from Property Management. For this reason, PSI has adopted this policy.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (855) 744-0314. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You may also check our website at <https://test-takers.psiexams.com/gacos>.

TAKING THE WRITTEN EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

The “function bar” at the top of the test question provides mouse-click access to the features available while taking the examination.

The screenshot shows the top of the examination interface. At the top is a 'function bar' with icons for Mark, Comments, Goto, Help, and End. Below this is a status bar showing 'Question: 3 of 40', 'Answered: 2', 'Unanswered: 1', 'Marked: 0', 'View: All', and 'Time Left(Min): 359'. The main question area displays question 3: 'What do the stars on the United States of America's flag represent?'. Below the question is a text input field and a prompt '(Choose from the following options)'. There are four radio button options: '1. Presidents', '2. Colonies', '3. States', and '4. Wars'. At the bottom of the question area are two buttons: '<< Back' and 'Next >>'.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

The Georgia Board of Cosmetology is utilizing the National Interstate Council of State Boards of Cosmetology (NIC) exams. The NIC conducts ongoing analysis and review of their examinations to ensure the examinations accurately measure minimal competency in the required knowledge area.

SCORE REPORTS

You will receive the score report immediately following the completion of the written and practical examinations.

The score on the written examinations are reported as a scaled score, which is a score based on the number of questions you answered correctly that has been converted to a standardized number. The part scores cannot be transferred to a percentage, nor added for overall performance. Each individual part is weighted as to the importance of competence and public protection for entry-level candidates. These weightings then contribute to the total number of questions that must be answered correctly.

You may request a written or practical score report after your examination by emailing scorereport@psionline.com or by calling (855) 744-0314.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory, and it is also an excellent business practice. Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.
